**Attachments:** Integrated Call for Records form.pdf; Request.pdf

Hello,

### New FOI Request Received

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). You'll note that the attached request has been redacted to remove information that would identify the applicant. This request was also sent to FIN and OOP

**Legislated Due Date: 06-MAR-2013**

What Do You Need to Do?

Please complete the attached Call for Records form.

- ❖ If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete **only** Sections 1 & 2 of the Call for Records Form as we may be in a position to issue a fee estimate. Then, return the form to the **IAO Business Team Mailbox** by January 31, 2013. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, IAO will contact you to continue the call for records process. IAO will advise you if the request is abandoned and closed.
- ❖ If no fees apply then proceed with the call for records process. If the request proceeds, please complete the attached Call for Records Form and return it to **the IAO Business Team Mailbox** by February 13, 2013.
- ❖ Send records via email in PDF format. If email is not possible, please send the records in electronic format (CD, memory stick) via house mail with a copy of this note.

### Reminder

You should be aware that FOIPPA obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that the ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

### Questions and Concerns

Please do not hesitate to contact IAO to discuss:

- whether the records may be routinely releasable;
- whether the information is being prepared for public release or is already publicly available;
- ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or
- any other questions or concerns relating to this request.

Thank you for your assistance.

Hi Kathryn – They are attached. To reduce email size, I have just attached a redlined copy – to create a clean copy, simply delete all of the comments under the comments list.

Had I known this request was still active, these records would have been sent in a while ago.

Thanks,

**Matthew Lebrun**

Sounds good Danine. If I need to send the records, they're all ready to go, severing suggestions included. I didn't know if the request was on hold, or if we were proceeding as normal.

Thanks!

Hi Danine,

I'm wondering the status on FOI Request JTI-2013-00015. Did I send in records for that? I'm sure I did, but I can't find the email I sent. If I did send this to you, do you have that email?

Please let me know. Thanks!

As below, TBS deems the first 12 pages (TB sub for IIFA) as not responsive. We included these as requested, unclear these were not responsive.

Hi,

The ADM at Treasury Board Staff reviewed these files with respect to section 12 considerations and has recommended that the first 12 pages be pulled completely, stating 'They are not responsive to the request and we believe they were submitted by accident'.

Please advise as to whether these records will be considered not responsive; I will get back to them once I hear from you so we can proceed with the s.12 consult. If that is the case, I will have those pages removed from the consult.

Regards,
