Hi there

Pls see Don's question below.

I assume no issues getting him a pass to the global business forum - which he can exchange with one of our staff when he leaves - so he can get a sense of the proceedings.

Also since his Ministry is focused on film and creative industries, it is important that he get an opportunity to get a better sense of TOIFA. Jane, do we have passes for key Ministry officials?

Would appreciate if you could kindly revert back to me tomorrow. If you could also pls provide a couple of bullets each, re each event - e.g. proceedings (e.g. Global Business Forum has 3 panels..., etc.), key dates, locations/times.

Thanks
Shom

Hi Don

There are two events. Next week we have the Canada-India Global Business Forum with approximately 450 attendees - focused on business connections. In April, it is the film awards. I will get more info on both for you.

Shom
