As the Notice is invalid, the driving prohibition and its related vehicle impoundment have been cancelled.

I have sent an Order of Release to the impound lot where your vehicle is stored. The Superintendent of Motor Vehicles will pay towing and storage costs up to and including January 9, 2013. You are responsible for any storage costs beyond that date. You should know that if the vehicle is not claimed, the impound lot may apply to the Superintendent of Motor Vehicles to dispose of the vehicle.

Based on information received from the police the ASD was expired so this IRP is invalid and cancelled.

I spoke to the officer and he doesn't have a phone number for the driver/RO.

01/09/13 09:51:22 KM VICTORIA OSMVOSMV

Per Arnie since we don't have a phone number for the driver/RO a letter has gone to the address noted on the IRP to advise of cancelled IRP and release of vehicle. Order of release sent to impound lot - osmv will pay towing and storage to the end of Jan 9/13 and RO responsible for the rest.
