Hello Minister – attached is the revised BC Ferries related P&P submission. This version reflects some refinements over the last two days, including further input from Finance staff today.

We are hoping you will get a chance to review and let us know if you have any further thoughts or comments on Monday (our plan is to finalize sometime later on Monday for Cab Ops).

In parallel, I am also providing to John D. and Peter M (I discussed with John on Friday and he seemed generally to agree with the options presented).

Please feel free to give Kevin or I a call (my cell # S17) if you would like to discuss.

(and I hope you are not checking emails tonight ...)
