**Subject:** Request for Greetings for the British Columbian Youth Parliament

Dear Honourable Members of the British Columbian Legislative Assembly,

I am writing to request a letter of greeting from you for the eighty-fifth British Columbian Youth Parliament.

The British Columbian Youth Parliament ("BCYP") brings together youth aged 16 - 21 together to debate and discuss topics important to their peers. These young adults are selected from around British Columbia, Canada to participate in this five day (December 27th - 31st) parliament held in the Legislative Assembly of British Columbia following the traditional Westminster parliamentary system. For eighty-five years, BCYP members have debated topics in the form of legislation that governs BCYP's activities for the rest of the year. These activities heavily emphasize service to the community, which we do regularly. BCYP also works hard to educate its members on the parliamentary and democratic traditions in which you are thoroughly involved.

As part of parliamentary tradition, it is customary for the Speaker of the House of BCYP to read written greetings from prominent members of the community. In your capacity as Members of the local Legislative Assembly, it is one of these letters that I request from you today.

Staff have indicated that it would be best to send the Soowahlie FN to the BC Treaty Commission, as this is actually their role.

Let us know if you need a contact number.

Hi Carolyn, further to our conversation, today Chief Brenda Wallace expressed interest in learning more about the treaty process. Could someone from your Ministry go out to Cultus Lake and speak to the Chief and Council, to describe the process?

Perhaps the BCTC does this as a matter of course, which would also be fine.

I would appreciate being kept abreast of what is happening through my CA, Gabrielle.

Many thanks  
Laurie
