

HTH-2012-00075 (X-Gov 100416)

A list of all funding provided to the following groups since April 1, 2011:

B.C. Lung Association

Canadian Council for Tobacco Control – no funding

Non-Smokers Rights Association– no funding

Physicians for a Smoke Free Canada– no funding

Response from Population and Public Health, Ministry of Health:

B.C. Lung Association

- Grant for period of April 1, 2011 – March 31, 2012 = \$2.1M

Provide QuitNow services (telephone/URL/text services)

- Transfer Under Agreement for November 1, 2011 – March 31, 2012 = \$308,294

Funding transfer from Health Canada to support the cessation counselling services (federal government has introduced packaging changes that provide cessation contact information on cigarette and cigarillo packaging; BC Lung provides the cessation services for BC)
