Public Sector Accounting Standards

On August 3, 2010, Treasury Board issued Directive 1/11 "Implementation of Accounting Standards by Government Organizations" directing government organizations to consult with and receive direction from the Comptroller General (OCG) regarding the adoption of accounting policies and standards. The OCG has directed HAs and hospital societies to follow the Public Sector Accounting (PSA) standards beginning on April 1, 2012. HAs are expected to continue working with Ministry staff to ensure a smooth transition to PSA standards and to resolve any associated outstanding issues subsequent to implementation in 2012/13.

Thank you for your diligence in working to meet both service delivery and financial targets. I look forward to continuing to work with you over the coming year.
