I am writing further to your request received by the Ministry of Health on November 21, 2011.
Your request is for:

On November 23, 2011, you clarified that you require the staff costs to indicate the number of employees who worked on the program.

Please find enclosed a copy of the records located in response to your request. These records have been provided to you in their entirety. The Ministry of Health has informed us that the FPs4BC program has been running for the last three years and that over the course of the program, there has always been one program administrator and one finance administrator both working on a part-time basis.
