Subject: B5042 - a numbered company

Angie....are you back in the land of the living????

Got a favour for you....can you check the paperwork that was sent into you for the above mentioned new business? I believe there was a data entry error with inputting the address. The owner has two other companies (B4500 & B5048) and their addresses are correct. I can not imagine him making an error on one address....strange. So here goes.... the correct address should be 293 - 8148 128th st. It is listed in Figaro as 8147. I do not want to make him change his address and incur the \$20.00 if it was our fault.

Thanks Angie.

- a change in business ownership, management or controlling member(s) in legal business name and/or business address.

When completing this form, refer to the guide, "Getting and Keeping your Security Business Licence" found on the Security Industry and Licensing website where you will also find other forms you may need and more information.

PAYMENT: No fee is required if you only have to update information in Part 1 of this form. Updates provided in Part 2 of this form will alter the actual face of the security business licence, therefore, a new licence must be printed and mailed to each branch office.

Payment:

- Each branch office must have a licence posted, therefore, if updates alter the face of the current licence, a new licence will have to be printed and sent to each office, including the head office.
