**Subject:** LNG Buy BC videos - candidate companies

Hello Caroline,

As discussed, below is the list of target companies that have been selected for profiling in the LNG-Buy BC videos. For budget reasons, and possibly for other unforeseen reasons, we may not use all of these companies but this is the list we will initially work from. If we have to add other companies to the list due to attrition I will let you know right away.

Because of the tight schedule, I will begin contacting these companies right away to confirm their interest in participating. I will make it clear that we are still in the planning stage and may not be able to include every company contacted.

Thanks for your help.  
Jim
