Subject: Premier's Visit to Shanghai: SFU participation
Attachments: SFU_BlockSFUTag_P187.eps

Importance: High

Hi Annette and John,

Please accept my sincere apologies for not sending this email to you by your deadline of October 13th. I hope that I'm not too late.

SFU would like to participate and extend the invitation to the Premier's event in Shanghai to our alumni in that area.

Annette, in a separate email to follow I will send you the email addresses we have on record.

John: attached is our logo

Please let me know if you need anything else at this point, and sorry once again for the delay.

Best regards,

John

Subject: FII addition

Hi everyone

I just noticed that two additional FII attendees were not included on the recent email list.

The names are not available right now but they should be FII attendee #1 and FII attendee #2.

Colleen

Paul	Blom	Executive Director	British Columbia First Nations Energy and Mining Council
Grand Chief Ed	John	Political Executive	First Nations Summit
Alan	Potter	VP	FPInnovations, Forintek Division
Pierre	Lapointe	President	FPInnovations, Forintek Division
Kevin	Regan	Director, Corporate Relations	Forestry Innovation Investment
Fii #1			
FII #2			

S22

All lists provided by Alumni groups will be used for this event only, kept in confidence and not used for any future purposes i.e. destroyed

Regards,

John

Hi Kelly and Annette

Here is the BCGBC community delegation membership list of 104 people.

I have not forwarded this anywhere but JTI and will only do so when I have been informed that you have confirmed the invitees and made the necessary arrangements with the service provider.

Colleen

PS I noticed that William has made a typo in my phone number, it should be S22

Hello everyone – reminder that we need your lists of attendees (INCLUDING E-MAIL ADDRESSES) by COB tomorrow. However, if we could get them sooner that would make our lives much easier.

If we don't get lists, your delegates won't get invites to events and/or won't be on our lists at the event check in table – an embarrassing situation that I think we'd all rather avoid!

s13 Could you please send Kelly your lists for this asap as well? Event is next Thursday, so the event invite will likely need to go out Monday Oct. 24.

Please let us know asap if you have issues with getting us the information or any questions.

Subject: Premier Clark China Program - Port Metro Vancouver Participation

Hi Katherine:

Further to our call we are happy to work with Port Metro Vancouver to incorporate Robin Silvester into appropriate BC government meetings and activities during Premier Clark's visit to Shanghai and Beijing. Once we confirm a number of elements in both city stops we will advise you of transportation/port opportunities that Robin may wish to participate in.

To that effect I have copied in my colleague Kevin Regan with Forestry, Innovation and Investment who is the lead for the Forestry Delegation.

Also copied are my logistics colleagues Kelly Gossen and Annette Jordan who will provide you with hotel information for both Shanghai and Beijing.

If you have any other questions please don't hesitate to contact me.

Best,
Henry

Subject: RE: Delegates Invitation List

Hello everyone – reminder that we need your lists of attendees (INCLUDING E-MAIL ADDRESSES) by COB tomorrow. However, if we could get them sooner that would make our lives much easier.

If we don't get lists, your delegates won't get invites to events and/or won't be on our lists at the event check in table – an embarrassing situation that I think we'd all rather avoid!

s13

s13 Could you please send Kelly your lists for this asap as well? Event is next Thursday, so the event invite will likely need to go out Monday Oct. 24.

Please let us know asap if you have issues with getting us the information or any questions.

Good morning, Kelly.

Please find attached our invitation list for the Forestry delegation. You'll notice that we did not put them in any particular order for the invitations, as we did not want to select any delegates as preferred invitees over others.

Please let me know if you need anything else.

Subject: UNBC names for Guangzhou luncheon

Hi Kelly et al

Below are the names of six people from Prince George who will be in Guangzhou and attending the luncheon. They will be meeting with the Vice Mayor of Jiangmen, who we have asked Cathy to contact, to further the twinning discussions and talk about education exchange opportunities.

Two of these individual also appear on the Advance Education delegation list for the lunch so this is four NEW names. Because of the importance of their discussion we will arrange that they can sit together. Please advise when these names have been approved to we can confirm their attendance.

Colleen

Those participating from Prince George on November 6 are:

- Mr. Tim McEwan – Initiatives Prince George
- Ms. Heather Oland – Initiatives Prince George
- Mr. John Gibson – Prince George Airport
- Mr. Allan Ridgway – Prince George Airport
- Dr. George Iwama – UNBC
- Ms. Carolyn Russell – UNBC

Please call or email me at your earliest convenience regarding the date, time, and location of this event so that I can ensure it is included correctly in our itineraries.

Thank you,

Melissa

Attachments: OUC Revised Personal Information Protection Agreement June 2009.docx

Sorry about the confusion about the call date and time for today. Greg, Annette and I spoke briefly so here is a quick recap:

1. Event Logistics - Great job John for getting the venue confirmed and the Canadian Chamber involved they will do a great job.

2. Lists – I have been in contact with the BC Universities and so far:

- Participation confirmed
 - SFU
 - Kwantlen
 - TRU
 - UNBC
- Outstanding
 - Cap U
 - Royal R
 - UVIC

I will get the logos and lists to John and Annette for coordination. Please let me know your deadline.

s13, s17

3. John Hepburn's role – His office have asked if he will be the MC. Greg committed to looking into this and advising in a week or two.

Cheers...B

Thanks John, this looks great you have things well under control. I have us down for a quick call today Vancouver time Thurs Oct 6th at 5pm sorry if I screwed up the notes. Tomorrow night could work to if that is better.

Great news on the venue, event management and rsvp's. I have been in contact with the alumni groups and got a positive response.

Greg do you have the example of an email invite we can work from? Also do you have a confidentiality agreement around one time use of lists? If not we have one we can adapt.

Cheers...B

Sent from my iPhone, please excuse big thumb typos!

On Oct 6, 2011, at 3:19 AM, "John McDonald" <jmcdonald@britishcolumbia.ca> wrote:

Barney,

Thanks for the call and pulling together the notes ; I noticed we are on for another conf. call for Nov. 7 your time and wanted to give you some updates on developments our side.

Venue: We have confirmed use of a function space in the Peace Hotel which makes things convenient for delegates and invitees

Event Mgmt/planning: we are engaging the local Canadian Chamber of Commerce in Shanghai who have assisted in the past in event planning and execution of two similar BC alumni events - they will be responsible for manning (personing?) the event and event set-up.

Invitations: for management of e-invites and RSVP we are looking to use Cancham as the focal point as they will have a dedicated system and staff here that can follow-up with all contacts - alumni and local invites. In addition as the service provide managing the reception desks they will be in a good position to manage people flow.

As such we appreciate the assistance and support of UBC and hope that you may be able to assist us in the delivery of this event by:

- Providing coordination of other University Alumni Groups - including lists from other universities - appreciate if you can feed into Annette and myself
- Provide appropriate list of local UBC alumni that we may invite - up to 100 - we always anticipate attrition on invites
- Provide list of incoming UBC delegates who will be in Shanghai Nov. 7 - someone had mentioned VP Hepburn from UBC would be attending as well I'm assuming Mei Mei Yiu will be here as well - need to get them on the list as well

Dear Cathy

The letter below has gone out to several organizations in BC as I am assembling the names of the luncheon attendees. It would be helpful if you could provide the names of the people from your office

the Canadian Consulate for Canada and the representatives from the Guangzhou Children's Hospital who will attend.

Thanks

Colleen

Text of letter that was sent:

"The BC Guangdong Business Council, in partnership with the Ministry of Jobs, Tourism and Innovation, is coordinating a luncheon in honour of Premier Clark's visit to Guangzhou.

The luncheon will be held at the Westin Hotel in Guangzhou on Sunday, November 6th at noon. This will be the first formal event on Premier Clark's first mission to China and India and we hope to make it a memorable one. Guests should be seated by 11:50.

As seating at this event is somewhat limited it is important that we know the names (English and Chinese please) of any of the people within your group who plan to attend this lunch.

There is no ticket price for the luncheon but only those who have pre-registered can be accommodated. Allocation of seats at the lunch will be on a first-come-first-served bases so it is important to get your delegation members register as soon as possible. Late-comers can only be accommodated if space permits.

Please forward the list of attendees as quickly as possible.

If you have any questions you can contact me at S22

Thank you

Colleen"

Subject: RE: Guangzhou Hospital Response Event

Thanks for your message. Please note the following:

- 1- There will be no tour of the hospital b/c that would take too long and the Premier has only very limited time
- 2- The Lunch is the community luncheon organised by the BC gov.
3. Attending the Lunch will be:

John Hepburn
Terry Kellam

If you have any other questions, let me know

Leonel

Hi Leonel,

In the rundown of the event I noticed you will be doing a tour of the hospital followed by **Lunch**. Does this Lunch mean the **Community Luncheon** organized by BC Government and BC Guangdong Business council? Or are you arranging another lunch? I think all your delegation members are supposed to be invited to the Community Luncheon. If you are attending the luncheon could you please send us the list of the attendees as early as possible so we could arrange the invitation?

Thanks,

Jason (Jianye) Si

Subject: Guangzhou Hospital Response Event
Importance: High

Here is the rundown of the event in Guangzhou:

DATE: NOVEMBER 6TH

10:30 Premier arrives to the Hospital, where she is greeted by Dr. Xia, the Medical Centre's President. John Hepburn and Dr. Charles Larson will already be there and will greet the Premier, too.

10:40 Dr Xia will introduce to the Premier and Dr. Hepburn his hospital staff who have trained over the years in British Columbia. Perhaps a few could tell the Premier how this training has influenced their careers. (Dr. Xia trained here in pediatric surgery about 20 years ago)

11:00 Dr. Mai (Chair, Dept of Pediatrics, who also trained at BCCH in the 90s) could then introduce the neurosciences project and particularly emphasize the work being done with families (a favorite

topic of the Premier's). If one or two children with cerebral palsy and their mothers could be introduced and talk about the care they receive, that might work well.

Not Responsive

11:20 Pictures are taken and Premier Clark departs

11:30 John Hepburn and Charles Larson will do a tour of the Hospital followed by Lunch.

HH: we may tweak a bit, but not much, later on by providing more detail (addresses, names, etc)

Subject: Incoming delegates and alumni lists : Shanghai BC Alumni Ambassadors reception -

Annette,

Appreciate if you can send out what lists you may have for SH BC Alumni Ambassador Reception invites by COB on the 13th.

Particularly lists of

- Official Delegation - PCC and MPB - for purposes of the alumni reception we will assume they are invited
- Un-Official Delegation - lists of confirmed industry, education, community delegates that will be coming to Shanghai that you are aware of . Also names and contacts of un-official delegation co-ordinators.
- Alumni lists - any BC Alumni lists that have been passed to you by Barney or have come direct from other sources.

Name, Title, Org, and EMAIL required as these will be e-vite invitation.

Thanks,

John

On 12/10/2011 5:12 AM, Ellis-Perry, Barney wrote:

Thanks John,

I will send a note to the universities today to get the lists and logo's to you and Annette by the 13th.

For the non-disclosure it will need to be between Cancham and institutions. I think the one we sent you is too complex so hopefully they have simpler one or can dumb down that one.

Cheers..B

Subject: Re: Shanghai BC Alumni Ambassadors reception - Oct. 6 update

Barney,

Thanks and regrets on not being able to make the call:

As per your comments below:

Deadline for lists - October 13

Invites - we have a template that Beijing developed that we can circulate with the updated details and the RSVP contact from Cancham - this will be for reference and will ask Cancham to send out the initial tranche of invites based on invite lists we obtain from schools and develop in house.

Cancham also run the Shanghai Canadian Alumni Society and will be asking them to draw from their list of BC Alumni as a secondary source of invites

I will pass on the non-disclosure agreement and have Cancham sign off.

Regards,

John

On 07/10/11 9:14 AM, Ellis-Perry, Barney wrote:

Sorry about the confusion about the call date and time for today. Greg, Annette and I spoke briefly so here is a quick recap:

1. Event Logistics - Great job John for getting the venue confirmed and the Canadian Chamber involved they will do a great job.

2. Lists – I have been in contact with the BC Universities and so far:

- Participation confirmed
 - SFU
 - Kwantlen

- TRU
- UNBC
- Outstanding
 - Cap U
 - Royal R
 - UVIC

I will get the logos and lists to John and Annette for coordination. Please let me know your deadline.

s13, s17

3. John Hepburn's role – His office have asked if he will be the MC. Greg committed to looking into this and advising in a week or two.

Cheers...B

Thanks John, this looks great you have things well under control. I have us down for a quick call today Vancouver time Thurs Oct 6th at 5pm sorry if I screwed up the notes. Tomorrow night could work to if that is better.

Great news on the venue, event management and rsvp's. I have been in contact with the alumni groups and got a positive response.

Greg do you have the example of an email invite we can work from? Also do you have a confidentiality agreement around one time use of lists? If not we have one we can adapt.

Cheers...B

Sent from my iPhone, please excuse big thumb typos!

On Oct 6, 2011, at 3:19 AM, "John McDonald" <jmcdonald@britishcolumbia.ca> wrote:

Barney,

Thanks for the call and pulling together the notes ; I noticed we are on for another conf. call for Nov. 7 your time and wanted to give you some updates on developments our side.

Venue: We have confirmed use of a function space in the Peace Hotel which makes things convenient for delegates and invitees

Event Mgmt/planning: we are engaging the local Canadian Chamber of Commerce in Shanghai who have assisted in the past in event planning and execution of two similar BC alumni events - they will be responsible for manning (personing?) the event and event set-up.

Invitations: for management of e-invites and RSVP we are looking to use Cancham as the focal point as they will have a dedicated system and staff here that can follow-up with all contacts - alumni and local invites. In addition as the service provide managing the reception desks they will be in a good position to manage people flow.

As such we appreciate the assistance and support of UBC and hope that you may be able to assist us in the delivery of this event by:

- Providing coordination of other University Alumni Groups - including lists from other universities - appreciate if you can feed into Annette and myself
- Provide appropriate list of local UBC alumni that we may invite - up to 100 - we always anticipate attrition on invites
- Provide list of incoming UBC delegates who will be in Shanghai Nov. 7 - someone had mentioned VP Hepburn from UBC would be attending as well I'm assuming Mei Mei Yiu will be here as well - need to get them on the list as well

All lists provided by Alumni groups will be used for this event only, kept in confidence and not used for any future purposes i.e. destroyed

Regards,

John

Subject: Invitation to the Roundtable on MINING OPPORTUNITIES IN BRITISH COLUMBIA - THE
 NATURAL RESOURCES PARADISE - Nov 11, 2011 - New Delhi
Attachments: invitation.pdf

Dear Sir,

Please find attached an invitation to attend the above event. This Roundtable is being held at a crucial moment when the Indian mineral industry is looking out at other jurisdictions in the world to source raw materials. The province of British Columbia in Canada offers a wide array of proven reserves of natural resources and is open to offers from overseas companies to invest and share the minerals available in this province.

The Roundtable will provide you with an insight and information on what is available. The Premier of British Columbia, Honorable Christy Clark will be present at the occasion. The Honorable Indian Union Minister of State for Mines, Mr Dinsha Patel has also been invited to attend.

Please send in your confirmations at the earliest. We do have a constraint of space in the venue.

Invitation card is being despatched through courier.

We look forward to your participation.

Regards .

Amardeep

It was a pleasure meeting you last night at the Trade Mission Pre-departure Briefing.
 I am attempting to amend my schedule in order to attend the India Mining Mission Seminar.
 Further to our discussions, I will send two emails to you which will summarize Getty's geological and background data for your reference and for you to forward to any senior or mid- tier mining companies in India which may be interested in joint venturing, acquisition, or merging with Getty Copper Inc.
 Should you require anything further, please let know.
 Thank you for all your assistance.

John Lepinski
 Managing Director
 Getty Copper Inc.

 Hi Amardeep,

A couple notes to discuss as well.....

- Who will be in attendance at the Signing Ceremony?

- Where will it take place?
- Will Minister de Jong be in attendance?
- What do we need to do for the event? Media, etc?

Your assistance and guidance on this would be much appreciated. Talk to you soon.

Amardeep,

Thanks for this, the Delhi event sounds quite interesting. I'll be traveling with Fortune Minerals to the Beijing and Hong Kong events hosted by the government so unfortunately we can't attend this one, but please keep us in mind for similar events in the future. We're interested in visiting Delhi and/or Mumbai at some point to meet potential investors.

Best regards,
 Doug

Subject: Premier Trip to India and China: Mining Seminars
Importance: High

Dear all:

As some of you may know, the Premier is travelling to China and India from November 6 to November 17.

For your interest, I am providing information on two Mining programs in China (attached) and India. If you are interested in exploring opportunities in these markets and travelling for the Mining events please let me know (for India) and contact Janet Cho for China.

India Program:

Friday, November 11 - Delhi

Mining Investment Seminar

AGENDA

12:00PM Registrations and Lunch

1:00PM Introduction by Delhi High Commission (Possible Speeches from BC Premier and Indian Ministry of Mines, Secretary Kumar)

Followed by Important Announcements

1:30 PM BC Mining Scenario – BC Government (Minerals Available, Government System, Mineral Tenure System)

2:00PM Mining Opportunities in British Columbia – Law Firm/Analyst Firm (the focus of this presentation is to apprise the audience of various Mines opportunities available in BC)

BREAK

2:45PM Funding/Structuring of Deals – Analyst Firm/Law Firm

3:15PM Indian Technomac Company Limited – Experience in BC/Canada Deals
 3:34PM Cache Exploration – BC Perspective on India
 4:00PM Discussion and Q&A on Mining Opportunities
 4:30PM Discussion on Joint Working Opportunities
 5:00PM Networking and Close

Note: Companies traveling to the markets may be invited to relevant programs in other cities including Mumbai and Bangalore. If you wish to schedule additional meetings with Indian parties, these could be arranged.

The Delhi event will be attended by relevant 40-50 executives from the state-level organizations and private companies as we would like the seminar to be very focussed and attended by relevant and serious parties in India. The state level players would be Coal India Limited, Rashtriya Ispaat Nigam, NMDC, etc. and the bigger private players will be TATA, ESSAR, ADANI, etc.

 Subject: Re: Premier's November mission to Asia

Hello Amardeep. It is great to hear from you and pleased that Premier Clark will be traveling to China and India. Sounds like an exciting trip with great opportunities for BC and Canada.

As to Life Sciences and Pharmacy/Pharmaceutical Sciences, some concepts that may be valuable in your thoughts going forward:

- 1) Please note the following and compare to the paper attached (even though it is dated by 3 years): investment in Taiwan's biotech sector hit a record high last year, reflecting a booming market, Ernst & Young said in a report on global biotech development released in 2011. In the report, the multinational accounting firm said investment in Taiwan's biotech sector last year rose 14.6 percent from a year earlier to NT\$30.1 billion (US\$1.04 billion) and further growth in the sector could be expected. (attached paper about China)
- 2) In 2009-2010, I was asked by the President of Shanghai Jiao Tong University to help them identify Dean candidates to improve their pharmacy program (established 2001; ranked 7th out of 200 pharmacy programs in China) and to further develop it into a world-class pharmacy training and research hub. I committed to President ZHANG Jie that when they had finished recruiting and had a chance to get their feet on the ground, I would be pleased to work with them to explore possible collaborations between SJTU and UBC.
- 3) I am a member of the Board of the Asian Conference on Clinical Pharmacy, an organization that fosters the development of clinical pharmacy leadership and advocacy in Asia and that enhances the value of clinical pharmacy services in the health care systems in Asia. As such, I work with and consider as close colleagues the leadership of Chinese pharmacy. I have visited on a number of occasions and have been invited several times as a keynote speaker at Chinese Pharmacy meetings. They use my textbook on pharmaceutical biotechnology (which has legally been translated into Chinese) in many of their pharmacy schools. I can provide an introduction should that be useful to the Premier.
- 4) As you know, I travelled with Premier Campbell to India on one of his trips and we visited various important biotech corporations. FYI, I leave for Hyderabad India this Sunday. I was on a committee that crafted a two-day meeting of the pharmacy deans from around the world at the upcoming FIP meeting. I expect that the deans/directors from most of the quality pharmacy programs in India will be in attendance. I will make a special effort to get to know them should an introduction be of value here also.

5) We have some interactions with the Chinese University of Hong Kong and Hong Kong University where the two pharmacy programs are in Hong Kong.

5) In addition, Dr. Kishor Wasan will provide you with a description of UBC's Neglected Global Disease Initiative (NGDI) that will be important to both China and India. It is currently facilitated through our Faculty and we are the greatest on-campus financial supporters of the initiative.

Hope this helps. Great to hear from you again Amardeep. Looking forward to talking with you again soon. Please do not hesitate to contact me should I or our Faculty be of any assistance as the Premier prepares and/or travels.

Best wishes,

Bob

Dear Henry, Jason and Annette and Team,

Thank you so much for all of the work that you put into making Barkerville's participation in the Premier's trip to China a reality. The Barkerville Heritage Trust Board, and the staff here at Barkerville, have been very surprized and pleased and the amount of positive publicity, even here in the north, that has been generated by the mini-display and the signing. It was very inspiring!

It has also been very instructive for us to experience, on a small scale, many of the logistics that we will deal with when sending the larger exhibit. We can certainly appreciate all the work that your office does, attending to the many minute details that make an endeavour like this successful. Without your help and guidance it certainly would not have been possible!

Thank you, again!

Judy

Hi,
 I've listed the people that I think need thank-you letters in Punjab, there's only three since she didn't do many meetings there. Let me know if you have any questions.

Thanks,
 Amrinder

Can you please put together a list of people met on the mission that should get thank you letters from the Premier complete with full name, address and any personalized or follow up phrases that should be woven in to the text.

Please do this for your own city stops and see if you can get it done tomorrow, if possible, or Thursday at the latest.

Thanks,

Michael

Subject: Thank you letters

Importance: High

JTI correspondence unit just called and want a list of all people the Premier met with. Dignitary names are not on any of the itineraries I have...

I thought we were writing letters? If not, this is a perfect out if we can provide Correspondence the names of whom PCC met and give input on the letters.

How quickly can you guys come up with names, addresses, and a sentence of substance (maybe use the follow-up report?)?

Thank you Letters- Punjab

Mr. Scot Slessor
 Consul-General
 Consulate General of Canada in Chandigarh
 SCO# 54-55-56
 Sector 17-A
 Chandigarh, India

- Consul-General Scot Slessor accompanied the Premier throughout her visit to Punjab, participating in all meetings and tours.
- He played an integral part in the organization of the Punjab Program, arranging meetings and providing guidance.
- Thank him s22 for hosting the Chandigarh reception at their residence

Shri Bhupinder Singh Hooda
 Chief Minister of Haryana
 Room No. 45, 4th Floor,
 Haryana Civil Secretariat, Sector 1
 Chandigarh, India

- Invite the Chief Minister to visit Vancouver and possibly participate in the Canada-India Agricultural Forum in September 2012. The Premier already extended an invitation to this forum in their meeting.

Ms. Rajwant Kaur Sandhu
 Chief Secretary Himachal Pradesh
 Himachal Pradesh Secretariat, Shimla – 171002
 Himachal Pradesh, India

- Invite her to visit Vancouver and possibly participate in the Canada-India Agricultural Forum in September 2012. The Premier already extended an invitation to this forum in their meeting.
- Commit to building the relationship between Himachal Pradesh and British Columbia by moving towards signing a Memorandum of Understanding. A Letter of Intent was signed between Himachal Pradesh and British Columbia during the Premier's Trip.

Subject: Trade Mission Information

Hello,

Thank you for your interest in attending Premier Christy Clark's trade mission to Asia. Attached and below you will find important information regarding public events, hotels and visa applications.

Please reply back and provide your full name and indicate which event you would like to attend. Please RSVP for event by Wednesday October 19th, 2011.

Please note that all participants must arrange their own travel and accommodations along with obtaining your own travel visas. The attached public events sheet will give you times and city locations. Participants travel at their own risk and should be covered by adequate insurance. While participating in the Mission, all participants will conduct themselves in a professional manner and adhere to the laws, ethics and business practices of Canada and all respect the laws and customs of the countries visited. Participants recognize that the Government may cancel a mission, or a portion thereof, or the participation of any company at any time.

Participants agree to save the Government harmless from liability for any illness, injury, damage or loss of property connected with participation in the Mission or in the event of any cancellations.

Visa Instructions ? China and India

China: (See attached application form)

The following documents should be submitted when applying for Chinese visas:

- ? Passport valid at least for 6 months, with at least 2 blank pages, and in good condition;
- ? Completed visa application form (attached)
- ? A recent 2? X 2? passport-size / style photo.

India:

The Government of India has introduced a new on-line visa application system. All visa applicants are required to go to the link <http://indianvisaonline.gov.in/visa/> and fill in the on-line visa form. After completing the visa application, please print the form out.

- ? Attach a 2? X 2? passport-style photo.

Regards,
 Barinder.

Dear Amardeep,

As per your email yesterday, please find the "final" list of attendees, including both our delegates and their guests:

Education Lunch, Delhi (Nov 11)

Total = 45

(28 education delegates, 17 accompanied guests)

BC Reception, Delhi (Nov 11)

Total = 48

(30 education delegates, 18 accompanied guests)

Premier's Lunch, Bangalore (Nov 15)

Total = 31

(25 education delegates, 6 accompanied guests)

BC Reception, Chandigarh (Nov 16)**Total = 32**

(19 education delegates, 13 accompanied guests)

I will continue to update you as any changes come up. Do you know when invitations will be sent out for the Delhi Lunch and Bangalore lunch?

Thanks,
Robin

Hello Harpreet,

You will receive an invitation via e-mail regarding the Nov 11th reception.

We are not able to accommodate any meetings at this point because the Premier's program in India is full.

Regards,
 Barinder

Daljit just needs to print out the one invite 5 times since we were only provided one email for him and his guests. Please let them know.

Also, people will only be admitted if they have a printed invite with them.

Have heard from the High Commission in Canada the following:

5) The Indian Minister's offices will allow the Premier, High Commissioner + 3 Canadian officials to attend the meetings. Pls advise on who these will be from the delegation. It is likely that most of these meetings for Delhi will take place on the 17th Nov.

Thanks.

Subject: Event RSVP List for Education Delegates

Hi Amrinder,

I have a question regarding RSVPs.

Since you are compiling the invitee list and asked me to provide you with the guests' names, I want to touch base with you regarding the following:

As you can see on our RSVP list (attached on a Word document), most institutions are holding the seats for their invitees. That is what Kelly and us agreed on back then when we initially asked people for their RSVPs.

My understanding is that you guys will send these institutions the invitation so then they can forward it to the people they want to invite themselves. Therefore, BCCIE will never actually know the names of the guests but only the number of guests each institution is inviting.

Will guests have to simply print the invitation and show it upon arrival at the events to be let in? Or will people receiving an official invitation have to reply back to you to reconfirm (so you can actually add them to the guest list?)

Thanks for clarifying this to us.

Gustavo

Subject: Invitation to the Roundtable on MINING OPPORTUNITIES IN BRITISH COLUMBIA - THE
 NATURAL RESOURCES PARADISE - Nov 11, 2011 - New Delhi
Attachments: invitation.pdf

Dear Sir,

Please find attached an invitation to attend the above event. This Roundtable is being held at a crucial moment when the Indian mineral industry is looking out at other jurisdictions in the world to source raw materials. The province of British Columbia in Canada offers a wide array of proven reserves of natural resources and is open to offers from overseas companies to invest and share the minerals available in this province.

The Roundtable will provide you with an insight and information on what is available. The Premier of British Columbia, Honorable Christy Clark will be present at the occasion. The Honorable Indian Union Minister of State for Mines, Mr Dinsha Patel has also been invited to attend.

Please send in your confirmations at the earliest. We do have a constraint of space in the venue.

Invitation card is being despatched through courier.

We look forward to your participation.

Regards .

To: XT:Raju, Pratap JTI:IN
Subject: Invitation: An Evening with Premier Christy Clark, Saturday, 12th November 2011, 7:30pm

Dear Pratap,

Gateway House: Indian Council on Global Relations

In collaboration with the Government of British Columbia

& the Asia Pacific Foundation of Canada

Cordially invites you to an evening with

The Honourable Christy Clark

Premier of British Columbia

On Saturday, 12th November 2011 at 7:30 p.m.

At the Pavillion Room, Four Seasons Hotel, Worli, Mumbai 400 018

The evening will begin with a wine reception, followed by dinner.

This invitation is non-transferable. Please RSVP to confirm your participation.

Due to the high profile nature of this event, entry will be restricted to persons on the confirmed guest list.

Honourable Christy Clark

Christy Clark was sworn in as British Columbia's 35th Premier on March 14, 2011 and was elected Vancouver-Point Grey MLA in a by-election on May 12, 2011. She previously served as the MLA for Port Moody-Burnaby Mountain (1996-2001) and Port Moody-Westwood (2001-2005). She has served as Deputy Premier, Minister of Education, Minister of Children and Family Development and vice-chair of Treasury Board. During her first term, she sat on the Select Standing Committee on Environment and Tourism and on the Official Opposition Caucus Committee for Children. She has received several awards, including the YWCA Woman of Distinction Award and the 2009 Woman of the Year in BC by the Consumer Choice Awards. She attended Simon Fraser University (SFU), the Sorbonne (France) and the University of Edinburgh (Scotland, UK), studying Political Science and Religious Studies.

Hi Edwina,

Thanks for your email. Sorry for the delayed response – we were closed for Diwali on Wednesday & Thursday.

The list you've sent me doesn't have any names highlighted, and there aren't any local postal addresses on the sheet. Also, I'm missing contact details for:

1. Karim Kassam, Director, Business Development, Ballard Power Systems
2. John Korenic, Director, Aviation Marketing, YVRAA

I've made changes to the invite, see attached.

I've also attached a consolidated list of invitees / attendees – not including GH staff.

About the press interviews, I'll put together a media invite and have press persons register online prior to the event. Only registered persons will be permitted to interview Premier Clark, I will send you the list shortly. For the media invite, could you send me some information about Premier Clark's visit? I think the topic for interview would be mainly on the purpose of her visit, business and trade relations between India and British Columbia. What would you suggest?

Best wishes,
 Divya

Subject: RE: Invite

Hi Divya:

Can you please provide more information on the media interview to be conducted. Additional information will be appreciated.

- 1- Time of interview (Since the event time has been moved back by 30 minutes)
- 2- Who will conduct the interview?
- 3- Name(s) of media
- 4- Topic of the interview

Invitations:

- 1- Attached is a revised guest list. I will send you additional names as soon as I receive them.
- 2- Suggest that the invitation be sent electronically to the Canadians (highlighted in yellow) to ensure that they will be receiving the invitation wherever they are.
- 3- Please send the hard copy invitations to the local stakeholders.
- 4- All RSVP's will be sent to you (NOTE: There is no RSVP email in the invitation).
- 5- Also suggest that the phrase "and admits 2 persons" be removed from the invitation. For the local stakeholders, the invite can be addressed to Mr. And Mrs. (that means 2 guests). But for the Canadian guests, we do not want them to bring an additional guests.
- 6- Dress Code: Formal – what do you mean by this? Do men wear tuxedos and women wear formal gowns? Can we rephrase it to business attire?

Thank you for your kind attention and looking forward to working with you.

Regards,

Edwina

Hi Edwina,

Thanks for sending all those files.

About the guest list, would you require invites to be sent to all the names on the list? Also, since we're doing printed invites, do you also have a list of postal addresses?

Yes, the gold is hard to read on screen, but it will be different once printed.

Thanks again & best wishes,
 Divya

Hi Divya:

Attached are the following:

- 1- High resolution picture of Premier Clark
- 2- BC logo (various formats)
- 3- BC invite list

Comment received regarding the invitation is that the gold font colour used makes it a bit difficult to read on a computer screen. It might be different in the real invitation.

Michael / Nicolas / Pau,

I've attached a draft invitation card for the event with Premier Clark.

I've picked logos from BC and APF websites for now but will still need high res images, also one of Premier Clark.

As I said, this is just a draft and I'd appreciate your feedback on the wording, design and anything else. Based on the call this morning, I was given to understand that Gateway House would be the main hosts, in collaboration with BC and Asia Pacific. We're happy to change that if this is not the case. I've mentioned Prashant Ruia just an example –we're still finalizing who would be on the panel with Premier Clark.

The blue and gold is based on BC branding.

Looking forward to hearing from you.

Have a great weekend.

Best wishes,
 Divya

Honourable Christy Clark

Christy Clark was sworn in as British Columbia's 35th Premier on March 14, 2011 and was elected Vancouver-Point Grey M.L.A. in a by-election on May 12, 2011. She previously served as the M.L.A. for Port Moody-Burnaby Mountain (1996-2001) and Port Moody-Westwood (2001-2005). She has served as Deputy Premier, Minister of Education, Minister of Children and Family Development and vice-chair of Treasury Board. During her first term, she sat on the Select Standing Committee on Environment and Tourism and on the Official Opposition Caucus Committee for Children. She has received several awards, including the YWCA Woman of Distinction Award and the 2009 Woman of the Year in B.C. by the Consumer Choice Awards. She attended Simon Fraser University (SFU), the Sorbonne (France) and the University of Edinburgh (Scotland, UK), studying Political Science and Religious Studies.

Please note:

This invitation is non-transferable.

Please RSVP to kottadiel.divya@gatewayhouse.in before Friday, 4th November 2011 to confirm your participation and bring this card with you to the event. Due to the high profile nature of this event, entry will be restricted to persons on the confirmed guest list.

Dear Divya:

Many around. The wording seems fine to me, but I will defer to my BC and Canadian government colleagues.

By copy of this message, I will ask our communications manager Trang to send you a high res version of our logo. She will also assist on any other communications-related matters, as needed.

We'll send you our list of suggested invitees very shortly. < class=MsoNormal>

We're delighted to be working with Gateway House on this event and I look forward to meeting you in a few weeks.

Pau

Dear Edwina,

Thank you for the confirmation and the invite. Would like to share, that it would be Mr. Aditya Handa (and not Mr. Sushil Handa), MD & CEO, Abellon CleanEnergy Limited shall be participating in these meetings. Would appreciate if you can please incorporate the correction. Thanks.

With Warm Regards,
Vivek Rastogi

Dear Edwina,

Please can you let us know confirmed timings for the Premier's attendance tomorrow as soon as possible.

Many thanks,

Noreen

On 11 Nov 2011, at 21:35, Noreen Khan wrote:

Dear Edwina,

No worries, we all know what it is like when we are out on such visits with a delegation of this nature! My apologies too for a delayed response but was actually on my flight to India. I can now be reached on my local number for any immediate contact on - S22

With reference to your email below and timings unfortunately the timing for the event will have to be for the Premier to be at the event at the latest for 630pm as we have confirmed attendance from several esteemed guests from the industry as well as Ministerial attendance, as you will see from the attached event show flow.

Both the following Ministers are confirmed for attendance:

- Shri Subodh Kant Sahay - Minister of Tourism, Government of India
- Shri Chhagan Bhujbal - Minister for PWD & Tourism, Maharashtra

I am also attaching a document that provides a profile on the industry guests that are already confirmed to attend the event as well and will update this periodically tomorrow with any new additions. Profiles for the ministers will be sent tomorrow.

So as you will see the event timings are really crucial if the 'meet & greet' and interaction between the Premier is to happen with the right guests. We hope you'll understand and can kindly confirm that the timings can be accommodated as soon as possible.

Kind Regards,

Noreen

Thank you Noreen.

This will more or less be an exclusive IIFA Vancouver 2013 show. Great

Kind regards.

Vivek

On Thu, Nov 10, 2011 at 4:34 AM, <noreen.khan@iifa.com> wrote:

Dear All,

I am emailing you to let you know that unfortunately due to some unforeseen circumstances that have occurred we are cancelling the launch of our Be-One initiative on Sunday 13th November.

However, we are continuing at the same location (Taj Lands End) with the plans for our meet and greet with Premier Clark and film industry members from 6pm - 730pm.

The event will be started by one of the IIFA directors addressing the event and guests to introduce everyone. We would then like the Premier to speak. This would then be followed by the photo opportunity, some networking and we have already initiated a lot of interest amongst the directors and producers and possible shooting in Vancouver. So there may be a few questions from those present in relation to this and what the opportunities, terms and benefits are for overseas films in your region.

I am just in the process of getting together the names and profiles of industry guests that will be in attendance to send through to you as well.

As always please feel free to get in touch if you have any further questions.

Kind Regards,

Noreen

Dear JTI Colleagues,

S22

On behalf of Randall and the rest of my colleagues, I'd like to express our sincere appreciation for you and your teams' kind support in China. It was through your detailed preparation, generous support, and proactive on-the-ground work, we and our delegates were able to strengthen our engagements in China and build lasting memory about this wonderful journey. It was a pity that we left each city in a hurry without a proper goodbye. Now the mission is over we hope that you are able to get some rest and we look forward to seeing you again soon in China or in Vancouver. For those of our education delegates who missed the China portion of the mission I will send emails to connect them with your respective offices over the next a couple of weeks. Again, if there is anything we can do for you from our end please don't hesitate to let us know.

Subject: RE: Premier's Mission to India and China

Hello Nikki,

Nov 10 is a pretty full day as the whole mission delegation is scheduled to Beijing on that day. I believe that Minister Bell also needs to leave in the afternoon of the 10th. We just discussed your case with the Asian Pacific team of Ministry of JTI --- it is possible that Minister Bell can attend your event from 2:45pm to 3pm on the 10th.

Not Responsive

Here I cc Ms. Janet Cho and Mr. Greg Eidsness from JTI, who are looking after the China activities of the mission. Please feel free to connect with them directly to coordinate. Thanks!

Best Regards,

Clare Chen 陈瑾瑜

Not Responsive

We had been told that Minister Bell would attend. Can you advise if this has changed? If so, we need to indicate to our Chinese partners.

I look forward to hearing from you at your earliest,

Nikki

Sent: Thursday, October 13, 2011 4:28 PM
Subject: Event RSVP's and Invitations for Premier's Mission
Attachments: Event RSVP form_Oct13.xlsx

Dear Colleagues,

As mentioned in yesterday's email message, there are various events for which indications of attendance are required. RSVPs for some of these are needed as entrance to the event will require invitations that will be sent electronically directly from the Premier's office. As such we need an accurate list of people from your institution who plan to attend each event.

On the attached Events RSVP form, kindly complete the section for your institution and return the form to Robin Garcha, rgarcha@bccie.bc.ca no later than **Tuesday, October 18th, 2011**. Please specify which participants will be attending each event.

Given the size of the various delegations and room capacity at many events, particularly BC receptions and lunch meetings hosted by the Premier, at this point in time, RSVPs are only for BC delegates participating in the Mission.

In the coming week we will have a better sense of the capacity allocated to the Education Delegation at each event and you will receive a personal email requesting the names and email addresses of any guests or partners you are able to have invited.

Thank you for your patience and cooperation.

Sincerely,

Randall Martin, PhD

☒ OTHER: RECYCLING & COMPOSTING

A SHORT PROFILE OF YOUR COMPANY INCLUDING PRODUCT, SERVICE OR INVESTMENT OBJECTIVE:

Cascade Renewable Carbon Corp. is an environmental leader in Bio-Organic diversion and processing, turning organic waste into highest grade soil enhancement products. We offer complete turn key Composting Systems as an important part of the MSW reductions to Government and Commercial Operations and provide "An Environmentally Friendly Solution".

Cascade creates a positive environmental impact by reducing Green House Gas (GHG) through organic waste diversion from landfill. CRC In-Vessel compost system, produces a valuable soil enhancement product for resale. Our 100% organic soil enhancement product generates additional positive environmental impacts by reducing the manufacturing and use of chemical fertilizers as well as reducing land erosion.

CRC has an experienced sales and marketing staff and also employs skilled agents across Canada. Together with our engineering team and in house consultants CRC Designs, Engineers, Builds and Operates the compost facility or we can train in-house staff for the facilities operations across Canada. The company has brought together the diverse interests of the Principals who have long track records and experience in Waste Management and Environmental technologies. The Principals have determined Composting of organics has become a major requirement to effectively recycle significant tonnages of Municipal Solid Waste (MSW).

Corporate Profile

Beijing CUP Bofeng Oil and Gas High-Tech Development Ltd.

China University of Petroleum (CUP) was founded in 1953 and its founding departments and faculties was formed with all the elite scientists, professors, geologists, and engineers in the oil and gas related subjects from Tsinghua University, Peking University and Tianjin University (formerly called Peiyang University 北洋大学, founded in 1895, it was the first modern university in China). Through decades of development, CUP has grown into two independently operated entities CUP (Beijing) and CUP (Eastern China), and both these twin universities are known as the cradles of oil and gas scientists and technologists.

Originated from a new technology laboratory of, and still strongly related to CUP (Beijing), Beijing CUP Bofeng Oil and Gas High-Tech Development Ltd. (CUP Bofeng) is a high-tech oil and gas service company specialized in seismic data processing, interpretation, oil reservoir integrated imaging technology, structural interpretation, reservoir prediction, hydrocarbon detection, trap evaluation, and comprehensive integrated reservoir studies. In recent years, it has provided technical support and services to the Daqing Oil Field, Zhongyuan Oil Field, Puguang gas field, Jidong Oilfield, Dagang Oilfield, Xinjiang Oilfield of China.

Through the years of providing technical services and support to them, CUP Bofeng has established close relations with major Chinese giant oil and gas companies, such as PetroChina, Sinopec, CNOOC, and Sinochem. And CUP Bofeng is also engaged in the business of marketing and distribution of crude oil and liquefied natural gas.

CUP Bofeng has learned from our Canadian partner, Cross Culture Consulting Inc., that the government of British Columbia plans to expand the port of Prince Rupert and build new LNG production facilities there. CUP Bofeng is interested and willing to sign a Letter of Intent to be the Distribution Agent with either BC Government, the BC LNG consortium, or the company that has the rights to sell all future BC LNG products to China. CUP Bofeng is capable to get buyer(s) to satisfy all future BC LNG products export need at market prices.

Subject: FW: PETRONAS and Progress Energy participation in the Asian investment tour
Attachments: image001.jpg

Can one of you get in touch with Tamara.

I will call you guys in a bit.

From: Tamara Little [mailto:tlittle@national.ca]
Sent: Thursday, September 29, 2011 4:43 PM
To: Parhar, TJ S JTI:EX
Subject: PETRONAS and Progress Energy participation in the Asian investment tour

Thanks TJ for the chat yesterday.

As mentioned, Progress Energy and PETRONAS, their partner in the LNG project here in B.C., wish to support the Premier and Minister Bell by sending someone from Progress as well as someone from PETRONAS (already based in Asia – Malaysia) on the Asia part of the investment tour.

Progress Energy and PETRONAS are investing \$15 Billion into B.C. over the next 5-7 years to increase natural gas production in the Montney, build an LNG line and export facility. The full estimated investment over the 30 years of the project is about \$53 Billion. The job creation at the peak will be 8,000, with 800 permanent jobs on the production and LNG side. They will be a significant part of B.C.'s future. Progress Energy recently met with Premier Clark, and with PETRONAS also met with Ministers Bell and Thomson. They are excited to be part of B.C.'s job creation and want to support this government.

It would likely be:

Progress

Greg Kist, VP, Marketing, Corporate and Government Relations

PETRONAS representative, TBD, but likely one of:

Dato' Shamsul Azhar Abbas - President and CEO

Dato' Wee Ylaw Hin – Executive Vice President E&P Business

Datuk Anuar Ahmad - Executive Vice President Gas Business

Datuk George Ratilal - Executive Vice President Finance

PETRONAS already has committed customers for B.C.'s LNG. However, they would be happy to facilitate further engagement with key Asian customers for B.C. LNG in Asia. PETRONAS has other LNG projects (e.g. in Australia) and is one of the top LNG companies in the world. They have deep roots in this industry and wide relationships with customers.

Progress and PETRONAS could:

- Provide advice on potential meetings
- Broker introductions for meetings leveraging their existing relationships with customers
- Bring potential customers to receptions

Greg Kist will be in Asia S22 He is happy to go earlier to meet the delegation and spend time with them there.

Please advise if you need anything else to support their role in this important mission.

Regards, Tamara

Ref: 63126

Mr. Liang Shugen
 Consul General of the People's Republic of China in Vancouver
 3380 Granville Street,
 Vancouver BC V6H 3K3

Dear Consul General:

It was a pleasure to meet with you last week. The insights you shared during our discussion will help ensure that Premier Clark's upcoming mission to China will be a true success.

We would like to thank you for your kind offer of support for the Premier's visit to Guangzhou, Shanghai and Beijing from November 5 – 10, 2011. As promised, please find attached a draft itinerary in China.

We would be most grateful for the Consulate's assistance in at least two key areas. First, we would welcome your assistance in seeking to arrange a brief bilateral meeting for the Premier with the Ministers of Ministry of Commerce (MOFCOM) and Ministry of Housing and Urban Rural Development (MOHURD) during the Premier's visit to Beijing on November 9th.

Also, the Premier will be accompanied by a number of business groups on her mission, including delegations representing the seafood, mining, education and forestry industries. Enclosed are the current participant lists which indicate the names of individuals expected to join the mission; we would appreciate the Consulate's efforts in expediting processing of their visas for China, when they apply. We could share updated lists weekly with your office if desired.

Thank you again for your kind cooperation as we look forward to bringing Premier Clark on her inaugural visit to China.

Liang Shugen

Thanks for this Richard.

Progress has sent this to PETRONAS to get additional names and contacts.

Greg Kist, Vice President Marketing, Corporate and Government Relations is confirmed. We will have confirmation of Michael Culbert, CEO, and the PETRONAS representatives shortly.

We will provide any suggestions on the delegation next week.

Thanks again for your help. Also, just FYI, Progress is meeting Dana Hayden October 17 to talk about the Major Investment Office.

Regards, Tamara

Sent: October-07-11 12:10 PM
To: Tamara Little
Cc: Sawchuk, Richard JTI:EX
Subject: Update - Asia Mission - LNG Component (Confidential)
Importance: High

Greetings Tamara,

Further to our recent discussion, the following is background on the LNG component of the Premier's Asia Mission.

I look forward to following-up with you next week to advance the LNG mission agenda, including discussions on:

- recommendations on working meetings on November 09 (Beijing)
- recommendations on invitees to the proposed Premier's LNG Investor's Luncheon on November 10 (Beijing)

Cheers,

Richard

Proposed LNG Component - Premier's Asia Mission (Subject to final confirmation)

Participants

EnCana, Apache, EOG, Shell, Progress Energy/PETRONAS (LNG industry) have committed to travel to China as part of the Asia Mission (LNG component).

Draft Itinerary

- November 09: Working meetings between Government of BC/LNG industry and Chinese oil and gas investors/companies, e.g. NRDC, CNPC
 - o Industry to make additional recommendations on proposed meetings in Beijing. Note: Meetings could be joint or private (as required).
- November 10: Premier's LNG Investors Luncheon in Beijing (LNG industry, Chinese oil and gas investors/companies)

Draft Key Messages

- o The Government of B.C. has identified growth of the LNG industry as a strategic priority in the *BC JOBS PLAN*
- o Objectives include working with LNG export proponents to:
 - bring at least one LGN pipeline and terminal on line by 2015
 - have three in operation by 2020
- o BC will be a reliable and secure supply of LNG
- o LNG exports have the potential to replace coal-fired generation

Background – June 2011 Liquefied Natural Gas Mission to North Asia (DFAIT)

A delegation of federal and provincial government officials, regulators, business service providers and project proponents travelled to Korea, Japan and China between June 22-30, 2011 to advance Canadian liquefied natural gas (LNG) export capacity and expertise by proactively engaging potential investors and off-take partners through seminars, outcalls and networking receptions. Mission seminars attracted over 200 participants from nearly 100 organizations across the three markets, while targeted outcalls with eleven companies permitted frank discussion of key corporate objectives and concerns. The mission confirmed that sourcing Canadian LNG is viewed as a global corporate priority for North Asia's largest and highest-potential investors. *FYI - Attached is a copy of the Beijing LNG Mission Seminar Participant List (June 2011 Mission).*

Other Considerations

It is understood that the Honourable Joe Oliver, Minister of Natural Resources will be in Beijing on November 08, 2011 in advance of the BC LNG Mission.

The federal minister's draft agenda includes meetings with:

- Sinopec - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China
- PetroChina - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China

Hello Denny

Thank you for all your help. We would like to re-confirm the details of the trip and confirm with you that you have been able to secure meetings for us.

We intend to arrive in Guangzhou off of CZ330 / 05 Nov with the rest of the delegation. Staying at "The Westin Guangzhou" Hotel. We are not sure of the flights within China at this time.

Please find attached a word document that outlines our intended meeting schedule for the whole portion of the China itinerary. I am not sure of the travel times between the hotels and meetings or the travel times between the airports, however, I hope we will be able to accommodate all of these meetings. Please let me know your comments regarding the meeting proposals. Thank you

I have also attached the Biographies of John Gibson and myself, and also the data sheets explaining the reason we are requesting the meetings. I have also included our website, <http://www.pgairportlogistics.ca/> that shows the video we have to show. It is in English and Simple Chinese. I would appreciate if you could review this information and the website and let me know if there is anything else we need to send to you.

Question: Will you send this information to these carriers, or should we? Please let me know your comments. Thank you

Please let me know if you receive all of this information and if you require any further information or details regarding this trip.

Thank you very much in advance for your help and assistance with our plans.

Best regards
 Allan

October 11, 2011

Prince George Airport Authority - B.C. Premier's Trade Mission to China November 2011

S22

So far, we understand that Saturday and Sunday November 5 and 6, are casual days with the delegation etc.

On Monday, November 7

- We would like a meeting with the Cargo Planning staff of China Southern Airlines
- We understand at this time there may be a luncheon with the Premier and the Chairman of CZ, but we are not sure of this

-

S22

On Tuesday, November 8

- We would like to meet with China Cargo Airlines and Yangtze River Express
- We understand that China Eastern Airlines is held by China Cargo Airlines so we can discuss our plans with them. Is this correct? We would appreciate your comments.

-

S22

On Wednesday, November 9

- We already have a meeting established with Teddy Lee of Air China Cargo on Wednesday, November 9. I am not sure what time it will be.
- We would also like to meet with Hainan Cargo Airlines and CFLP
- CFLP is China Federation of Logistics and Purchasing - China Society BJS
- Mr. Gibson and Mr. Tim McEwan of Initiatives Prince George met with this organization on a prior business trip earlier this year, and would like to meet with them again.

-

S22

S22 . We will not be joining the Trade Mission to India.

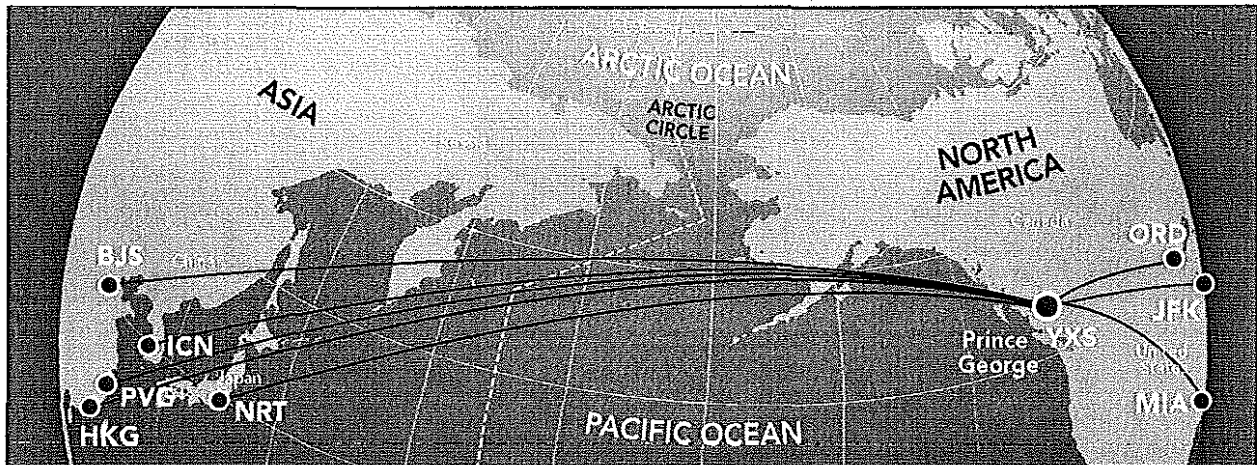

The Prince George Airport Authority Cargo/ Logistics

Prince George is located in the centre of Northern British Columbia, Canada. It is strategically located on the Great Circle Route between Eastern North America and China.

Objective: Develop Prince George as an air logistics gateway to North America, a main competitor to Anchorage for the Pacific refueling business, and a maintenance base (MRO) for aircraft overhaul checks and modifications.

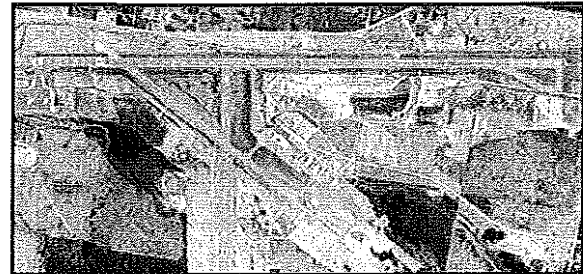

Description: A). Develop an air logistics hub by investing in on-airport and off-airport lands that connect road, rail, and air between Asia and North American markets.

B). Develop a logistics network connecting road, rail, ocean and air that optimizes time and cost to market.

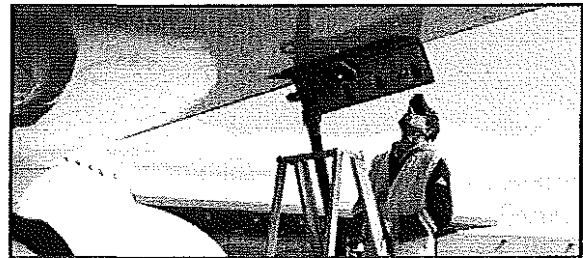

Technical Data:

- 3,490 metres (11450 ft) Runway
- CAT 1 ILS with High Intensity Lighting
- CAT 2 Centreline LED Lighting
- NEW 2322 m² (25000 sq.ft.) Crossdock Facility
- 1200HA (3000 acres) Logistic Park Development

Competitive Advantages:

- KPMG 2010 analysis ranks Prince George as the number one place in Western North America to invest
- NEW Common Air Carrier Fuel Storage
- Low costs including no landing fees
- Short Taxi Distances
- No Slot Controls
- 24 / 7 Operations
- Only hours to any North American destination via air
- Lowest corporate and personal tax rates in Canada

Biography

John Gibson

John Gibson has been the President and CEO for the Prince George Airport Authority since July 1, 2009. He comes to Prince George from the Hamilton International Airport, where he held the position of Vice President of Marketing since 2001.

Under his leadership, Hamilton saw a tremendous growth in both passenger and cargo business. Hamilton became the largest origin destination airport in Canada for freighter aircraft with Canada Post, Purolator Courier,

UPS, DHL and Cargojet's central Canada freighter operations based there.

Prior to Hamilton, he held senior positions in air cargo with Canadian Airlines International, where he was General Manager – International Cargo. In this role, he successfully developed a series of cargo initiatives in Japan, S.E. Asia, China, South Pacific, South America, and the United States. John also worked on the cargo team that developed Canadian Airlines overnight freighter operation.

John has been in the aviation industry for the majority of his career, first with Pacific Western Airlines where he headed their Cargo Division and then with Canadian Airlines International prior to joining Hamilton International Airport. He holds a Bachelor of Commerce and a Masters of Business Administration from the University of British Columbia in International Business and Transportation. John carries many affiliations in variety of aviation organizations, including being the Past Chair of the Canadian Airports Council Cargo Subcommittee and a member of the Air Policy Committee.

John currently sits on the board of the Canadian Airports Council and is Vice Chair of the Canadian Airport Council Small Airports Caucus. John is also a founding member of the Prince Rupert Gateway Council representing the northern corridor of Canada's Asia Pacific Gateway. John continues to lobby for Cargo Open Skies with Canada and other nations, improved cost competitiveness for Canadian aviation, and increased marketing awareness of the strengths of Canada as the key distribution center for North America.

Under John's leadership, the Prince George Airport Authority continues to forge ahead in its pursuit of developing a world class gateway connecting the economies of North America and Asia. Strategically located on the Asia Pacific Gateway's fastest route to North America's heartland, Prince George Airport becomes the next piece in British Columbia's North Pacific Multi-modal Corridor.

Biography

Allan Ridgway

Allan's career spans over 40 years in the transportation industry, in which he worked at various levels in Canadian Pacific Railway, CP Ships, and the Trucking industries. He has spent the past 37 years in the Airline industry. He worked for Canadian Airlines International for over 25 years.

Most recently, Allan has joined Prince George Airport Authority as their Director, Cargo Business Development. In this position his mandate is to develop the Air Cargo Business for Prince George as well as technical and fuel stop business for the Airport.

In 1999 Allan, took early retirement from Canadian Airlines and formed his own company, Air Cargo Trader. This was a General Sales & Service Agency that catered to all the needs of various airlines air cargo requirements. Services include marketing and sales functions, ground operations, warehousing, claims, administration and operating procedures.

Air Cargo Trader's most notable Airlines have been American Airlines; Canada Post; Purolator Courier; Qantas Airways; Mexicana Airlines; Philippine Airlines and Harmony Airways plus a multitude of other Domestic and International Airlines.

Prior to this assignment, Allan was the Regional Manager for the Asia/Pacific Region, and was responsible for the rapid expansion of the carrier's presence throughout the area. During his 10 years in this region, he was responsible for the opening of all aspects of the cargo operations in six countries, and the negotiation of over fifteen alliance agreements. Allan was responsible for increasing the airline revenues in the region by over 300%, representing 65% of the carriers' international revenues, also his ability to build a strong team of operations, and sales members, enabled the carrier to become one of the strongest alliance carriers in the region. During this time, Allan's team developed the Honolulu Hub program for the carrier, and became one of the largest third party handling companies in Hawaii. This not only provided substantial savings to the operating carriers, but also contributed to the "Network" of marketing each carrier's routes over the Pacific.

Throughout Allan's career, he's held various positions in the cargo industry, and has played leadership roles in establishing new IATA agency programs, throughout Canada, including the implementation of CASS (Cargo Accounts Settlement System), (CNS - USA). He was a founding Co-Chairman of the Cargo General Assembly - Canada, which was the first market oriented agency program between airlines and agents. This program has since been implemented in various degrees throughout the world.

Allan has served at various executive roles on a number of industry associations, including Cargo 2000 Committee; Vancouver Air Cargo Association; Vancouver Transportation Club; Sales and Marketing Executives (SME); IATA Agency Programs; IATA Cargo Conference - Designate.

Subject: BC Youth Trade Mission Proposal

Hi Barinder,

I send you an e-mail last week but it looks like it has bounced back. I'll send this to you one more time and hopefully it works.

Anyway, just to give you the background of how this youth component of the trade mission came about. I spoke to Stephanie Cadieux about it, and she asked to be a champion for this and she offered to help get this off the ground. Minister Cadieux and I spoke to Lorne about this who asked for the proposal. In the mean time, I spoke to Paul Irwin who is a Senior Director at the Ministry of Jobs, Tourism and Innovation and he said that he would support it from the Ministry's side and said there were several opportunities for youth to get involved. I have also gotten support from Mary

Jane Stenberg (External Affairs Director of Kwantlen and President of the Surrey Board of Trade) who spoke to the Premier about having a youth component.

We also spoke about administering it through Global Vision, a program which has worked with the BC government before, and has been supported by many Liberal MLAs including Minister Falcon, and Dave Hayer. I am a graduate of the program, having gone on trade mission to South East Asia in '05, was send by DFAIT to go with the Prime Minister to the APEC Summits and create and present Canada's investment strategy in '06 as well as leading teams in 2009 to South America, and at the G8/G20 Summits in 2010.

Global Vision, a not-for-profit based out of Ottawa, has partnered with DFAIT, the PMO, CIDA, Heritage Canada among other departments, and currently is responsible for annual youth trade missions, and for the annual youth delegation that accompanies the Prime Minister to APEC. JTC has partnered with provinces before to send provincial youth delegations to accompany Premiers. The team is currently on a trade mission to Indonesia and Malaysia. Their website is <http://www.globalvision.ca/> -

When I was in Ottawa in June I had the chance to speak to Peter McGovern - Assistant Deputy Minister, Asia and Chief Trade Commissioner (who I met through working on the G8/G20 Youth Summit). He has worked with GV many times before and would advocate for this and help coordinate this with the province.

Basically Global Vision would coordinate the itinerary in partnership with the province, develop and apply the logistics, and select and train the team.

I have attached a copy of the BC youth proposal and the proposed budget. Everything that is the proposal is negotiable, and will be coordinated to suit the mandate and the needs of the Premier.

Many of the possible mandates also came from Paul Irwin during our brain-storming session.

Now there was another option to go through the Boards of Trade and through universities, as they were interested in partnering to send a youth component. So is basically up to the premier's office to see what would work best. I'd love to set up a meeting with you to go over all of this, if you are available. Are you based in Victoria or Vancouver? I just want to make sure that this isn't a lost opportunity to fulfill the Premier's objectives of job creation and keeping BC strong using the energy and innovation of youth.

Thank you for your time and look forward to hearing from you soon.

Kassandra

GLOBAL VISION
JUNIOR TEAM CANADA

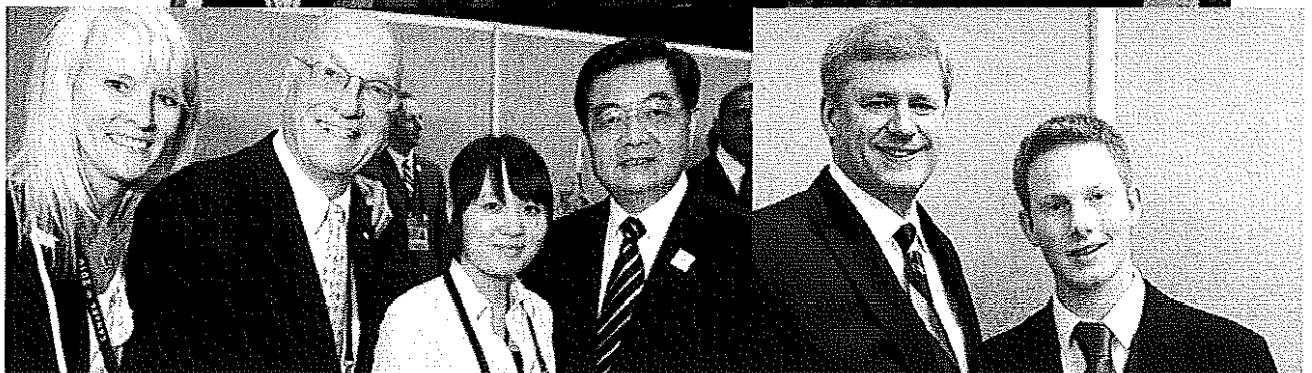

2011

Junior Team BC

PARTNERSHIP

Prepared for the Premier's Office

PREMIER'S OFFICIAL YOUTH COMPONENT:

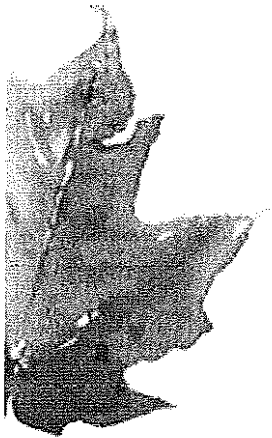

The Premier's junior component mandate would be built around the Premier's objectives of job creation, promoting innovation and entrepreneurship, and keeping BC strong through cross cultural understanding. The team would be composed of top young leaders in the province, and would send a strong message that BC is epicenter for a dynamic, young, and innovative work force. BC's youth component could also build on previously established contacts in China. Furthermore, India's young population is marketed as one of its strongest assets. The Premier's junior component could act as a liaison to this demographic and demonstrate the potential of BC's youth with the objective to create further engagement.

ROLES AND OBJECTIVES OF A JUNIOR COMPONENT:

While forming a mandate around the Premier's objectives, the team would also fulfill their traditional objectives of promoting industry and trade, and acting as ambassadors for their region.

POSSIBLE MANDATE OBJECTIVES INCLUDE:

- ◆ **Ambassadors:** There are several initiatives that could be incorporated into the youth mandate including: hosting forums, building on established relationships and contacts in China, presenting the province from a youth perspective, working with educational institutes to co-ordinate alumni, hosting and participating in cross-cultural events with China/India youth counterparts.
- ◆ **Media Relations:** During the mission the team would develop a market report, from a youth perspective, on key sectors, areas of growth, cultural dynamics, youth, education and entrepreneurial issues, and would make recommendations, including policy initiatives that would foster stronger trade and cultural relations.
- ◆ **Social Media:** The team would share their stories via social media, blogs, vlogs, and videos, to represent BC to China/India as well as keep stake-holders informed back in BC.
- ◆ **Media Relations:** As youth ambassadors for their region, the team would actively seek out media to promote BC and share 'home-grown' experiences of the region. The team would help to create the narrative of BC from a youth perspective.

ORGANIZATION OVERVIEW AND BACKGROUND

Over the past 20 years Global Vision, a national not for profit, has worked to develop and deliver a variety of innovative programs for youth from across Canada. The overall objectives of the programs are to equip young Canadians with the skills, knowledge and experience they need to succeed as global leaders. Founded in 1990, by then Member of Parliament for London Middlesex Terry Clifford, C.M., Global Vision's programs aim to stimulate trade and promote relations amongst countries using the ingenuity of Canadian youth.

Global Vision's inaugural program Junior Team Canada's Trade Missions have traveled to over 27 countries including China, Brazil, Malaysia, Japan and have been part of the official Canadian delegations to APEC, the Summit of the Americas, Premiers' trade missions, Inter-America Development Bank Meetings, and the G8/G20 Summits. During the missions, ambassadors meet with industry and government leaders to explore business opportunities on behalf of Canadian partners as well as act as ambassadors for their region to promote cross-cultural understanding.

GLOBAL VISION'S RESPONSIBILITIES:

Global Vision will act as an administer, responsible for: working in collaboration with the Premier's office and the Ministry responsible for the mission to develop the mandate and program for the 'Junior Team BC,' providing all of the logistics for the team including flights, hotels, and ground support, provide tax receipts, create and train the team from Global Vision's talent bank, and provide established contacts including the All-China Youth Federation to round-out the junior component's schedule.

JT-BC Budget for Proposed Youth Participation in the Premier's Trade Mission

Revenue	Days	Units	Cost/Unit	Total
BC Contribution		5	\$5,000	25,000.00
Student Fundraising		5	\$3,500	17,500.00
Total Revenue				42,500.00
Expenses				
Flights		5	4000	20,000.00
Hotels	12	3	150	5,400.00
Meals & Incidentals	12	5	60	3,600.00
Venue Rental & Gifts				500.00
Administration				13,000.00
Total Expenses				42,500.00

Fax: 250-387-0087 E-Mail: premier@gov.bc.ca

Dear Ms. Clark:

I have learned that your office is planning a visit to China in November, 2011 for the purposes of strengthening ties between British Columbia and China. It is with great interest that the mineral resource industry in British Columbia and Canada monitors the relationship with China and the reforms taking place in China with respect to foreign investment and reciprocity.

Eldorado Gold Corporation, a company domiciled in British Columbia, listed on the TSX, the NYSE and the ASX has operations in China, Turkey, Brazil and Greece. We constructed our first gold mine in China in 2005 and subsequently have grown our business in the region through the acquisition of two mines and one development project. While Eldorado is small in terms of total gold produced in China, producing only 3% of the country's total gold production, we operate the 2nd and the 5th largest gold mines in the country and we are the largest foreign gold producer. We have invested over \$2.1 billion in exploration, development, construction and mining in China and have undertaken local community health, education and sustainable development programs in each of our regions. As a significant foreign investor and operator we are closely observed by other resource companies doing business or attempting to do business in China.

We maintain close ties with Mr. Mulroney, Canada's Ambassador to China and with the Canada China Business Council. We are appreciative of the benefits of these relationships and the assistance provided by these organizations as they act as our advocates in the region.

I will be in Beijing during the dates that your delegation will be traveling to Beijing and would be very interested in participating in your program and meeting with you and Mr. Mulroney to discuss Eldorado's unique position and some of the challenges we face as a resource company doing business with China.

Yours truly

ELDORADO GOLD CORPORATION

Subject: Re:Premier Clark's Mission to China November 5-10

Dear Henry,

First of all, thank you for your help and support!

I attended the meeting yesterday and I know that the Premier does not have an event scheduled for the evening of Nov. 5th, I would like to arrange a dinner banquet on Nov. 5th (subject: Welcoming Canada's BC Premier to China). On Nov. 7th 9AM to 3PM, I can assist with arranging a lecture or a business forum for the BC Premier and the Guangdong Governor or Vice Governor to give a speech. The forum will be co-sponsored by the Guangdong Federation of Industry, Sun Yat-Sen University, Chinese Entrepreneurs Society of Canada or Canada China International Business Association.

For the Premier's visit to Shanghai and Beijing, if there is no one arranging activities for the remaining time in the official schedule, I can arrange for activities, if there is someone else planning, then offer the opportunity to others. If the BC Government agrees for me to organize a delegation and to participate in the Premier's visit to China, I will organize a delegation of around 50 people including executives in BC's business associations and industry professionals. I will arrange the delegation then go to China.

S22 to assist with arranging the forum (the subject of the forum can be decided by the BC Government) at Guangdong's Sun Yat-Sen University or the Guangdong Federation of Industry. If the Premier decides to give a speech, I will assist with the arrangement. I will be in Guangzhou from Sept. 28th – Oct. 3rd. On Oct. 5th, I will be leading the Chinese Entrepreneurs Society of Canada delegation of 18 people to visit Singapore and attend Singapore's 11th World Chinese Entrepreneurs Convention held on Oct. 5th-8th. After the 8 day convention, S22

S22, I hope to see you in Guangzhou. If you need, I can arrange a translator for you who is very good at English and Chinese to assist you. She graduated from UBC and received her Masters in Hong Kong University. I have a large network in Guangdong, if you need anything, please do not hesitate to tell me, I will do my best.

Thank you very much!

Subject: China & India Trade Mission

Hello,

Premier Christy Clark is leading a Team BC trade mission to China and India in early November 2011.

The trip will focus on the theme of job creation for all regions of the Province in sectors where BC has a strategic advantage to sell/market overseas and where the Province wants to attract new investment. Both country programs will be anchored against existing in-market trade and investment promotion activities, including a number of delegations.

As your company or organization plays a key role in shaping the future economy of British Columbia, we would welcome your participation to showcase your business and advance provincial interests internationally. If you have any issues or upcoming successes that you wish to highlight during the mission, we would encourage you to share them with us.

The Province will stage corporate signing ceremonies in each city as required to profile the strength of B.C.-based businesses. There will also be a number of networking receptions to which invitations could be extended.

As someone who has shown an interest in participating we would be grateful if you could complete the attached form and send it to Barinder.Bhullar@gov.bc.ca or Fax: 604-775-1688 before Friday, September 30, 2011.

Please note that participating as a member in one of the delegations will mean you will be responsible for your own travel and accommodation costs in China and India.

Best Regards,
Barinder

- ☐ AGRICULTURE (AGRIFOOD & SEAFOOD) ☐ NATURAL RESOURCES (FORESTRY, MINING, OIL & GAS)
- ☐ TECHNOLOGY & FILM PRODUCTION ☐ EDUCATION
- ☐ TRANSPORTATION (SHIPPING, LOGISTICS & AIRLINES)
- ☒ OTHER: EXPORTING CANADIAN GOODS & TECHNOLOGY TO CHINA.

A SHORT PROFILE OF YOUR COMPANY INCLUDING PRODUCT, SERVICE OR INVESTMENT OBJECTIVE:

Bradley Pacific Enterprises is a wholly Canadian-owned, Vancouver-based company founded in 1988. Since then, it has been actively engaged in a diverse range of business activities around the globe with an emphasis on exporting goods & technologies from Canada to China.

Its essential product lines include exporting Canadian pulp and paper, lumber and wood products, sulfur and chemical production equipment to China. Bradley also prides itself in the areas of offering consulting services to its clients from China in corporate finance, mergers and acquisitions, and real estate investment. Likewise, the company has successfully assisted its Canadian clients in sourcing and identifying sound investment opportunities and joint-venture projects from China. Bradley's business success has been recognized by its business peers. In 2003, Wendy Yuan, President and CEO of Bradley was nominated for the Best Young Entrepreneur Award by Business in Vancouver magazine. In 2005, Bradley Pacific was also nominated for the BC Export Award as one of BC's top 21 export companies.

Barinder and all,

Attached herewith is the filled out form for your record. Should you have any questions, please do not hesitate to contact me directly.

In the meantime, please send us the delegates package information including the name of the hotel in Beijing where all designated delegates are staying at, the contract-signing ceremony's venue and the like so that we could make travel/accommodation arrangement(s) accordingly.

Thank you all for your kind assistance in this regard.

Cheers,

Wendy

Hi, Richard:

Please find the attached registration form for Amy Huang, Paul Oei and Loretta Lai. Paul and Loretta will join the team of Premier all the way in China. They need to book same flight and hotel as BC Team. Please contact Loretta at S22 or S22 for detailed information.

A Chinese oil and gas consulting company proposed to sign a Letter of Intent with BC Government or the consortium of north BC LNG facility for the future export of BC LNG products. They have some buyers that can buy substantial volume of LNG products at market price at that time. Do you think this is a good idea?

☒ OTHER: RECYCLING & COMPOSTING

A SHORT PROFILE OF YOUR COMPANY INCLUDING PRODUCT, SERVICE OR INVESTMENT OBJECTIVE:

Cascade Renewable Carbon Corp. is an environmental leader in Bio-Organic diversion and processing, turning organic waste into highest grade soil enhancement products. We offer complete turn key Composting Systems as an important part of the MSW reductions to Government and Commercial Operations and provide "An Environmentally Friendly Solution".

Cascade creates a positive environmental impact by reducing Green House Gas (GHG) through organic waste diversion from landfill. CRC In-Vessel compost system, produces a valuable soil enhancement product for resale. Our 100% organic soil enhancement product generates additional positive environmental impacts by reducing the manufacturing and use of chemical fertilizers as well as reducing land erosion.

CRC has an experienced sales and marketing staff and also employs skilled agents across Canada. Together with our engineering team and in house consultants CRC Designs, Engineers, Builds and Operates the compost facility or we can train in-house staff for the facilities operations across Canada. The company has brought together the diverse interests of the Principals who have long track records and experience in Waste Management and Environmental technologies. The Principals have determined Composting of organics has become a major requirement to effectively recycle significant tonnages of Municipal Solid Waste (MSW).

Hi Henry,

I understand S22 on business. I would like to introduce you to John DeLucchi and Jenny Li of PwC in Vancouver. John is Managing Partner, BC Region of PwC, and Jenny is a senior manager in tax services, as well as a native speaker of Mandarin.

Like us, PwC sponsored part of the NDRC delegation's events here in Vancouver this week. They are keen to develop China business and investment, so I told them about the Premier's trip to China in November. They've kindly agreed to think about potential China related deals with their clients that can be announced on the trip, and are also interested in taking part in the public events in China.

I will let you connect from here. I hope to see you all in China in November!

Regards,
-Jack

Christine:

As discussed, attached is the forest sector delegation as it stands today. Per our discussion, I have added FII staff and Minister Thomson's Office so that you have a full set of names for the Consulate (not sure if I will go, but have included my name just in case).

I'll follow-up with Kelly regarding Minister Thomson's visa.

Subject: Screening Form

Attached are sample screening forms. We discussed text with Barinder last night and Lynette did the design this morning.

Idea is that Barinder would send these to people the PO is in contact with. They would complete the form so PO has sufficient detail to judge value of the signing and if it should be included in the program. Like federal Team Canada missions we will build a signing ceremony in each city where warranted.

Scenario: Companies would meet the Premier in a side room for 15 to 20 minutes to introduce themselves and have a little bit of networking. Back in the main room, they would, in order, cycle all the companies through their signings. There would then be a quick photo with the Premier. This would repeat over 20 to 30 minutes until the signings are done. Then everyone would join a larger reception or a luncheon (guests arriving in main room while signing ceremony is occurring next door).

We have provided three options for consideration on Monday, though Option #1 is recommended.

Version 1: Recommends using the Premier's Office Letterhead for the letter, and attaching the form.

2011PCCScreenin
g_FORM_V1.docx

Version 2: Recommends external brand on the letter with visuals representing mission sectors and branding only the form.

2011PCCScreenin
g_FORM_V2.docx

Version 3: Recommends Branded with external brand on both the letter and the form.

2011PCCScreenin

The Premier is leading a Team BC trade mission to China and India in early November 2011.

The trip will focus on the theme of job creation for all regions of the Province in sectors where BC has a strategic advantage to sell/market overseas and where the Province wants to attract foreign investment. Both country programs will be anchored against existing in-market trade and investment promotion activities, including a number of delegations.

As your company or organization plays a key role in shaping the future economy of British Columbia, the Premier would welcome your participation to showcase your business and advance provincial interests internationally. If you have any issues or upcoming successes that you wish to highlight during the mission, we would encourage you to share them with us.

The Province will stage corporate signing ceremonies in each city as required to profile the strength of B.C.-based businesses. There will also be a number of networking receptions to which invitations could be extended.

As someone who has shown an interest in participating we would be grateful if you could complete the following form and send it to Barinder.Bhullar@gov.bc.ca or Fax: 250-387-0087 before Friday, September 30, 2011.

Please note that participating as a member in one of the delegations will mean you will be responsible for your own travel and accommodation costs in China and India.

Best regards,

To: Cho, Janet Y JTI:EX; Han, Henry JTI:EX; XT:Tsui, Kevin JTI:IN
Subject: RE: Premier's hotel

Dear Janet and Kevin:

Thank you for assisting Westport in its potential event in Beijing!

Please keep in mind that all the names, agenda, event, announcement etc. are highly confidential and should be kept internally.

As per Henry's recommendation, could you please inquire about the availability of a hotel room for a reception and dinner for about 50-70 people on November 8 or 9 (18h-23h)?

The names for the hotel room block are: Nicholas Sonntag and Patric Ouellette.

Please let me know if you have any questions or comments!

I look forward to your feedback!

Laurence

Subject: Re: PCC China Visit - CCPIT as host

Kevin,

At this point for Shanghai we would look to official host for support in :

- Official request for meeting with Mayor Han Zheng, Shanghai Municipal Government
- there may be a need for logistics - incoming/outgoing at airport - and you may want to indicate that in the letter.

John

On 16/09/2011 12:40 PM, Tsui, Kevin -BEIJING -MD wrote:

John, Cathy,

FYI - we will hand deliver a letter to CCPIT in Vancouver on Monday seeking their support to host Premier. I will call CCPIT this weekend as they arrive in Vancouver to give them a heads up and provide basic parameters around our request and what we are looking for. Based on my read of the Beijing portion of PCC China visit all we need is:

- Invitation letter
- Meeting with CCPIT Chairman Wan Jifei
- Only if necessary, a confirmation letter sent in support of Premier's China trip to these Ministries: MOFCOM, MOHURD, NDRC

Can you clarify what you would need CCPIT to do in Guangzhou and Shanghai should they agree to host Premier? I want to be clear what our request would entail in terms of their expected work load. Thanks!

Subject: Re: Premier's November mission to Asia

Dear Marcus,

Many thanks for informing us about Premier's November mission to Asia and thank you for including us – the Hong Kong-Canada Business Association in the planning process of this mission. We are certainly delighted to learn this news and it is indeed our honour if we can be of any assistance.

Dear Henry and Michael,

It is certainly our great pleasure to be involved in the planning process of this mission, and will certainly be more than happy to circulate any highlights or announcement featuring the Premier's visit to our members in Canada and Hong Kong/China. And yes please keep us posted on more details as our key executives would like to participate in this November mission as well.

Meanwhile, I would also like to take the liberty of introducing you our two "Hong Kong Family" affiliates (who are also being cc here on this email) – the Hong Kong Economic & Trade Office (Canada) and also the Canadian Chamber of Commerce in Hong Kong who can also be of great help and contribute to the planning process of this mission. Below please find their detailed contact information:

Hong Kong Economic & Trade Office (Canada), HKSAR Government

Subject: Premier's November mission to Asia

Ref: 62303

Dear Joyce:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your organization plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Sent: Friday, September 16, 2011 4:48 PM
To: Bhullar, Barinder PREM:EX
Cc: Sharma, Rishi AVED:EX; McConnan, Kelly AVED:EX
Subject: RE: China & India

Thanks for connecting me with Dr Raymond Barinder. Just had a conversation with him and it turns out my contact with S22 and this person had not informed the president's office he was dealing with us already....

We have weekly calls with the sector organisations and almost daily communication with a number of institutions and have asked them to go through AVED rather than you or JTI as it is not helpful and creates confusion. So far it is working well, although I presume there will always be a few who will try to go to you or JTI directly. Both Henry and Mike have done a fantastic job at redirecting people to us and keeping us informed.

Will send list of participants by city stops to JTI shortly.

Kind regards,

Vincent

Subject: China & India

Dr. Raymond,

It was very nice to speak to you the other day. I am sending this e-mail to pass along my contact information, which is below. My mobile number is S17

I have also copied Vincent Portal with the Ministry of Advanced Education on this e-mail. Vincent has been developing the education component of the upcoming China and India trade mission and would be the best person to contact. I spoke to Vincent and filled him in on our conversation and have advised him that TWU is interested in participating. Vincent's contact details are below:

Vincent Portal
 Tel: 250 356-6356
 Cell: s17

Regards,

Barinder.

Subject: re: Meeting with Chinese Canadian business associations

Ever since Premier Christy Clark has announced that she will be visiting China and India in November 2011 and British Columbians are welcome to join her, many have expressed interest.

There are sectoral delegations, such as forest and mining, being organized but no general delegation yet for the Chinese Canadian business sector.

Some BC Chinese Canadian business associations will meet this Wednesday to explore the opportunity to form a BC Chinese Canadian Entrepreneur Delegation to participate in some of the activities in China with the Premier. You are welcome to join the discussion.

Date: September 21, 2011 (Wednesday)
Time: 3:00pm to 4:30pm
Venue: Suite 1700 - 800 Robson Street (Lower Plaza Level), Vancouver

RSVP r.lee@leg.bc.ca

Thanks.

Thank you for your email regarding the Premier's planned trip to China and India. We are excited about this opportunity to explore new trade markets overseas. By continuing to work hard to attract growing economies, we can expand our markets and create jobs for families across the province.

We appreciate your expressing interest in being a part of this mission, and have shared your correspondence with the Honourable Pat Bell, Minister of Jobs, Tourism and Innovation, for his review. Minister Bell's office will be in touch should staff have any feedback or questions for you.

Again, thank you for writing. It was good to hear from you.

The Honorable Pat Bell
Minister of Jobs, Tourism and Innovation
Parliament Buildings
Victoria, British Columbia V8V 1X4

Naomi and Pat
Dear Ministers:

I am writing regarding the Premier's planned visit to China and India and in light of your respective ministries' role in organizing this mission.

The choice and timing of China and India for Premier Clark's first major international mission is very welcome. This month, the University of British Columbia will be presenting a new international strategic plan for the next 3 to 5 years, which specifically identifies China and India as priority countries. The landscape for higher education and research is moving very rapidly in both countries and it is particularly timely for BC's research universities to ensure strong positioning to develop strategic partnerships and visibility in both jurisdictions.

UBC is keen to support the provincial government's mission and I look forward to joining the Premier in Delhi on Friday 11th November and Saturday 12th November and in Bangalore on Monday 14th November and Tuesday 15th November, and possibly Chandigarh on 16th November. Previous commitments prevent me from joining the Premier for the China portion of the mission but John Hepburn, UBC's Vice President Research & International, is available for the Shanghai and Beijing portions of the trip.

UBC has coordinated with Advanced Education staff regarding suggestions but I thought it would be useful to share with you several highlights of potential events for the upcoming trip.

While in India, the University will be opening the UBC India Office, which will have a presence in Bangalore and in Delhi. The Bangalore centre is more established as it is located at the BC Trade Office. The opening is a milestone in the University's work in India and the Premier's participation in the opening ceremony would underscore this significance. An opening ceremony will be held at the Bangalore office on Tuesday 15th November; please see the attached draft schedule for times. An announcement about the office could also be made in Delhi.

In Bangalore I could also arrange for the Premier to preside over a signing ceremony between the Sauder School of Business and the Indian Institute of Management – Bangalore. Currently it is ranked as the leading business school in India; this would be a prestigious opportunity for a signing if the Premier is available.

UBC's School of Nursing has had active partnerships in India since 1998, and this fall it will be cementing a very significant new partnership with the Baba Farid University of Health Sciences, which is located in Fardikot in the Punjab. I can arrange for the Premier to preside over a ceremony marking this partnership in Chandigarh, if she is available. Baba Farid University oversees all health sciences colleges in the Punjab and so UBC's new partnership will have a significant impact in the region. UBC's partnership aims to build capacity in the nursing profession in India by providing professional development to nursing faculty and graduate students in India. The program is funded in part by the Canada-India Education Society and the Canada India Foundation.

UBC has a strong network of partners in China as you are aware and we also have connections with government. I would be happy to share contacts and facilitate connections with senior Chinese officials in Beijing and elsewhere, if you wish.

Although it is not presently on the itinerary, I would like to suggest that you include a side trip to Chongqing during the Premier's time in China. UBC is establishing a Joint Centre for Translational Medical Research in Child Development and Alzheimer's Disease with the Chongqing Medical University. The Children's Hospital is the best in China and the largest in the world for sick kids. The Children's Hospital is contributing RMB 25 million (approximately CAD\$4.5million) to the Centre and the partnership receives additional direct funding from China via the Chongqing Science and Technology Commission of CAD \$1 million. The Joint Centre will be a key international research collaboration base in China supporting a wide- ranging network of Chinese and Canadian medical researchers and clinical scientists. If the Premier were to visit, she could preside over an opening ceremony of the child development centre in the Children's Hospital and

Not Responsive

Not Responsive

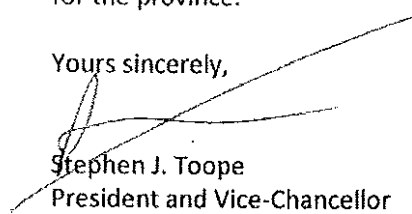

This would fit well with her "family first" priority and connect with an increasingly prosperous and mobile section of the Chinese population.

UBC has good connections with alumni in China and emerging networks in India. Last year, UBC held very successful events for UBC alumni in Hong Kong, Shanghai and Beijing. The University would be happy to arrange for UBC alumni to participate in any of the Premier's events in India and in China.

Helen Pennant, UBC's Executive Director International, is UBC's point person in coordinating the University's participation in this visit. Please feel free to have staff contact Helen should you wish to pursue any of these suggestions, or if you have any questions or requests regarding the mission. Helen can be reached by email at helen.pennant@ubc.ca or by telephone at S22

I hope this is helpful and I look forward to traveling with you both on this exciting and important mission for the province.

Yours sincerely,

Stephen J. Toope
President and Vice-Chancellor

Pacific Gateway Recommendations for Premier's Mission

JTI, IGRS and the Premier's Office have identified meetings and opportunities for the Premier's November Mission to China and India from November 4-16, 2011. Minister Lekstrom will also be joining the delegation to provide a transportation and Pacific Gateway perspective. Minister Lekstrom is the Sponsor of the Pacific Gateway Alliance, the executive-level partnership with transportation infrastructure and policy/legislative agencies responsible for implementing the Pacific Gateway Strategy Action Plan. The six year partnership is recognized by customers and competitors as unique in the world. Pillars of the Pacific Gateway Strategy Action Plan are:

- Policy/legislative changes to drive investment;
- \$22 Billion infrastructure investment commitment;
 - \$4.9 Billion Provincial investment leveraged \$19 Billion from private sector and other levels of government
 - \$10.6 Billion complete
- Leading edge operational improvements and collaboration; and
- The Pacific Gateway brand - receiving international recognition.

The Minister of Transportation has led Pacific Gateway Alliance Trade Missions to Asia and the US since 2005. In customer meetings it has been apparent that Asian companies value the business/government partnership and that transportation is a key element in investment and large-scale purchasing decisions in the natural resource sectors. Asian investors are keen to understand transportation corridors for the movement of commodities due to capacity constraints in global supply chains.

JTI has identified and reached out to some transportation stakeholders (Prince George Airport Authority, Vancouver International Airport Authority, Port Metro Vancouver and the Port of Prince Rupert) to participate in the mission. The Minister of Transportation and Infrastructure will provide cohesion and leadership to transportation-related meetings/opportunities. Opportunities already identified where transportation plays a role or it is recommended that Minister Lekstrom attends are:

- **November 4** - Media event at YVR – MBL brings the Pacific Gateway Partnership with YVR, air service between BC and Asia and in particular recently announced new China Southern Airlines flights between YVR and Guangzhou.
- **November 6** - Guangdong Governor – follow-up and build on relationship that Minister Bond initiated with the Governor at the World Shipping China Summit in November 2010.

Not Responsive

- Official Gala Dinner – support Premier Clark at first international speech, provide valuable perspective on Pacific Gateway supply chain, recent investments in transportation infrastructure, collaboration of Alliance partners.
- **November 7** – Seafood Promotion Event – Pacific Gateway air corridor provides transportation for BC seafood going to China. New direct flights between YVR and mainland China provide new

market opportunity for BC companies. MBL to provide information on Pacific Gateway air corridor and highlight partnerships with YVR and airlines Cathay Pacific and China Southern Airlines for air cargo.

- China Southern Airlines (Guangzhou) – currently serves YVR on three weekly passenger and four weekly cargo routes. Courtesy call with MBL and YVR as a follow-up to the Chairman's recent visit to BC to celebrate the new passenger service to Vancouver. Opportunity to discuss possibility of increased service for passenger and cargo flights which work towards reaching 2020 Pacific Gateway targets for air passengers and air cargo. Potential separate meeting with Prince George Airport Authority.
- BC Alumni Ambassador Reception – opportunity for MBL and Pacific Gateway partners to connect with BC business leaders in Shanghai and provide information on Pacific Gateway investments and developments.
- Mayor of Shanghai – opportunity to discuss trade, investment, tourism and education with the Mayor; transportation is a key component of all of these sectors. MBL to provide Pacific Gateway perspective from BC and highlight transportation linkages between Shanghai and BC (i.e., direct cargo and passenger flights, shipping routes, Alliance partners with representatives in Shanghai, and Shanghai-built container cranes used in BC.)
- New West Partnership Luncheon – Transportation is essential for advancement of NWP; Pacific Gateway supply chain provides the backbone for trade of Western Canadian commodities (e.g., potash, grain, other crops, coal, etc.) MBL can provide Pacific Gateway perspective including infrastructure, policy and performance updates and information regarding collaboration of all supply chain partners.
- COMAC – The aerospace industry often requires special transportation of components, MBL to provide transportation perspective.
- Meeting/Dinner with Canadian Ambassador to China – opportunity for MBL to highlight and provide an update on Pacific Gateway infrastructure/investments, policy, performance, collaboration and partner activities. This will equip the Ambassador with information on the Pacific Gateway to be able to respond to future questions and encourage investment and business with Canada/BC.
- **November 9** - China Ocean Shipping Company (COSCO) – has long relationship with the Pacific Gateway Alliance, as it serves both the ports of Vancouver and Prince Rupert. Pacific Gateway partners Port Metro Vancouver, Prince Rupert Port Authority, and railways that serve COSCO (CN and potentially CP) could attend with MBL. The Pacific Gateway Alliance has met with COSCO a group a number of times and most recently met Capt. Wei at COSCO's annual World Shipping China Summit in November 2010. The 2011 Summit is taking place on Hainan Island (south of Taiwan) on November 2-4. COSCO is interested in discussing LNG developments, and BC ship building. Capt. Wei will be in Vancouver later in November.
- Ministry of Commerce (MOFCOM) – Follow-up to engineering and construction delegation that came to Vancouver in 2009, discuss transportation linkages, opportunities for P3s and provide Pacific Gateway infrastructure and collaboration update.

- Executive Roundtable Luncheon with State Owned Enterprises (SOEs) and private companies to discuss investment opportunities – MBL to provide valuable transportation perspective, provide information on Alliance partnership and respond to questions. Pacific Gateway partners, such as the ports and railways could also attend and provide further information on corridor improvements, and performance to encourage investment in BC.
- China Investment Corporation – already a customer of the Pacific Gateway through investment in Teck Resources (currently ships coal through BC ports). For future investment opportunities, especially in mining, transportation will be a factor. Pacific Gateway partners (Port Metro Vancouver, Port of Prince Rupert, CN, CP and BNSF) could possibly attend with MBL to provide further supporting information and demonstrate collaboration in the Pacific Gateway supply chain. MBL is collaborating with CP and Teck on an announcement in September 2011 regarding coal supply chain investments.
- BC Alumni Ambassador Reception – opportunity for MBL to meet with business community and provide information on Pacific Gateway Alliance and transportation linkages to business, tourism and education in Beijing (i.e., direct passenger and cargo flights between Vancouver and China, shipping routes, etc.)
-

Not Responsive

- **November 10** – Huiyong Holdings Group (HHG) is part of the cooperative enterprise Dehua International Mining Group – which is developing a number of mines including three in North Eastern BC: Murray River, Gething, and Bullmoose (all in the Tumbler Ridge area). MBL and Pacific Gateway partners CN and Prince Rupert Port Authority will provide transportation supply chain information, including future investment plans in north and north-eastern BC to support the development of these mines and encourage further investment.
- Xinwen Mining Group – MBL to provide transportation perspective and respond to transportation questions likely to arise regarding future investments. Pacific Gateway partners (Port Metro Vancouver, Prince Rupert Port Authority, CP, CN and BNSF) could potentially attend.
- Canada Mineral Investment Forum – MBL to attend, network and respond to questions regarding mining supply chain. Pacific Gateway partners (Port Metro Vancouver, Prince Rupert Port Authority, CN, CP and BNSF) could potentially attend to demonstrate collaboration in Pacific Gateway supply chain and provide information on infrastructure investments and performance.
- **November 11** – Indian Minister of Mines – MBL to provide transportation/Pacific Gateway information on mining supply chain, investments, performance, policy and collaboration of Pacific Gateway Alliance.
- Coal India Limited (CIL) - s13 – transportation will be a factor. MBL to provide information on BC's coal supply chain including

public and private sector investments, future infrastructure developments, performance and policy.

- BC Premier's Reception – MBL and potentially Pacific Gateway partners to attend and network with Indian business community and provide information on Pacific Gateway supply chain, infrastructure investments, and collaboration.
- **November 12** – Adani Group - MBL should attend to learn about Adani's opportunities/plans and their port infrastructure at Mundra in Gujarat. Opportunity to provide BC transportation overview and discuss about linkages/opportunities. If they are interested in investing in BC, transportation will be a consideration.
- Canada-India Business Forum Reception – opportunity for MBL to discuss transportation linkages to business between Canada and India (e.g., would like to see direct flights in the future, shipping routes and exports of western Canadian commodities going to Asia through Canada's Pacific Gateway – copper, potash, grains, pulse crops etc.)
- Dinner with Mumbai Merchants Chamber – learn about linkages between Vancouver and Mumbai businesses and provide transportation/Pacific Gateway perspective.
- **November 13** – Claris Life Sciences Group – discuss any transportation issues related to Claris' Monte Lake pellet manufacturing project.
- Remembrance Day festivities.
- World Economic Forum Dinner/Reception – transportation is a driver of economic growth and the backbone of industry. Opportunity to network with other government and private sector officials.
- **November 14** – opening of Mumbai Trade Investment Office
- Natural Resources Breakfast Roundtable – provide Pacific Gateway perspective and respond to transportation-related questions in the natural resource industries.
- Aditya Birla Group – Provide Pacific Gateway perspective in discussions about investment in BC in various industries.
- World Economic Forum – possibly attend sessions and promote BC transportation supply chain in discussions.
- Tata Group – Mumbai-based parent company of Tata Steel, world's 7th largest steel producer. Pacific Gateway Branch staff met with Tata Steel along with the Minister of State for Mining and MEM representatives in March 2011. Tata Steel is building a port in India and is interested in logistics of shipping BC coal to steel mills in India.
- Larsen & Toubro – MBL to discuss P3 opportunities in BC for India's largest engineering firm.
- Jet Airways – MBL to provide information and update on Pacific Gateway. YVR to attend with the Province to encourage direct service to YVR. Jet Airways is taking deliveries of 787s in the next few years.
- NDTV Profit and Indo-Canadian Magazine – potential for MBL to attend and provide Pacific Gateway perspective for discussions around trade.

Pacific Gateway Branch has identified a number of other transportation-related bilateral meetings/tours and opportunities in China and India for the Premier and a transportation delegation made up of the

Minister of Transportation and Infrastructure and related stakeholders. Past Pacific Gateway missions have included senior-level participation from Pacific Gateway Alliance partners: Port Metro Vancouver, Port of Prince Rupert, Vancouver International Airport Authority, Canadian Pacific Railway, Canadian National Railway and Burlington Northern Santa Fe Railway. Additional stakeholders to be considered for this mission are: ILWU (longshore workers) who have recently ratified a record 8-year collective agreement with the BCMEA, and bulk terminal operators for meetings with mining industry investors (Ridley Terminals, Westshore Terminals, Neptune Terminals).

CHINA

Guangzhou

- Guangzhou Port - bilateral meeting and tour of largest trading port in Southern China and sister-port to Port Metro Vancouver.
- Guangzhou airport – bilateral meeting and tour with sister airport to Vancouver International Airport and main hub of China Southern Airlines.

Hong Kong (175 km from Guangzhou)

- Hong Kong Port and River Trade Terminal meetings and tour – beneficial to see first-hand how logistics clusters are developed, and value-added ancillary services are attracted that add value to the economy. British Columbia could learn from Hong Kong's approach for developing infrastructure and logistics clusters.
- Hutchison Port Holdings (HPH), the world's leading port investor, developer and operator, is headquartered in Hong Kong. HPH operates 306 berths in 50 ports along with a number of transportation related services spanning 25 countries.
- ZIM - Israeli shipping line, operates a hub in Hong Kong, that serves Deltaport on two weekly routes.
- Orient Overseas International Ltd (OOIL) – Hong Kong based shipping company that currently serves Deltaport on two weekly routes.
- Hong Kong Air Cargo Terminals – largest air handling facility in the world and main hub of Cathay Pacific.
- Cathay Pacific currently flies cargo and passenger service from Vancouver to Hong Kong.
- Hong Kong Trade Development Council (HKTDC) Events:
 - November 23-26 - the Supply Chain and Logistics Association of Canada (SLC), along with the HKTDC and Hong Kong Economic and Trade Office in Canada is organizing a Canadian Supply Chain and Logistics Mission to Hong Kong, centred around the Asian Logistics and Maritime Conference on November 25.
 - The Asian Logistics and Maritime Conference, organized by the government of Hong Kong and the HKTDC is an opportunity to learn about trends in the Asian maritime and logistics industry and network with senior executives. There may be an opportunity for BC to have a speaking role at this event.

Shanghai

- China Eastern Airlines (Shanghai) with YVR – courtesy call – currently has regular passenger flights to YVR. The Pacific Gateway Alliance has met with China Southern Airlines a number of

times, including at the 2010 Olympics in Vancouver. The Ministry has a strong relationship with China Southern Airlines.

- China Shipping Company/ China Shipping Container Lines – among the top 10 largest container lines in the world – serves Port Metro Vancouver (Deltaport) on its weekly route. This will build on the relationship already developed through their business in Vancouver. In 2007 the Pacific Gateway Alliance met with China Shipping Company in Shanghai.
- Shanghai Port – tour of world's busiest container port and meeting with operator Shanghai International Port Group. The Pacific Gateway Alliance met with Shanghai Port Group in 2007.
- Port of Ningbo – Prince Rupert Port Authority has a friendship agreement with the Port of Ningbo (near Shanghai). The Ningbo Port Authority visited the Port of Prince Rupert and Prince Rupert could reciprocate the visit with a provincial delegation and advance trade ties.

Beijing

Air China – courtesy call with YVR. Currently has regular passenger flights to YVR. This meeting will build on the relationship already established through their business in Vancouver and past meetings with TRAN in Beijing and Vancouver.

INDIA

The Pacific Gateway Alliance has not previously focused on marketing or business development in India. A mission to India could provide an opportunity to open doors, build new relationships and explore what opportunity India has to offer.

Delhi

- Indian Government, Ministry of Shipping – recently announced \$7.6 billion in port expansion for seven ports by 2017 to accommodate the growth in trade. India plans to triple its merchandise exports to \$750 billion from \$225 billion in 2010.
- Transport Corporation of India – India's largest integrated supply chain and logistics service provider. (Based in Gurgaon, 30 km south of Delhi)
- Container Corporation (Concor), state-owned intermodal logistics provider, operates over 60 inland container terminals across the country.
- Air India – currently flies to Toronto but not Vancouver. YVR is not currently served by any Indian airlines but is interested in pursuing that market.

Mumbai

-

Not Responsive

- J M Baxi & Co - a large Indian shipping agency. The company's activities include ship brokering, chartering, stevedoring, clearing and forwarding, transportation of specialized cargo, project management, barge operations, and offshore support services. J.M. Baxi handles over 6,000 vessels per year at various Indian ports, and has 55 offices around the country. This will be a follow-up meeting to a meeting held between TRAN COO, Dave Byng and J M Baxi in June 2011. J M Baxi is interested in exporting coal and LNG from BC. Headquartered in Mumbai.

Subject: CN intersection with PCC - China visit

Henry,

I've spoken with Sean Goff, MD for CNs Asia operations based here in Shanghai, re: PCC visit and we are looking at various angles of how to leverage PCC presence + Ministers in market. As you know CN is a integral partner in BCs trade and transport with China.

Sean mentioned two possible links being

s13

s13

Kevin and I will work with CN here to identify areas and how to leverage PCC and Ministers and incorporate CN.

On your side we would like to know the best way to have a senior Canadian CN executive to be invited on one of the Ministerial led missions - my initial thoughts are invite from Transport- Lekstrom or Forests - Thomson and/or JTI-Bell due to lumber connections.

Sean is copied here and can give guidance on who we could invite from Canada - your thoughts on who should do outreach from our side.

Hi Fiona,

S22

I wanted to give you an update on company recruitment from my side. As you know, our invitation went out on Aug 16 and I've got 16 associations and companies signed up so far, details listed below. There should be more coming from Paddy Wong's group. So we are expecting a group of over 20 people at the show in Qingdao.

For the Guangzhou event, pls find attached a draft event proposal and invitee list for your info, pls note the time is still tentative which will be adjusted according to Premier's schedule. Brenda has confirmed that your Minister will not be travelling to Asia this time, but your DM might be. And we've scheduled a conference call next Tuesday with your team, so will have more discussions when you are back. – Cheers, Joy

Dear Henry,

I thought I would email you instead, as I tried to contact you via phone.

1. I have attached a copy of our company profile.
2. I have also attached a copy of a letter that is addressed to the Premier. I understand from Gordon, that you may be involved in co-ordinating or involved in the logistics of the Premier's upcoming Trade Mission to China. I thought that as part of her trip, she can cover the agri-food sector through our China platform. This would give great exposure for her as well as many of the BC Canadian companies as listed.

I am travelling to Hong Kong tonight, and returning on Thursday September 15th. In the interim, if you have any questions, please feel free to contact me via email.

Sincerely,

Patrick Lo, MBA

September 8th 2011

The Honourable Christy Clark
Premier of British Columbia
Box 9041
Station PROV GOVT
Victoria, BC
Canada

Dear Christy,

I understand from Stuart McLaughlin, CEO of Grouse Mountain and CEO of Whistler Water, that your trade mission to China has been set from November 4 – 11th tentatively. As part of your visit, I believe that you should consider a visiting an event held in Ningbo city. This is an opportunity for the Premier to help local BC businesses to sell their products and develop long term trade relationships between BC and China – in the foods and agri-foods business.

I will be leading an independent trade delegation of BC food producers and distributors to China in November – coinciding with the timing of the Premier Clark's proposed trade mission to China. We will be in Ningbo on November 18th 2011 meeting with Chinese business and political leaders.

Ningbo is two hours south of Shanghai, and is a major and rapidly growing centre of manufacturing. It is easily accessible by high-speed train, car or by plane. Currently, the U.S. supplies numerous food and agri-food products to the area. Our mission is to promote Canadian suppliers – and develop a growing market share in China for British Columbia's food exporters.

It would be a great help to the BC business firms on our trade mission if Premier Clark could participate in key trade exhibition meetings with us in Ningbo – meeting the Governor of Zhejiang province, as well as others in BC-China foreign trade and commerce.

We have high-profile attendees on our independent trade mission – including, so far, more than 15 key firms from BC – with the potential for 30+ food and agri-food BC firms to participate. Our preliminary attendees include Overwaitea; Western Rice; Freybe; Bunge Canola Oil and Whistler Water. Others could include important BC firms such as Sun-Rype; Mission Hill; Happy Planet and Brookside Foods.

This is the 3rd independent trade mission of its type that we have organised. Two previous missions have yielded significant purchase orders for BC food and agri-food products – and have helped create new business relationships between BC and China.

We have worked with the British Columbia office of Agri-Food Canada and the Canadian Embassy over last year including Mr. Henry Deng and Brian Bonnet from Shanghai, Faye Wu and Jeffery Lang at the Burnaby office. They can provide references. In addition, we have strong potential support from local business leaders in BC including Stuart McLaughlin, whom you know already.

My request is this. I would like to propose this event to Premier Clark's trade mission organisers.

If the Premier is willing to make the short side-trip to Ningbo on November 11th, I believe the 'wins' for BC and the Premier will include:

- An opportunity for the Premier *personally* to 'champion' and 'wave the flag' for this growing sector of BC's business economy.
- An opportunity to be seen *personally* to support entrepreneurial BC small and medium size businesses who are working hard to establish new markets abroad.
- An opportunity to help create sustainable jobs in this sector – within BC.
- The opportunity to gain increased BC voter support for the Premier from this sector. We estimate that there are over 3,100 small and medium sized firms in this sector in BC – directly employing in 2011 over 27,000 people, generating CD\$ 6.1 billion per year. Accordingly to the database of Agri-Canada, BC food processing sector is the third largest industry in BC.
- Minister Pat Bell has been, and continues to be, a wonderful ambassador throughout China for BC businesses including forestry. Forestry's success is vital. So too is BC's fast growing, and export-focused, food and agri-foods sector.

I attach a preliminary list of attendees, along with a list of others who have expressed interest in being with us to promote BC foods in Ningbo, China on November 11th. If Premier Clark could attend, the event could be a major commercial, political and media success for BC – as an adjunct part of the Premier's proposed trade mission. The event was originally scheduled for November 18th, alongside with the Shanghai Food and Beverage show. However, as I believe this trade mission may be important for all parties, I will try accommodate the event along with all the BC companies involved to your schedule between November 5th – 11th.

Yours Sincerely,

Patrick Lo

Keeping, Lynne F CSCD:EX

From: Bhullar, Barinder PREM:EX
Sent: Tuesday, September 13, 2011 5:54 PM
To: Ewert-Johns, Marcus JTI:EX
Cc: Han, Henry JTI:EX; Nicholas, Michael JTI:EX
Subject: RE: Application

Thanks Marcus,

Had a long chat here and ton of back and forth. And we need to state our sectors as..

1. Agriculture (Agrifood & Seafood)
2. Natural Resources (Forestry, Mining, oil & Gas)
3. Technology (Green Tech & Film Production)
4. Education
5. Transportation (Shipping & Airlines)

From: Ewert-Johns, Marcus JTI:EX

Subject: Application

Hi Barinder,

Why don't you use this to start with and tweak? Mike/Henry any comments? Let me know over night as Shom was to send up via Dana in the morning.

Marcus

The Premier is leading a Team BC trade mission to China and India in early November 2011.

The trip will focus on the theme of job creation for all regions of the province in sectors where BC has a strategic advantage to sell/market overseas and where the Province wants to attract foreign investment. Both country programs will be anchored against existing in-market trade and investment promotion activities, including a number of delegations.

Mining Delegation (Lead JTI, Janet Cho)

Will travel to China Mining exposition in Tianjin with events in Beijing and Hong Kong

Seafood Delegation (Lead JTI, Joy Shi)

Will travel to the China Seafood exposition in Qingdao and then to Guangzhou

Advanced Education Delegation (Lead AVED, Martin Young/Vincent Portal)

Will travel to both China and India

Forestry Delegation (Lead FII, Kevin Regan)

Will travel to China and then continue to Korea and Japan (tbc). [Some of the companies will go to India instead of North Asia]

China Community Delegation (Lead BC Guangdong Business Council, Fred Ma)

Will have about 80 business people in South China around the Guangdong International Cultural Festival

As your company or organization plays a key role in shaping the future economy of British Columbia, the Premier would welcome your participation in one of these delegations to showcase your business and advance provincial interests internationally. If you have any issues or upcoming successes that you wish to highlight during the mission, we would encourage you to share them with us.

Please note that participating as a member in one of the delegations will mean you will be responsible for your own travel and accommodation costs in China and India.

Dear Henry, Jason and Annette and Team,

Thank you so much for all of the work that you put into making Barkerville's participation in the Premier's trip to China a reality. The Barkerville Heritage Trust Board, and the staff here at Barkerville, have been very surprized and pleased and the amount of positive publicity, even here in the north, that has been generated by the mini-display and the signing. It was very inspiring!

It has also been very instructive for us to experience, on a small scale, many of the logistics that we will deal with when sending the larger exhibit. We can certainly appreciate all the work that your office does, attending to the many minute details that make an endeavour like this successful. Without your help and guidance it certainly would not have been possible!

Thank you, again!

Judy

Hello Kelly,

Thank you so much for all of your kind assistance with the invitation to the WEF Dinner on Sunday night Nov. 13, 2011. Also will Karn be receiving invitations to the meetings and events for delegates on Monday in Mumbai and Bangalore on Tuesday? I will forward your email onto Karn and advise him that he will be receiving an invitation to the dinner. Thanks again!

Warm regards,

Maureen

Hi Maureen,

I did check with Barinder and Karm should be receiving an invitation to the dinner shortly.

I have copied Edwina Ramirez on this – she is the Country Manager for Mumbai program and will be able to help him.

Hello Kelly,

Thank you for the information and the speed with which you sent this after your work day was done, I am sure.

I know we discussed that Karn would like to attend every event upon his arrival in Mumbai through to Bangalore.

It was my understanding that the public events schedule contained the all receptions, including the bollywood and investor functions. Please see email below that was sent from Barinder Bhullar stating Karn Manhas would like to attend all events. I am not sure if all the events are listed on the public shedule that you sent. Would you kindly confirm please? If not, would you please send?

Also, does Karn need to send an email outlining the specific events he would like to attend or does the email below suffice?

Thank you,
Maureen

Hi Maureen,

I am going to have to get some clarification from Barinder on the other events you were speaking about. Karm received invitations to some of the events that were not open to all business delegates.

WEF is definitely for the Premier only – will have talk with Barinder to get clarification on any others.

Good morning Kelly,

Can you please send this document via e-mail to all of the delegates that are attending the trade mission. I believe you have a master list. This can go out as a e-mail blast to all of them.

The message is simple: As a key member of the BC Jobs and Trade Mission 2011 we would like to share some facts with you on the sectors that will be a focus during this mission. This fact sheet will assist you during any networking opportunities you may have.

Would like to get this out ASAP, please let me know once it has gone out.

Thanks,
 B

Attachments: Sector elevator points - Trade mission - Nov 2V3 (2).docx; ATT00001.htm

Good morning Kelly,

Can you please send this document via e-mail to all of the delegates that are attending the trade mission. I believe you have a master list. This can go out as a e-mail blast to all of them.

The message is simple: As a key member of the BC Jobs and Trade Mission 2011 we would like to share some facts with you on the sectors that will be a focus during this mission. This fact sheet will assist you during any networking opportunities you may have.

Would like to get this out ASAP, please let me know once it has gone out.

Thanks,
 B

Sent: Monday, September 19, 2011 4:07 PM
Subject: China & India Trade Mission

Hello,

Premier Christy Clark is leading a Team BC trade mission to China and India in early November 2011.

The trip will focus on the theme of job creation for all regions of the Province in sectors where BC has a strategic advantage to sell/market overseas and where the Province wants to attract new investment. Both country programs will be anchored against existing in-market trade and investment promotion activities, including a number of delegations.

As your company or organization plays a key role in shaping the future economy of British Columbia, we would welcome your participation to showcase your business and advance provincial interests internationally. If you have any issues or upcoming successes that you wish to highlight during the mission, we would encourage you to share them with us.

The Province will stage corporate signing ceremonies in each city as required to profile the strength of B.C.-based businesses. There will also be a number of networking receptions to which invitations could be extended.

As someone who has shown an interest in participating we would be grateful if you could complete the attached form and send it to Barinder.Bhullar@gov.bc.ca or Fax: 604-775-1688 before Friday, September 30, 2011.

Please note that participating as a member in one of the delegations will mean you will be responsible for your own travel and accommodation costs in China and India.

Best Regards,
Barinder

Subject: RE: logistic issue

Hi,

Thank you for organizing the BC trade mission trip.

I have some questions and hope if you could answer:

1. Is there any contact person in this delegation after we depart? Can we register the hotel that we are staying at with you guys so that we can be contacted. My concern is that if there is any flight delay for the Premier and there is change of schedule. For example, for the event in the Golden Temple, if the Premier cannot arrive Amritsar as schedule, can we be informed?
2. We have received the invitation of Shanghai and Beijing. Can we have the addresses of other events? For example we need the full address of the High Commission Grounds in Delhi and the official residence of the Consul General in Chandigarh.
3. Are there other non-Government attendees from the delegation visiting the Golden Temple? I'm concerned about the logistic after departing from the Amritsar such as what to do with our luggage, and how do we meet your main group as the temple should be very big and crowded. Is there any arrangement to help individual delegation members to join the Premier to enter the temple?

Thank you for your kind assistance.

Subject: RE: BC Premier trade mission - industry specific events possibly?

Hi Barinder,

Thanks for your reply.

If I understand correctly, I believe the public events are the list of events that you have sent out on Oct 13. These events are general, mostly non-industry specific events.

I'd like to ask if there are other additional events that are specific to certain industries or associations that we could possibly attend. We'd be grateful if such favor could be arranged.

Best regards,
 Kenneth Chan

Subject: BC Premier trade mission - full list of events of other delegations wanted

Hi,

Can we know more about the time and date of activities attended by the delegations in other industries?

We believe our organization will be able to bring more Chinese and Indian buyers purchasing BC products and services in various sectors including forestry, mining, agriculture and education for long term.

Thank you for your information in advance.

Best regards,
Kenneth Chan

Subject: RE: Bangalore logistic issue

Hello,

Thank you Kelly for these valuable information. It's much appreciated.

From the information I gathered, attending the UBC India Office Opening in Banaglore on the 15th and then fly commercially to Amritsar to stay for the night is technically not possible.

I learned that the Premier is staying in Delhi for the evening and fly early next morning to Amritsar instead. I think this option is challenging for other participants because when we depart the Amritsar airport, we probably have to carry our own luggage and head straight to the Golden Temple. Also this option would require getting up at 4am probably, which may be too tiring for some mature participant in my group.

As a result, I propose my organization would skip the activity in Bangalore, stay one more night in Mumbai on the 14th instead, and fly to Amritsar for the night on the 15th. Please feel free to offer other suggestion that you may have.

Thanks for your hard work.

Best regards,
 Kenneth

Hi Kenneth,

We are not using any charter flights. Our group is flying to Bangalore late evening November 14th – flying to Delhi early evening November 15th and then flying to Amritsar early morning November 16th. They will be travelling via vehicles to Chandigarh that day as the Premier has a program.

If your group would like to overnight in Amritsar I can recommend the ISTA Hotel – originally we were going to stay there but the program changed.

Hello,

Please excuse the amount of questions that I've sent.

On the 15th at Bangalore, the event of UBC India Office Opening is from 11:45am-12:30pm.

I cannot find any commercial flight that departs Bangalore after 12:30pm and arrive Amritsar in time for the event next day.

Any suggestion? Is your group using a chartered flight?

Thank you.

Best regards,
 Kenneth

Subject: Re: Amritsar hotel arrangement

Hello,

I have an issue regarding the hotel of the last stop.

On the Public Event list, it shows the 16th is in Amritsar.

But on the hotel list from yesterday, the hotel in Amritsar has been removed, while the Chandigarh hotel is there.

I just learned that Amritsar and Chandigarh is 4 hours drive apart.

My question is where should we book the hotel for the two nights of 15th and 16th?

Is it the night of the 15th at Amritsar and the night of 16th at Chandigarh? If yes, is the hotel in Amritsar confirmed?

Also, regarding the logistic, after visiting the Golden Temple in Amritsar on the morning of 16th, is it expected that we go back to our hotel room to take our luggage and travel to Chandigarh for the evening? Do we have to book in advance for a flight during the day between the two cities or a bus can be arranged there?

Your help is much appreciated.

Best regards,
Kenneth

Amardeep, can you arrange an invitation be reissued to John Korenic at YVR? His schedule has changed and is now able to attend the reception.

Hi Kelly,

One other question, John received an invitation to attend a reception at the High Commission in Delhi which he believes was on the evening of Friday November 11. (please confirm)

initially he declined however with this revised schedule he will now be in Delhi and able to attend.
Do you have a contact which he can RSVP? Unfortunately he does not have the original email.

Thanks,
Janice

From: <momo@terramera.com>

Date: Tue, November 08, 2011 12:11 am

To: "Karn Manhas" <karn@terramera.com>

Hello again Kelly,

Just wanted to add some clarity to my previous email. Specifically Karn Manhas is interested in attendance at the World Urban Forum Dinner on Sunday night, as well as meetings and events on Monday in Mumbai, and Tuesday in Bangalore. The public list that you have forwarded does not make mention of the dinner or meetings/events in Mumbai and Bangalore. It is my understanding based upon our conversation, that once Mr. Manhas confirms his interest in attending dinners/events, he will receive the invitations. Thank you so much with all of your assistance on this. Look forward to hearing from you.

Warm regards,

Maureen

Sent: Saturday, October 29, 2011 03:30 PM
To: Bhullar, Barinder PREM:EX
Subject: Re: IMPORTANT Trade Mission Information

Hi Barinder,

S22

I called the Indian Consulate yesterday and confirmed that my visa is in place. I gave the go ahead to my travel agent and I am booked to be in all the Trade Mission cities to match the schedule from November 6 up until November 16 when I will head to London.

Beyond the public events you have circulated are there other events or meetings I can attend?

Do you need anything more from me other than what I submitted on October 7? My organization was not listed in the most recent press release of 120 companies. It's best I be listed as Chair and CEO of BCRSTN (BC Regional Science and Technology Network).

Are there any additional background documents?

I saw this map listing the themes for each day/location and I'm very interested in all items related to technology and education: <http://www.flickr.com/photos/bcgovphotos/6286876723/sizes/l/in/set-72157626267918620/>

I'm sure you have a great deal on your plate. I don't want to add to the pile but I want to make sure I am maximizing my time while on the mission. If I should be contacting somebody else, please advise.

All the best,
 Dan

Subject: Trade Mission Information

Hello,

Thank you for your interest in attending Premier Christy Clark's trade mission to Asia. Attached and below you will find important information regarding public events, hotels and visa applications.

Please reply back and provide your full name and indicate which event you would like to attend. Please RSVP for event by Wednesday October 19th, 2011.

Please note that all participants must arrange their own travel and accommodations along with obtaining your own travel visas. The attached public events sheet will give you times and city locations. Participants travel at their own risk and should be covered by adequate insurance. While participating in the Mission, all participants will conduct themselves in a professional manner and adhere to the laws, ethics and business practices of Canada and all respect the laws and customs of the countries visited. Participants recognize that the Government may cancel a mission, or a portion thereof, or the participation of any company at any time.

Participants agree to save the Government harmless from liability for any illness, injury, damage or loss of property connected with participation in the Mission or in the event of any cancellations.

Visa Instructions – China and India

China: (See attached application form)

The following documents should be submitted when applying for Chinese visas:

- Passport valid at least for 6 months, with at least 2 blank pages, and in good condition;
- Completed visa application form (attached)
- A recent 2" X 2" passport-size / style photo.

India:

The Government of India has introduced a new on-line visa application system. All visa applicants are required to go to the link <http://indianvisaonline.gov.in/visa/> and fill in the on-line visa form. After completing the visa application, please print the form out.

- Attach a 2" X 2" passport-style photo.

Regards,

Barinder.

Dear Ms. Richardson

Thank you for the email. I am actively involved in Indian Trade and Business.

Listed below are some of my main activities and partnerships in India:

I am the President of Guru Nanak Mission Awareness Society of BC. We are in the process of building a 100 bed hospital in Jalandhar Punjab.

I am a Partner of Sant Baba Singh Institute of Engineering and Technology. Their mission is to develop highly employable professionals and entrepreneurs and set them up for success, in the competitive global environment of the 21st Century.

I am involved with the film industry in Mumbai. We have a company called Elegant Films Ltd., Currently working on a Punjabi film, which will be released next year.

I am in the processing of exporting coal from B.C to Vendanta Resources a subsidiary of Hindustan Zinc Ltd. Vendanta Resources is a global mining and metals company headquartered in London, UK. It is the largest mining and non-ferrous metals company in India.

Its main products are copper, zinc, aluminium lead and iron ore. It is also developing commercial power stations in Orissa and Punjab. You can visit their website at <http://www.vedantaresources.com/> and <http://www.hzlindia.com/>

Currently working with Uniphos Agro Industries, a company experienced in doing world wide trade, specializing in making products to suit the customer's needs. You can visit their website at <http://www.uniphosagroindustries.com>

Involved in building residential units for Pearls Infrastructure Projects Ltds. It is a company that provides real estate development services in India. Its portfolio includes townships, residential apartments, shopping malls, and commercial complexes. The company was incorporated in 2005 and is based in New Delhi, India.

Some of his work includes hosting an annual Mega Eye Operation Camp by Lions Club in Adampur Doaba in Punjab, India for impoverished elderly people.

Lenses are changed for people with cataract on an annual basis.

Partnerships

1. Elegant Films Ltd.
2. Sant Baba Bhag Singh Institute of Engineering and Technology
3. Guru Nanak Mission Awareness Society.

If you have any questions, please contact us.

Thanks,

Jay Minhas

Dear Mr. Minhas:

Thank you for expressing your interest in the Team BC trade mission. In reviewing your application, we would like to clarify several questions. Can you please provide the following information to assist us in reviewing your application. With respect to any development activities you have in India can you please provide the following:

- Please provide details on type, volume and value of your activity in India
- What kind of partnerships do you currently have established in India (industry, total value, time line)
- What number of projects have been completed to date in India

We look forward to hearing from you. Please let us know if you have any question.

Kind regards,
Irina

Subject: China & India Trade Mission

Hello,

Premier Christy Clark is leading a Team BC trade mission to China and India in early November 2011.

The trip will focus on the theme of job creation for all regions of the Province in sectors where BC has a strategic advantage to sell/market overseas and where the Province wants to attract new investment. Both country programs will be anchored against existing in-market trade and investment promotion activities, including a number of delegations.

As your company or organization plays a key role in shaping the future economy of British Columbia, we would welcome your participation to showcase your business and advance provincial interests internationally. If you have any issues or upcoming successes that you wish to highlight during the mission, we would encourage you to share them with us.

The Province will stage corporate signing ceremonies in each city as required to profile the strength of B.C.-based businesses. There will also be a number of networking receptions to which invitations could be extended.

As someone who has shown an interest in participating we would be grateful if you could complete the attached form and send it to Barinder.Bhullar@gov.bc.ca or Fax: 604-775-1688 before Friday, September 30, 2011.

Please note that participating as a member in one of the delegations will mean you will be responsible for your own travel and accommodation costs in China and India.

Best Regards,
Barinder

Attachments: Stakeholder Contact List (template).xlsx

Hi Team,

Apparently we need to have the stakeholder contact list ready by Tuesday noon. Will have to seek input from sector leads/members to pull this together.

I realize that the Accelerate BC sectors are not necessarily the same as IRBD's sector definitions, below is what I can figure out for now. We are looking for senior executive for each organization, i.e. presidents, chairman, CEOs etc, key partners and/or client groups that you work with in your sector practice, grateful if you could pitch in as much as possible.

Agri-foods – Janet Cho & Joy Shi
 Mining – Richard & Jason
 Natural Gas – Richard & Jason
 Technology – Paul, Edwina, SooKyung, Raymond, Nina, Amardeep, Edwina, Amrinder
 Ports, Marine & Aviation – Michael & Rob
 Forestry – FII
 Tourism - ??
 International Education - ??
 Bilateral/Multilateral business associations – all country/region managers

Attached pls find the template for the master list. Please send your sector list to me and cc Akiko by end of day Monday, feel free to give me a call should you wish to discuss this any further.

Nice weekend to you all. - Cheers, Joy

Subject: ACTION: Stakeholders/Contacts for Premier's trip
Importance: High

Joy,

- 1) Can you please take the lead on building a contact list of stakeholders. We need to send an email to the heads of the various industry associations, presidents of universities, big corporations that are active internationally, etc. to advise them of the Premier's trip. We are looking for contacts in all the key sectors of Accelerate BC

Agri-Foods	(?)
Forestry	FII will handle this sector
Mining	AMEBC, MABC, Teck
Natural Gas	?, Kitimat
Tourism	
Technology	BCTIA, DigiBC, Globe, Ballard, West Port, companies that have been on recent
missions to China/India, etc	
International Education	UBC, SFU, School Boards
Ports, Marine & Aviation	YVR, YXS, Port of Prince Rupert, Port Metro Vancouver, etc.

Once the email goes out Dana would like her, or other DM's, to follow-up by phone or face-to-face. The goal is to determine if these organizations have any projects that would benefit from the Premier's trip or if they would potentially be interested in being part of the trade delegation.

Amrinder,

- 2) Can you please confer with all the IBDMs to identify their working level contacts within each ministry (i.e who do we talk to in EMPR on mining files, who is our main contact on education projects?). DM wants a list to know who staff talk to and which ADM these staff report to.

Need to submit to DM by end of day Tuesday so please have to me/Jennifer by Tuesday noon.

Thanks,
Marcus

Thanks Marcus. You can proceed. Emails should come from your group. Sorry for the delay.

Dana Hayden
 Deputy Minister,
 Ministry of Jobs, Tourism and Innovation

On 2011-08-11, at 4:55 PM, "Ewert-Johns, Marcus JTI:EX" <Marcus.Johns@gov.bc.ca> wrote:

Hi Dana,

You are correct. The earlier list was missing tourism groups. Grant's team has asked if they could give feedback early next week as most of their group is away and they would like to have comfort in what is submitted.

We've added a few additional names in other sectors. Historically we've communicated with stakeholders incrementally. This list could be used to email the first batch of stakeholders. While the first round of stakeholder calls are occurring we could do a second batch email (by next Wednesday). This would allow the people who are still on vacation a few extra days to get back to us.

Are you okay if we proceed in this fashion?

Marcus

Marcus

The external stakeholder list is not complete. There are key sector groups missing . for example, for tourism there's nobody from TIABC or other groups. Can you review the list against the sectors that we'd be promoting to make sure that for each of the sectors is represented. Thanks

Dana Hayden

Subject: Feedback from DM required: Premier's mission - Stakeholders/Partners
Importance: High

Hi Dana,

Last Friday you had asked for a list of stakeholders for you to communicate with regarding the Premier's Nov. mission. A preliminary list of stakeholders is attached that includes heads of key companies recently active in Asia as well as heads of key institutions and organizations in the sectors of focus. Major associations are also included who can engage with their membership.

Using the draft below FII circulated an email yesterday to forestry companies. We would like to send out a similar message by the end of the week (Salesforce, our CRM software, could send it so it appears to come from you). We'd be grateful for your feedback on the stakeholder list as well as your input on the draft message text. You had indicated that you wanted to undertake follow-up calls after the email or potentially assign them to other DMs or ADMs.

In addition, you requested a list of working level contacts staff have been in touch with regarding Premier trips (attached). These are essentially the people in the other ministries whom the branch is now having conference calls with as follow-up to the message you sent to DMs on August 4th.

If your schedule would allow us to receive your feedback by end of day tomorrow we could action the next stage Friday morning so calls could begin Monday.

Marcus

To: Hayden, Dana JTI:EX
Cc: XT:Baker, Ken CASE:IN
Subject: Premier's mission drafts 1) Email to Stakeholders 2) Letter to DFAIT

Hi Dana,

- 1) Attached is draft text that we could send out to stakeholders. I wasn't sure how you would want to close the email i.e. would you call every stakeholder or would you assign some to ADMs? Either way we could tweak each message on your direction. Historically associations have struggled to engage their membership though we should make that call to action.

I've asked the team to pull together a list of all appropriate stakeholders (Associations, companies that have participated in recent trade missions or are working on international projects).

- 2) Also attached for comment is the draft letter that we would send to DFAIT in Ottawa. It is basically a formality to start the process with their department so they will block us in the business plan and allocate leads for the project at each stop.

I'll send a revised program shortly.

Marcus

Subject: RE: Follow-up From Province of B.C.

We have gone out to stakeholders with the dates. However you should always add the caveat the dates and stops can shift (at least until the tickets are booked) but it will be AVEDs program to build and run. JTI will be involved on the elements where we weave in the Premier for both China and India programs. Offices will be inundated with Premier specific programming so AVED may wish to contract out local logistic service providers as support from DFAIT in China will be minimal given impending PM Harper Trip to China.

Subject: RE: Mission to Asia

Hi Richard,

Thanks for opportunity to input to the invitee list for tourism folks to join PO's mission to Asia. Here is a list for consideration.

Note – this list has not been prioritized, it is in random order.

We will be happy to narrow and/or prioritize this as required. Clarification on a couple of points would be helpful in order to do this:

- Are these organizations responsible for their own costs to participate? This will be a factor for many of them, especially in light of the fact that BC's key tourism industry businesses will have just returned from our major fall tourism industry event in Asia, which takes place in October.
- Clarification of the objectives of the mission.
 - Industry associations would be fine if visibility, information and education is the priority.
 - If the intent is to put businesses together with potential clients such as tour operators, we would be better to focus on private sector participants. (Keeping in mind once again that our key business meeting event will have just been completed)

Here's our list for a start:

1. TIABC – Lana Denoni, Chair
2. BC & Yukon Hotels Association – James Chase, CEO
3. Canadian Inbound Tourism Association, Asia Pacific – Albert Tseng, President
4. Vancouver Hotel Association – Jean Luc Barone, Chair

5. Vancouver Airport Authority – Larry Berg, President & CEO
6. Tourism Vancouver – Rick Antonson, President & CEO
7. Tourism Victoria – Rob Gialloreto, President & CEO
8. Tourism Whistler – Barrett Fisher, President & CEO
9. Tourism Richmond – Lorenzo Lepore, President
10. Whistler Blackcomb – Dave Brownlie, CEO
11. Capilano Suspension Bridge – Nancy Stibbard, President
12. Grouse Mountain – Stuart McLaughlin, President
13. The Butchart Gardens – Dave Cowan, General Manager
14. Fairmont Hotels – Mark Andrew, Regional VP
15. Delta Hotels – Gordon Johnson, Regional VP
16. Coast Hotels & Resorts – Craig Norris-Jones, VP
17. Sandman Hotels – Tom Gaglardi, Chairman & CEO
18. Big White Silver Star – Michael J Ballingall, Vice President Marketing & Resort Services
19. Aboriginal Tourism Association of BC – Keith Henry, CEO

Please let us know if you require anything further; we look forward to working with you to make the tourism component of Premier's mission a success.

Regards,
Cindy

Subject: Premier's November mission to Asia

Ref: 62303

Dear Andy:

I am writing to advise you of that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your company plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
 Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
 Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Ref: 62303

Dear David:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your organization plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your faculty members may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
 Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
 Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

**Please note that dates and city order could shift.*

Your company plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
 Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
 Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Dear Steve:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Subject: Premier's November mission to Asia

Ref: 62303

Dear Mr. Lang:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your company plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
 Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
 Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Subject: Premier's November mission to Asia

Ref: 62303

Dear Ab:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your organization plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
 Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
 Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your organization plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
 Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
 Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Marcus,

Thank you for the email and the information about the Premier's mission. S22 but I will be taking the lead on arranging his trip to Asia. Subject to his approval, we are planning engagements for him in Hong Kong and India and look forward to the opportunity to work with your team.

Philip Steenkamp

Dear John:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your organization plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China

Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania

Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Dear Marcus:

Thank you kindly for the heads-up. We will be pleased to support the Premier's mission.

S22 and hope to intersect with the Mission in some of the locations.

I'll consult with my colleagues and will get back to you and Henry and Michael with any ideas for the Premier's agenda.

Look forward to working with you and your team.

Best regards,

Pau

Hi Marcus

Thanks for the head's up about the mission and the opportunity to be involved in the planning.

We would certainly be happy to contribute to the planning process and would be interested in understanding the key tourism objectives that are being explored in any of these markets.

As you may know, China and India are both emerging markets for Vancouver. Complementing the province's initiatives in all markets is an important part of our strategy but at the same time elevating Vancouver's profile in the market among trade professionals who can drive volume to our province is critical.

Demand from China, in particular, is expected to grow significantly in the near term and that is why we have increased our investment and level of activity in the market. To that end we are launching the Chinese version of the Vancouver Specialist Program in October – an online training program to certify travel agents who are passionate about selling Vancouver. We are also signing an official memorandum of understanding between Tourism Vancouver and Tourism Shanghai which is expected to expedite the flow of visitors to one another's cities and the sharing of best practices.

October is also the month when the Canadian Tourism Commission hosts Showcase in Korea which is an opportunity for us to meet with trade professionals from Korea, Japan, India and China for one to one appointments and to discuss business opportunities.

I'd be interested in exploring with you how we build on any of these, or other initiatives, to provide opportunities for the Premier's delegation in November.

My suggestion is that as both Michael and Henry proceed with their plans that they please contact me so that we could be involved in a manner appropriate to supporting this initiative where possible.

All the best.

Dear Vivek:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your organization plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
 Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
 Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Marcus, thanks so much for the kind note. I will canvass our BC members to see if any of them have particular needs in relation to the planned trip to China and Southeast Asia and we'll report their views through to you.

China is an important area of hydrogen and fuel cell development, and we do have good relations with key PRC institutions involved in hydrogen and fuel cells, but I am less familiar with company interests in the area (Ballard etc.) but we'll ask around.

Dear Mr. Ewert-Johns,

Thank you for the kind invitation, but due to other existing initiatives and travel commitments in China and India, we regret UVic will not be in a position to participate in this mission. We are pleased that the Premier will be raising the visibility of British Columbia in China and India, as doing so will surely enhance the climate for all BC institutions. We very much appreciate the invitation, and send best wishes to all members of the mission for a successful and productive trip.

All the best,

Dave

Thank you Marcus – we are indeed very interested in the Premiers upcoming trip. As you know GLOBE 2012 is coming up in March and both China and India are key participants. For the first time ever China has organized a national pavilion at GLOBE . Traditionally they send major delegations but for 2012 they have also taken a Pavilion on the trade show floor. This is a major step forward and a demonstration of their interest in clean technology.

We would of course like to see a similar interest from India.

As always we are looking to promote Vancouver and BC as a clean tech hub ; a place to come to, to get the latest in thinking on sustainability, clean technology and the development of a green economy. To this end our consulting company GLOBE Advisors has been doing a substantial amount of work on the green economy and job creation, ideas that we can share with the world.

Henry, Michael , would be happy to chat anytime and help out where we can.

Cheers

John

**Please note that dates and city order could shift.*

Your company plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Dear Scott:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Subject: Re: Premier's November mission to Asia

Hello Marcus,

Thank you for this email. I appreciate you contacting me about this exciting initiative. I would like to contribute something meaningful. I realize that we are involved in various aspects of the resource-based industries here in the north. We are also The university in the north. While I can supply information such as I paste below and supply the equivalent information from our research side I have to ask, is this the most helpful we can be? I somehow think we can do better. To that end I hope I might have a telephone conversation with you to ask further details on the mission. I'll ask Anne to set this up, if acceptable to you. Will there be an education-based delegation? Past Premier-led missions have had such delegations, which I understand have been rewarding for the participants.

Being strategic about how researchers in specific industries might be targeted and engaged through our faculty and staff, or how we can increase well-qualified international students would lead us to the best tactics to accomplish this.

I look forward to our discussion.

Sincerely,
 George

George Iwama
 President and Vice-Chancellor
 University of Northern British Columbia

Current Partners & Initiatives:

- > Hebei University, Baoding, China - student exchange only, delegation
 > visiting UNBC in September 2012
- > Kunming University of Science and Technology, Kunming, China -
 > student exchange only
- > Wenzhou University, Wenzhou, China - student exchange, joint degree in NRES Graduate Program under development, faculty member from Wenzhou University visiting UNBC for a year beginning August 2011.
- > Wuyi University, Wuyi, China - general agreement of cooperation,
 > delegation visiting UNBC to discuss further partnership opportunities
 > in September 2012
- > No partnerships currently in India
- > Dean Ryan and Dean Young have had initial conversations with my office in regards to developing partnerships to recruit students from both India and China to under-subscribed UNBC programs (Economics, International Studies, Math, CPSC, Chemistry, Physics). We have

discussed ideas regarding the use of international recruitment agencies. I anticipate more discussion and the development of a proposal for review by PEC in the September semester.

Past Programs:

Faculty Language Development Programs:

- > Offered in partnership with UNBC and Hebei University and Kunming University of Science and Technology (2003-2007). Administered by Director, International Operations.
- > Faculty from both institutions attended UNBC for a semester to build language abilities in their specific discipline.
- > Total of 117 Chinese faculty (77 from Hebei and 40 from Kunming) participated in the program.

Recruitment activities:

- > Fall 2011 - will participate in the Maple Leaf Education Systems fair circuit (Dalian, Wuhan, Tianjin) in November 2011. In addition, will visit other Canadian curriculum high schools (Shanghai, Jiaying) to recruit students.
- > Fall 2011 - will participate in International Baccalaureate fair in Hong Kong.
- > Previously attended Maple Leaf Fairs, completed high school visits,
- > attended recruitment fairs in Beijing and Shanghai

Hi, Shom

Delightful to chat with you at the Wavefront event last Wednesday, and we do appreciate your on-going support!! You mentioned the Premier's missions to China and India, and I wondered when they are and if it makes sense on both sides for me to participate? As I mentioned, we do have scientific contacts in both countries, but not under the traditional "trade" banner.

Can you put me in touch with the right contact?

Many thanks!

Alan

Colleagues

MJTI and IGR are organizing the Premier's mission to India and China planned for November this year.

I would like to ask for your assistance in identifying opportunities for the Premier's mission specific to China or India that would advance the objectives of:

- **creating jobs in BC** in sectors where BC has a strategic advantage;
 - **Building awareness** of British Columbia as Canada's Pacific Gateway; and,
 - **Building Relationships and Connections** with key influencers/leaders in both business and government.

Many of you are working on initiatives or are aware of business activities that would be useful to either highlight or be aware of as we plan the Premier's mission.

Attached is a brief overview of the proposed mission. Can you please provide me and Pierrette any information you may be aware of that would assist in planning the Premier's mission.

Thanks very much

Dana Hayden

Dear Marcus,

Many thanks for informing us about Premier's November mission to Asia and thank you for including us – the Hong Kong-Canada Business Association in the planning process of this mission. We are certainly delighted to learn this news and it is indeed our honour if we can be of any assistance.

Dear Henry and Michael,

It is certainly our great pleasure to be involved in the planning process of this mission, and will certainly be more than happy to circulate any highlights or announcement featuring the Premier's visit to our members in Canada and Hong Kong/China. And yes please keep us posted on more details as our key executives would like to participate in this November mission as well.

Meanwhile, I would also like to take the liberty of introducing you our two "Hong Kong Family" affiliates (who are also being cc here on this email) – the Hong Kong Economic & Trade Office (Canada) and also the Canadian Chamber of Commerce in Hong Kong who can also be of great help and contribute to the planning process of this mission. Below please find their detailed contact information:

Hong Kong Economic & Trade Office (Canada), HKSAR Government

Subject: RE: Premier's November mission to Asia

Dear Marcus,

Further to Robin Silvester's e-mail to you, I wanted to follow-up with regard to the Premier's mission.

My colleague Katherine Bamford (copied above, direct line S22) has already been in communication with your Minister's office about the potential for Robin to take part in a portion of the itinerary, as the Premier's schedule overlaps with one of our own Asia trips this fall. As part of that discussion, the Minister's office also asked for us to provide them with some of the opportunities you are asking for below, so we have committed to provide them with that material shortly. I have asked Katherine to ensure your office is copied on the material so that everyone is receiving the same information.

On a separate note, the Premier's trip came up in a recent discussion I was having with Ken Dobell. s13
 during the India portion of
 the trip. I will pass on your contact information to Ken, but should you like to contact him directly his e-mail address is
 S22

Regards,

Duncan

Subject: Premier's November mission to Asia

Ref: 62303

Dear Robin:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your organization plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Hi Marcus,

Please find the attached list in response to JTI request for potential delegates for the November China/India mission. This list reflects what we have heard to date from our institutions. Please note this is not a confirmed list, but rather expressed interest in joining the Premier. Many have expressed in interest in China vs India or in the inverse. Further, we have had numerous requests for the broader agenda in order for them to ascertain whether there are other linkages etc or in order to inform their decisions. Not sure whether that is something that can be shared at this time?

I should also note that we are working with our K-12 colleagues and there may some be some interested delegates from that sector, but nothing is yet confirmed.

We will be sending a list of potential education events or ideas to build on the existing educational components by end of day Friday.

Please let me know if you have any questions.

Thanks,
Kelly

Subject: FW: RUSH REQUEST - Forestry Delegation
Attachments: PremiersMission2011_FII RSVP List.xlsx

Hi Marcus

This is the material that I received from Kevin last night. Only the companies highlighted in "green" are confirmed. Although he says there are 20 companies, there were companies that were the same but listed twice as it has different people going from the same company. He says that that he may have another 5 or 6 that they are working on.

I thought the full list might be of interest.

Elaine

Subject: RE: RUSH: 2011 PCC Screening.docx

Hi Marcus,

We have provided three options for consideration:

Version 1: Recommends using the Premier's Office Letterhead for the letter, and attaching the form.

2011PCCScreenin
g_FORM_V1.docx

Version 2: Recommends external brand on the letter with visuals representing mission sectors and branding only the form.

2011PCCScreenin
g_FORM_V2.docx

Version 3: Recommends Branded with external brand on both the letter and the form.

2011PCCScreenin
g_FORM_V3.docx

Please let us know how you would like to proceed.

Thanks
Lynette

Hi Lynette,

Do you have some time to help these guys create a nice looking form? It is kind of urgent as they want to start sending out to people who are interested in joining the Premier's trip as part of a filtering mechanism. PO is pushing hard to have this.

Grateful if you could lend your talents. If not please let us know.

Thanks,
Marcus

Canada's
Pacific Gateway

The Premier is leading a Team BC trade mission to China and India in early November 2011.

The trip will focus on the theme of job creation for all regions of the Province in sectors where BC has a strategic advantage to sell/market overseas and where the Province wants to attract foreign investment. Both country programs will be anchored against existing in-market trade and investment promotion activities, including a number of delegations.

As your company or organization plays a key role in shaping the future economy of British Columbia, the Premier would welcome your participation to showcase your business and advance provincial interests internationally. If you have any issues or upcoming successes that you wish to highlight during the mission, we would encourage you to share them with us.

The Province will stage corporate signing ceremonies in each city as required to profile the strength of B.C.-based businesses. There will also be a number of networking receptions to which invitations could be extended.

As someone who has shown an interest in participating we would be grateful if you could complete the following form and send it to Barinder.Bhullar@gov.bc.ca or Fax: 250-387-0087 before Friday, September 30, 2011.

Please note that participating as a member in one of the delegations will mean you will be responsible for your own travel and accommodation costs in China and India.

Best regards,

Kelly, just noticed this email from you – got lost in the blizzard of emails on the trip! I'm not sure that BCIC falls within the education delegation. Our focus is on international education – establishing links with institutions in China and India, and promoting BC as a place consider for students who want to study abroad. I suspect BCIC is more interested in research and technology. Is there a better 'home' for them?

Ingrid, attached is PRELIMINARY messaging that you can send to CAPP.

It would be helpful to know if Minister Coleman is joining as that would be of interest to CAPP members. Any word from Ms. Koncohrada?

Anything else you think we should add at this time?

Cheers,

Richard

British Columbia Premier's November Mission to Asia

The Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

The oil and gas sector plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. Companies may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in "opening doors" to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. They may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Naomi and Pat
Dear Ministers:

I am writing regarding the Premier's planned visit to China and India and in light of your respective ministries' role in organizing this mission.

The choice and timing of China and India for Premier Clark's first major international mission is very welcome. This month, the University of British Columbia will be presenting a new international strategic plan for the next 3 to 5 years, which specifically identifies China and India as priority countries. The landscape for higher education and research is moving very rapidly in both countries and it is particularly timely for BC's research universities to ensure strong positioning to develop strategic partnerships and visibility in both jurisdictions.

UBC is keen to support the provincial government's mission and I look forward to joining the Premier in Delhi on Friday 11th November and Saturday 12th November and in Bangalore on Monday 14th November and Tuesday 15th November, and possibly Chandigarh on 16th November. Previous commitments prevent me from joining the Premier for the China portion of the mission but John Hepburn, UBC's Vice President Research & International, is available for the Shanghai and Beijing portions of the trip.

UBC has coordinated with Advanced Education staff regarding suggestions but I thought it would be useful to share with you several highlights of potential events for the upcoming trip.

While in India, the University will be opening the UBC India Office, which will have a presence in Bangalore and in Delhi. The Bangalore centre is more established as it is located at the BC Trade Office. The opening is a milestone in the University's work in India and the Premier's participation in the opening ceremony would underscore this significance. An opening ceremony will be held at the Bangalore office on Tuesday 15th November; please see the attached draft schedule for times. An announcement about the office could also be made in Delhi.

In Bangalore I could also arrange for the Premier to preside over a signing ceremony between the Sauder School of Business and the Indian Institute of Management – Bangalore. Currently it is ranked as the leading business school in India; this would be a prestigious opportunity for a signing if the Premier is available.

UBC's School of Nursing has had active partnerships in India since 1998, and this fall it will be cementing a very significant new partnership with the Baba Farid University of Health Sciences, which is located in Fardikot in the Punjab. I can arrange for the Premier to preside over a ceremony marking this partnership in Chandigarh, if she is available. Baba Farid University oversees all health sciences colleges in the Punjab and so UBC's new partnership will have a significant impact in the region. UBC's partnership aims to build capacity in the nursing profession in India by providing professional development to nursing faculty and graduate students in India. The program is funded in part by the Canada-India Education Society and the Canada India Foundation.

UBC has a strong network of partners in China as you are aware and we also have connections with government. I would be happy to share contacts and facilitate connections with senior Chinese officials in Beijing and elsewhere, if you wish.

Although it is not presently on the itinerary, I would like to suggest that you include a side trip to Chongqing during the Premier's time in China. UBC is establishing a Joint Centre for Translational Medical Research in Child Development and Alzheimer's Disease with the Chongqing Medical University. The Children's Hospital is the best in China and the largest in the world for sick kids. The Children's Hospital is contributing RMB 25 million (approximately CAD\$4.5million) to the Centre and the partnership receives additional direct funding from China via the Chongqing Science and Technology Commission of CAD \$1 million. The Joint Centre will be a key international research collaboration base in China supporting a wide- ranging network of Chinese and Canadian medical researchers and clinical scientists. If the Premier were to visit, she could preside over an opening ceremony of the child development centre in the Children's Hospital

Not Responsive

Not Responsive

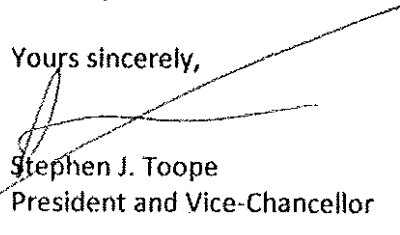

This would fit well with her "family first" priority and connect with an increasingly prosperous and mobile section of the Chinese population.

UBC has good connections with alumni in China and emerging networks in India. Last year, UBC held very successful events for UBC alumni in Hong Kong, Shanghai and Beijing. The University would be happy to arrange for UBC alumni to participate in any of the Premier's events in India and in China.

Helen Pennant, UBC's Executive Director International, is UBC's point person in coordinating the University's participation in this visit. Please feel free to have staff contact Helen should you wish to pursue any of these suggestions, or if you have any questions or requests regarding the mission. Helen can be reached by email at helen.pennant@ubc.ca or by telephone at 604-822-0099.

I hope this is helpful and I look forward to traveling with you both on this exciting and important mission for the province.

Yours sincerely,

Stephen J. Toope
President and Vice-Chancellor

Encl (1) Draft schedule of UBC events in India

Draft schedule of UBC events in India

- 1) UBC India office: opening / announcement of opening
 - Bangalore: morning or lunchtime of 15th November
 - Delhi: 11th or 12th November, time to be confirmed
- 2) Signing ceremony between the Sauder School of Business and the Indian Institute of Management - Bangalore
 - Bangalore: 15th November, time to be confirmed
- 3) Signing ceremony between UBC School of Nursing and Baba Farid University of Health Sciences
 - Chandigarh: morning of 16th November

Hi Shom,

We need to find a process to manage this (or at least respect the process Barinder is running). There is relatively little information here to go on and in some cases no contact info.

Barinder is also now inviting me, Henry and Mike to meet with everyone that contacts them to explain the mission and listen to their pitch. Needless to say this will consume even more time.

Can we start drawing in help from others in the division?

Thanks,
 Marcus

Ever since Premier Christy Clark has announced that she will be visiting China and India in November 2011 and British Columbians are welcome to join her, many have expressed interest.

There are sectoral delegations, such as forest and mining, being organized but no general delegation yet for the Chinese Canadian business sector.

Some BC Chinese Canadian business associations will meet this Wednesday to explore the opportunity to form a BC Chinese Canadian Entrepreneur Delegation to participate in some of the activities in China with the Premier. You are welcome to join the discussion.

Date: September 21, 2011 (Wednesday)
 Time: 3:00pm to 4:30pm
 Venue: Suite 1700 - 800 Robson Street (Lower Plaza Level), Vancouver

Subject: REQUEST: Trade Trip to China

Hi Marcus,

I had a request yesterday from Mayor and Council , City of Campbell River . They wanted me to ask if there are openings for 1-2 councillors to attend the trade trip to China or if it was restricted to invitees? Was there any costs associated with the trip aside from travel costs?

They are trying to raise the profile of the old Catalyst site as place that is ideal for forestry, aquaculture and environmental businesses. Catalyst supports this initiative and has met with our Minister about it.

Hi Marcus,

Do you have any info on the forestry delegation?

Forestry would be their first sector of choice. They have a prepared investment report (ie identifying investment opportunities in Campbell River) regarding the forestry sector and the old Catalyst site (attached).

Thank-you

Khris

Not directly as yet. We did send an invitation/notification a number of weeks back to the First Nations Forestry Council, but did not get a response. There has not been any FN element to the China market program to-date, so have had more involvement from the trade unions. The only forestry-related FN angle in the program so far is the Coast Tsimshian Resources event in Beijing that JTI is handling. FII has not been involved with Coast Tsimshian in their China efforts as we are not mandated to engage in log exports.

Subject: re: Meeting with Chinese Canadian business associations

Ever since Premier Christy Clark has announced that she will be visiting China and India in November 2011 and British Columbians are welcome to join her, many have expressed interest.

There are sectoral delegations, such as forest and mining, being organized but no general delegation yet for the Chinese Canadian business sector.

Some BC Chinese Canadian business associations will meet this Wednesday to explore the opportunity to form a BC Chinese Canadian Entrepreneur Delegation to participate in some of the activities in China with the Premier. You are welcome to join the discussion.

Date: September 21, 2011 (Wednesday)
 Time: 3:00pm to 4:30pm
 Venue: Suite 1700 - 800 Robson Street (Lower Plaza Level), Vancouver

RSVP r.lee@leg.bc.ca

Thanks.

Richard T Lee
 MLA for Burnaby North

Hi Fiera:

Thanks for the note, it was a pleasure to meet you at the community event yesterday and look forward to working with you and the individuals noted below on the Premier's November mission.

Our teams know Johnny well and I have had a few meetings with Edmond already. I will connect with both Edmond and Johnny in the coming weeks, but will look to you, Premier's Office and both Richard Lee/John Yap to identify who or which group(s) are best positioned to lead the Chinese Community Business Delegation.

Best,
 Henry

Henry,

It was my pleasure to meet you yesterday at the meeting with the representatives of Chinese Business Associations. I wish you a successful trip next week.

FYI, Representatives of Chinese Federation of Commerce of Canada (CFCC) will likely be joining the Chinese Business Community Delegation. The Honourary President of CFCC, Mr. Johnny Fong and the VP of CFCC, Mr. Hans Wong have attended the meeting yesterday. Edmond Luk of Fasken Martineau, who is also a director of CFCC, may also be attending.

Premier's trip

Yong, Jack to: Han, Henry JTI:EX

09/28/2011 11:34 AM

Cc: John DeLucchi, Jenny Li

Hi Henry,

I understand you're still in China on business. I would like to introduce you to John DeLucchi and Jenny Li of PwC in Vancouver. John is Managing Partner, BC Region of PwC, and Jenny is a senior manager in tax services, as well as a native speaker of Mandarin.

Like us, PwC sponsored part of the NDRC delegation's events here in Vancouver this week. They are keen to develop China business and investment, so I told them about the Premier's trip to China in November. They've kindly agreed to think about potential China related deals with their clients that can be announced on the trip, and are also interested in taking part in the public events in China.

I will let you connect from here. I hope to see you all in China in November!

Regards,
-Jack

Subject: China & India Trade Mission

Hello,

Premier Christy Clark is leading a Team BC trade mission to China and India in early November 2011.

The trip will focus on the theme of job creation for all regions of the Province in sectors where BC has a strategic advantage to sell/market overseas and where the Province wants to attract new investment. Both country programs will be anchored against existing in-market trade and investment promotion activities, including a number of delegations.

As your company or organization plays a key role in shaping the future economy of British Columbia, we would welcome your participation to showcase your business and advance provincial interests internationally. If you have any issues or upcoming successes that you wish to highlight during the mission, we would encourage you to share them with us.

The Province will stage corporate signing ceremonies in each city as required to profile the strength of B.C.-based businesses. There will also be a number of networking receptions to which invitations could be extended.

As someone at your firm has shown an interest in participating we would be grateful if you could complete the attached form and send it to Barinder.Bhullar@gov.bc.ca or Fax: 604-775-1688 before Friday, September 30, 2011.

Please note that participating as a member in one of the delegations will mean you will be responsible for your own travel and accommodation costs in China and India.

Best Regards,
Barinder

- ☐ TRANSPORTATION (SHIPPING, LOGISTICS & AIRLINES)
- X ☐ OTHER: EXPORTING CANADIAN GOODS & TECHNOLOGY TO CHINA.

A SHORT PROFILE OF YOUR COMPANY INCLUDING PRODUCT, SERVICE OR INVESTMENT OBJECTIVE:

Bradley Pacific Enterprises is a wholly Canadian-owned, Vancouver-based company founded in 1988. Since then, it has been actively engaged in a diverse range of business activities around the globe with an emphasis on exporting goods & technologies from Canada to China.

Its essential product lines include exporting Canadian pulp and paper, lumber and wood products, sulfur and chemical production equipment to China. Bradley also prides itself in the areas of offering consulting services to its clients from China in corporate finance, mergers and acquisitions, and real estate investment. Likewise, the company has successfully assisted its Canadian clients in sourcing and identifying sound investment opportunities and joint-venture projects from China. Bradley's business success has been recognized by its business peers. In 2003, Wendy Yuan, President and CEO of Bradley was nominated for the Best Young Entrepreneur Award by Business in Vancouver magazine. In 2005, Bradley Pacific was also nominated for the BC Export Award as one of BC's top 21 export companies.

Marcus

Just got a request from Dimitri for tomorrow's meeting.

He would like to know all companies, organizations, individuals we have contacted. Do you have any type of master list you are working off of that we could provide?

Regards
Shom

Subject: Cummunity List

Hi there,

Attached is a list of individuals who have expressed interest in joining the trade mission. These folks have contacted our office there are some names which may be included on your sector delegations list. I was told there are about 10 more forms that were faxed into Victoria late last week – I will follow up with those tomorrow.

The folks on this list would like to attend reception/signing ceremonies.

Barinder.

Hi Barinder,

Hope all is well.

As the China trip is drawing near, we wanted to check in and see when we should be expecting the delegate package information from your office and where the contract signing ceremony would be taking place in Beijing so that we could update our Chinese counterpart(s) in a timely manner accordingly.

Thank you , Barinder.

Cheers,

Wendy

Barinder and all,

Attached herewith is the filled out form for your record. Should you have any questions, please do not hesitate to contact me directly.

In the meantime, please send us the delegates package information including the name of the hotel in Beijing where all designated delegates are staying at, the contract-signing ceremony's venue and the like so that we could make travel/accommodation arrangement(s) accordingly.

Thank you all for your kind assistance in this regard.

Cheers,

Wendy

Subject: China & India Trade Mission

Hello,

Premier Christy Clark is leading a Team BC trade mission to China and India in early November 2011.

The trip will focus on the theme of job creation for all regions of the Province in sectors where BC has a strategic advantage to sell/market overseas and where the Province wants to attract new investment. Both country programs will be anchored against existing in-market trade and investment promotion activities, including a number of delegations.

As your company or organization plays a key role in shaping the future economy of British Columbia, we would welcome your participation to showcase your business and advance provincial interests internationally. If you have any issues or upcoming successes that you wish to highlight during the mission, we would encourage you to share them with us.

The Province will stage corporate signing ceremonies in each city as required to profile the strength of B.C.-based businesses. There will also be a number of networking receptions to which invitations could be extended.

As someone who has shown an interest in participating we would be grateful if you could complete the attached form and send it to Barinder.Bhullar@gov.bc.ca or Fax: 604-775-1688 before Friday, September 30, 2011.

Please note that participating as a member in one of the delegations will mean you will be responsible for your own travel and accommodation costs in China and India.

Best Regards,
Barinder

Subject: Delegation List

This is the China delegation list that we used for today's briefing.

PCC Mission -
ELEGATION PARTI

I:\TI_DIV_COMMON\International Operations and Logistics Folder - 31500\Missions\Outgoing\2011\Premier\China - India\Briefing Binder\PCC Mission - DELEGATION PARTICIPANTS CHINA - Oct 25.docx

I've been updating the combined delegation list the last two days for Monday's call since this was the document that was used for last Monday's call. All the updates are highlighted in yellow.

PCC Mission -
ELEGATION PARTI

I:\TI_DIV_COMMON\International Operations and Logistics Folder - 31500\Missions\Outgoing\2011\Premier\China - India\Briefing Binder\PCC Mission - DELEGATION PARTICIPANTS - Oct 28.docx

So for Monday's call I don't know if you guys want to do the combined delegation list like last week or if we want to keep the India and China ones separate.

Yes

Marcus, I assume your folks here in BC will provide Ben and I with a full wrap-up of all delegates for the end-of-trip release? I'm sure there will be a number of new ones, so we're not going to keep track of them all here, unless you tell us we should!

Cheers, M

Can we please include Ethical Bean Coffee in any wrap up news release. We should list all companies again in the wrap up release at the end of the trip as we keep adding to the list.

Thanks,
 Barinder

 Dear Barinder,

Ethical Bean has committed time, money and other resources on the trade mission. Unless we hear otherwise, Ethical Bean fully expects to participate in the trade mission. And, we would love to be on the press release. All our travel arrangements have been finalized. As I write this e-mail, Ethical Bean is drafting a press release about its participation in one the biggest trade missions.

Beside the omission of our company in the press release, Ethical Bean has been given every indication that it is participating in the mission. Because of 11th hour time constraint, we have to accept silent assurance, we can move forward with our plans. We would appreciate it if someone would confirm this with us. Thanks and we look forward to a timely response.

My contact mobile is: S22

Subject: Re: Scope of work for event coordinator

Hi Henry

The community group is composed of individuals who are of Chinese descent, who have lived in BC for generations and are associated with a variety of family and cultural societies. The societies include Chinese Free Masons of Canada, Chinese Benevolent Association (CBA) Toishan Benevolent Society, Lee's Benevolent Association and the Mah Society, all of these organizations were established in Canada, more than 100 years ago. Newer organizations include the Teo Chew Society of Vancouver, Canadian Asian Food Supply Association, Vancouver Seniors Singing Association, and the Bai Sha Society of Vancouver.

Most of these individuals are returning for special official meetings and family conventions being held in Guangdong Province. These people have adjusted their travel plans so that they might support Premier Clark's first visit to Guangdong Province. Her recognition of the importance of Guangdong is cheered by these people and they want her to know that they are behind her.

The BC Guangdong Business Council director William Ma is the single contact point for all the associations and he will be with this group throughout the day on the 6th to coordinate their activities and to make it easy for them to get and from all the events. They will follow William's lead and in previous missions we have found these groups to be very easily coordinated.

I hope this is the information that you need, let me know if you want any more.

RE: Summer Hill Liquor Co-project

Dear Honourable Premier,

I am Tammy S.F. JUE, the president of Global Women's Federation of Commerce of Canada (GW FCC) and Finetech Company. I just want to confirm that I have recruited a delegation of 6-7 members going with you to Mainland China.

As per the detailed BC liquor project, I've been following up the cultural exchange and international project with Mr.Bo WANG, the office director of Ministry of Commerce of China, since May 2011. We have officially invited Mr.WANG to visit the BEST winery in Canada, Summer Hill Winery in BC. He really appreciated our help and the quality of ice wines in Canada, and he believes the ice wine in BC, Canada is the BEST in the world himself, and thus, he has decided to tap the Canadian ice wine as well as the red wine into the Chinese market, the last biggest consumer market segment left for the whole world in this century.

s21

s21

s21

We thank him for his consistent help and follow-ups.

Not Responsive

Not Responsive If possible, we are expecting your secretary to send us confirmation so that we can have enough time and resources to make it happen smoothly and successfully. We look forward to hearing from you on an asap basis.

On the other, due to my trip to meet the Governor of GuangDong Province in GuangZhou, China, I regret to tell you I might NOT be able to accompany your delegation leaving for China from Canada. Please ask your office to send us the detailed itinerary as well as the official invitation, and the feedback for the above project, of course, by e-mail, so that we will be able to keep in contact with you and meet up with you in China. Thank you very much in advance.

Yours sincerely,

Tammy JUE

To: Karina Brino
Cc: Han, Henry JTI:EX; Nicholas, Michael JTI:EX
Subject: Premier's November mission to Asia

Ref: 62303

Dear Karina:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your company plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China

Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania

Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Marcus – thanks so much.

I know Vincent has let you know that we in the K-12 world are very keen to participate in this mission. We are working to confirm which groups would be able to meet with the Premier during this trip.

We will have this information to you as quickly as we can.

Tomorrow I am in another meeting at 9:30 and I have asked Arlene Gibson and Theo VandeWeg to support us in the second half of the call.

Thanks again!

<< File: PCC Mission Delegations.docx >>

Hi everyone,

Tomorrow is the first of what will be weekly planning calls for the broader Premier's mission from Nov 4th to 17th.

This evening we'll circulate an updated draft program for PCC which Henry and Mike will run everyone through tomorrow.

As well, we need to keep in mind all the associated delegations as the expectation is for them to intersect with PCC's core program. We'd also like to cover off the delegations to capture and updates.

Going forward for these calls we'd ask that each delegation lead also share their own programs with the group and walk us through the highlights to keep everyone on the same page.

Thanks,
Marcus

Subject: BCIC delegate

Marcus and Henry, Mark Payne, CEO of the BC Innovation Council, wants to go on the mission. He alerted someone in JTI who passed his name on to us. In his email, Mark indicated he was interested in technology and innovation events. Most of our education delegation events are based around 1) attracting students to BC, or 2) developing institution to institution relationships. I'm not sure if his expectations are a good fit with our delegation. Is there a more appropriate delegation to assign him to?

Thank you Barinder.

I also note that there are a couple of events not listed on your previous attachment, are these events being coordinated by the Premier's office? I checked with Leonel at UBC and he suggested I ask you.

Beijing, 9th of November: 9:00 am - 11:30 am, Collaboration in Higher Education between Canadian and Chinese Institutions.

Are you the correct person to request an invitation to this event? Dr. Gupta was planning to attend this event with John Hepburn and Weihong Song, and I want to ensure he is confirmed.

Not Responsive

Thanks once again for your assistance,

Best regards,
 Fiona

Hi Fiona,

Thanks for the email. We're looking forward to traveling and seeing Dr Gupta in China and India.

I've cc'd Barinder who is the lead from the Premier's Office for the mission.

It looks like we'll be in the same cities as Dr. Gupta throughout that portion of our trip, minus the 12th to 14th where we'll be in Mumbai. As far the specific events, Barinder can help coordinate to ensure Dr. Gupta is thought about for the receptions and lunches and dinners.

Dear Gabe,

I would firstly like to introduce myself as Dr. Gupta's assistant.

Dr Gupta asked me to follow up with you after his presentation to the Premier on Friday afternoon, since he will be travelling to China and India for the Premier's mission, and wants to ensure he will be attending the right events with her.

I thought I would make a start by touching base and letting you know Dr. Gupta's itinerary, so we can work together next week on the details:

S22

I can be contacted on the number in my signature below, and look forward to speaking with you.

Best regards,
Fiona

Subject: China-India mission - oil and gas sector

Hi Marcus,

Further to last Friday's teleconference, we contacted CAPP to identify industry interest in accompanying the Premier on the China-India mission. CAPP will add the mission to the agenda of an upcoming (Sept 13) meeting that will be attended by relevant oil and gas company representatives. CAPP will require bullets/background information about the mission to share with their members, which I can forward. Their members will be interested in knowing what the Premier and Ministers hope to accomplish on this mission and how industry can contribute. While CAPP is willing to provide introductory information, they are expecting JTI/MEM to follow up with companies. CAPP noted that missions to Japan and Korea are of more interest to their members.

Regards,

Ingrid

Subject: LGN - Asia Mission

Marcus, I spoke with Karen Koncohrada at MEM today about the Asia Mission and a potential LGN component given recent announcements.

It might be helpful for Shom to call Graham MacLaren, ADM at MEM to discuss contacting appropriate companies and having them become engaged.

I'm happy to make calls to various gas companies, but I think senior Ministry executive engagement is also required around this sector and the LGN opportunity.

Happy to discuss.

FYI on Apache: Alex Ferguson the former Chair, BC Oil and Gas Commission is now with Apache as is Natale Poole-Moffat, who was EA to Minister Lekstrom. (I can call Natale as she is in government relations.)

Cheers,

Richard

Subject: FW: Updated Report - Asia Mission - Proposed LNG Component

Importance: High

Dana,

This is the latest state of play from industry. Apache, Encana, EOG and Shell have said they will participate in some fashion. Progress is also in final stages of confirming. Names of individuals are included. The group was to meet last night and come to some agreement over the weekend on their needs.

Subject: Updated Report - Asia Mission - Proposed LNG Component
Importance: High

Greetings, the following is a further update on the proposed LNG component of the Asia Mission. Includes info on Progress/PETRONAS.

October 05, 2011 LNG Asia Mission Update

Apache, EnCana, EOG (Kitimat LNG)

Natalie Poole-Moffatt, Apache advised that:

1. Apache, EOG and EnCana will participate in the proposed LNG component of the Asia Mission. Natalie is the spokesperson for the three companies.
2. As partners in Kitimat LNG, the companies have agreed to a joint public communication in support of the LNG component.
3. There will be no major announcement at the time of the Mission.
4. Apache, EnCana and EOG will recommend meetings to JTI asap, e.g. CNPC (parent of China's largest energy player, PetroChina Co.), NDRC, etc.
5. Apache, EnCana and EOG would participate in a LNG luncheon hosted by the B.C Premier.
6. Potential participants in the LNG meetings include:

Apache

- Tim Wall, CEO
- David Calvert, VP, Kitimat Project
- Natalie Poole-Moffatt, Manager, Public and Government Affairs

EOG

TBC – but will probably include:

- Gordon Goodman
- Jamie Bowman

EnCana

TBC -but will probably include:

- Richard Dunn, Vice President, Government Relations
- Mike Fargo

7. Next Steps: Apache, EnCana and EOG are meeting on Thursday, October 06 to discuss details, including recommendations on meetings in Beijing. Natalie Poole-Moffatt will contact Richard Sawchuk on Thursday with an update. It is proposed that a conference call be held with all participants the week of October 11th to finalize details.

Shell Canada

Krista Edwards, Shell Canada advised that:

1. Shell will participate in the proposed LNG component of the Asia Mission.
2. There will be no major announcement at the time of the Mission.
- 3.

s21

- 4.
5. Shell will recommend meetings in Beijing to JTI asap, which would be separate from any meetings held by Apache, EnCana and EOG.
6. Shell would participate in a LNG luncheon hosted by the B.C Premier.
7. Potential participants in the LNG meetings to be confirmed.
8. Next Steps: Krista Edwards will meet with senior officials at Shell to determine who from Shell will travel on the Mission. Shell will also make recommendations on proposed meetings in Beijing. Krista Edwards will contact Richard Sawchuk on the week of October 11th with details.

Note: Shell would like to obtain an overview of the proposed Mission including a draft public itinerary for China (Beijing). Email to krista.edwards@shell.com

Progress Energy/PETRONAS

Tamara Little, National Public Relations advised that:

1. Progress/PETRONAS will participate in the proposed LNG component of the Asia Mission.
2. There will be no major announcement at the time of the Mission.
- 3.
4. PETRONAS has established customers in Asia and will help to arrange meetings in China.
5. Progress/PETRONAS will forward recommendations with respect to meetings in Beijing.
6. Potential participants in the LNG meetings include:

Progress

- Michael Culburt, CEO
- Greg Kist, VP, Marketing, Corporate and Government Relations

PETRONAS

- TBC

8. Next Steps: Tamara Little will meet with Progress to confirm who will attend and will also recommend meetings in Beijing. Tamara will contact Richard Sawchuk the week of October 11th.

Subject: Update - Asia Mission - LNG Component
Importance: High

Hi Natalie,

Further to our discussion, a few updates on the LNG component of the Asia Mission. Subject to final confirmation.

Participants

EnCana, Apache, EOG, Shell, Progress Energy/PETRONAS (LNG industry) have committed to travel to China as part of the Asia Mission (LNG component).

Draft Itinerary

- November 09: Working meetings between Government of BC/LNG industry and Chinese oil and gas investors/companies, e.g. NRDC, CNPC
 - o Industry to make additional recommendations on proposed meetings in Beijing. Note: Meetings could be joint or private (as required).
- November 10: Premier's LNG Investors Luncheon in Beijing (LNG industry, Chinese oil and gas investors/companies)

Draft Key Messages

- o The Government of B.C. has identified growth of the LNG industry as a strategic priority in the *BC JOBS PLAN*
- o Objectives include working with LNG export proponents to:
 - bring at least one LGN pipeline and terminal on line by 2015
 - have three in operation by 2015
- o BC will be a reliable and secure supply of LNG
- o LNG exports have the potential to replace coal-fired generation

Background – June 2011 Liquefied Natural Gas Mission to North Asia (DFAIT)

A delegation of federal and provincial government officials, regulators, business service providers and project proponents travelled to Korea, Japan and China between June 22-30, 2011 to advance Canadian liquefied

natural gas (LNG) export capacity and expertise by proactively engaging potential investors and off-take partners through seminars, outcalls and networking receptions. Mission seminars attracted over 200 participants from nearly 100 organizations across the three markets, while targeted outcalls with eleven companies permitted frank discussion of key corporate objectives and concerns. The mission confirmed that sourcing Canadian LNG is viewed as a global corporate priority for North Asia's largest and highest-potential investors. *FYI - Attached is a copy of the Beijing LNG Mission Seminar Participant List (June 2011 Mission).*

Other Considerations

It is understood that the Honourable Joe Oliver, Minister of Natural Resources will be in Beijing on November 08, 2011 in advance of the BC LNG Mission.

The federal minister's draft agenda includes meetings with:

- Sinopec - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China
- PetroChina - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China

Subject: Apache Update

Importance: High

Marcus,

Very good news on Apache. I spoke with Natalie Poole-Moffat at Apache this morning and she advised that Apache will go on the Premier's Mission, including the President of Apache.
Apache understands the strategic imperative of the Mission.

Natalie will be in Vancouver this week and would like to meet on Wednesday at 2:00pm to discuss details around the Mission and how Apache can add value.

Who else should be invited to the meeting?

Cheers,

Richard

Subject: LNG Delegation to Beijing

Importance: High

Hi Kevin:

Richard and I have had some calls with our LNG players here in BC and are trying to identify meetings/program elements for them in Beijing. Given that NRCan Min Oliver will also be on the ground with PCC we have a very good opportunity to advance LNG interests in China. Are there any government meetings (NDRC) that would be useful to incorporate into the Premier's program with possible participation by Oliver and senior executives of key LNG companies (Apache, OEG, EnCana, Shell etc.)

Please advise ASAP.

Thanks
 Henry

Good point. Here's a little summary of what we have on the table right now (attached). For the Progress/Petronas I have only heard speculative numbers.

Regarding the BC LNG project, it might be a good idea to contact them. I would suggest you talk to their Haisla partners, who are very proactive and interested. Maybe contact Mr. Dave LaVallie at dave.lavallie@cnxcorp.ca. He's in charge of the Haisla Business Operations and will be a great point of contact for that project.

Subject: Update - Asia Mission - LNG Component
Importance: High

Hi Natalie,

Further to our discussion, a few updates on the LNG component of the Asia Mission. Subject to final confirmation.

Participants

EnCana, Apache, EOG, Shell, Progress Energy/PETRONAS (LNG industry) have committed to travel to China as part of the Asia Mission (LNG component).

Draft Itinerary

- November 09: Working meetings between Government of BC/LNG industry and Chinese oil and gas investors/companies, e.g. NRDC, CNPC
 - o Industry to make additional recommendations on proposed meetings in Beijing. Note: Meetings could be joint or private (as required).
- November 10: Premier's LNG Investors Luncheon in Beijing (LNG industry, Chinese oil and gas investors/companies)

Draft Key Messages

- o The Government of B.C. has identified growth of the LNG industry as a strategic priority in the *BC JOBS PLAN*
- o Objectives include working with LNG export proponents to:
 - bring at least one LGN pipeline and terminal on line by 2015
 - have three in operation by 2015
- o BC will be a reliable and secure supply of LNG
- o LNG exports have the potential to replace coal-fired generation

Background – June 2011 Liquefied Natural Gas Mission to North Asia (DFAIT)

A delegation of federal and provincial government officials, regulators, business service providers and project proponents travelled to Korea, Japan and China between June 22-30, 2011 to advance Canadian liquefied natural gas (LNG) export capacity and expertise by proactively engaging potential investors and off-take partners through seminars, outcalls and networking receptions. Mission seminars attracted over 200 participants from nearly 100 organizations across the three markets, while targeted outcalls with eleven companies permitted frank discussion of key corporate objectives and concerns. The mission confirmed that sourcing Canadian LNG is viewed as a global corporate priority for North Asia's largest and highest-potential investors. *FYI - Attached is a copy of the Beijing LNG Mission Seminar Participant List (June 2011 Mission).*

Other Considerations

It is understood that the Honourable Joe Oliver, Minister of Natural Resources will be in Beijing on November 08, 2011 in advance of the BC LNG Mission.

The federal minister's draft agenda includes meetings with:

- Sinopec - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China
- PetroChina - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China

Dana,

Good talking to you... I look forward to meeting at some point in the not too distant future.

I believe the top three from the list below have already been approached and all have expressed interest in participating.

Once "someone" contacts the remainder some thought may have to be given to limiting the size of the delegations because I know from experience it can get unwieldy and difficult to organize blocks of hotel rooms, size of meeting rooms, ground transportation, etc. etc.

Call, or email me anytime if you think I can be of any assistance... I've attached my contact information to the bottom of this.

Best Regards,
 Jay

Subject: B.C. Premier's Asia Mission - Liquid Natural Gas (LNG) Component (Beijing) | November 08-10
Importance: High

Steve, could you please call me about the below noted matter at your earliest convenience.

As you know, we have been working to ensure, both directly and through CAPP, that oil and gas companies operating in B.C. have been invited to participate in the upcoming B.C. Premier's Asia Mission – which includes a **LNG component in Beijing (November 08-10)**.

At this time, we have seven companies participating in the LNG component of the Asia Mission, which will include working meetings with various Chinese investor/oil and gas companies and a Premier's LNG Investors luncheon (to be confirmed).

I would greatly appreciate CAPP's assistance to ensure that we have been as inclusive as possible. Could you please advise if CAPP has informed the following companies of the upcoming Asia Mission: CNRL; Conoco Phillips; Devon Resources; Quicksilver Resources; Sasol Canada; Suncor; Talisman Energy; Unconventional Gas Resources. (I apologize if I have listed any non-member companies). Any efforts you and CAPP can make to ensure the member companies listed are aware that they are invited to participate in the LNG component of the Mission would be greatly appreciated.

Background

LNG export to Asia is a strategic objective of the new *BC JOBS PLAN*. Objectives include working with LNG export proponents to bring at least one LGN pipeline and terminal on line by 2015, and to have three in operation by 2020. Nexen may, therefore, want to join this part of the Mission to help support this objective.

FYI, the below-noted communiqué was sent to various companies in September inviting their participation in the Asia Mission.

Cheers

Richard

Dear Sir/Madam:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your company plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission. We would welcome your input as part of our planning process.

We really need to talk before I contact additional companies.

Firstly, it doesn't appear Dana is aware that we have 7 companies committed despite my daily updates. Second, I need clarity on the proposed LNG program in Asia/Beijing. What do I say to companies as to the program/agenda in Beijing? A key issue is who in the BC Govt will be attending working meetings with the companies in Beijing.

As noted below, CAPP has already contacted its BC members (late Sept/early Oct) on the Premier's Mission which was in accordance to my earlier discussion with and direction to Ingrid Strauss at MEM.

I believe I advised that I would ensure notification via CAPP in September. It would be appreciated if this is communicated as it would seem there is still the belief that not all prospective companies have been advised of their ability to participate in the Asia Mission when in fact they were.

Regards,

Richard Sawchuk

Richard,

As per the previous email, the following companies were informed of the Premier's Trade Mission,. The correspondence from Ingrid attached below was provided in the September 13 EPG package, and at the October 3 EPG meeting, we raised this as an agenda item and asked the EPG representatives to contact the names listed on the correspondence from Ingrid if they wished to participate. We had excellent attendance at the October EPG.

Sasol is not on the BC EPG, but they have Talisman representatives seconded to their office in Calgary. Rob Gibb is one of the representatives from TLM.

Hi Steve and Adam,

I was wondering if you had a list of companies who received the information package about Premier Clark's China-India mission at the EPG meeting? The Premier's office and the Ministry of Jobs, Tourism and Innovation's Asia Marketing group are starting to make follow-up phone calls and would find this information useful, as well as any information you may have on companies that might have indicated an interest. I have heard that Apache's president has expressed an interest in joining the Premier.

Thanks,

Ingrid

Subject: BC Youth Trade Mission Proposal

Hi Barinder,

I send you an e-mail last week but it looks like it has bounced back. I'll send this to you one more time and hopefully it works.

Anyway, just to give you the background of how this youth component of the trade mission came about. I spoke to Stephanie Cadieux about it, and she asked to be a champion for this and she offered to help get this off the ground. Minister Cadieux and I spoke to Lorne about this who asked for the proposal. In the mean time, I spoke to Paul Irwin who is a Senior Director at the Ministry of Jobs, Tourism and Innovation and he said that he would support it from the Ministry's side and said there were several opportunities for youth to get involved. I have also gotten support from Mary Jane Stenberg (External Affairs Director of Kwantlen and President of the Surrey Board of Trade) who spoke to the Premier about having a youth component.

We also spoke about administering it through Global Vision, a program which has worked with the BC government before, and has been supported by many Liberal MLAs including Minister Falcon, and Dave Hayer. I am a graduate of the program, having gone on trade mission to South East Asia in '05, was send by DFAIT to go with the Prime Minister to the APEC Summits and create and present Canada's investment strategy in '06 as well as leading teams in 2009 to South America, and at the G8/G20 Summits in 2010.

Global Vision, a not-for-profit based out of Ottawa, has partnered with DFAIT, the PMO, CIDA, Heritage Canada among other departments, and currently is responsible for annual youth trade missions, and for the annual youth delegation that accompanies the Prime Minister to APEC. JTC has partnered with provinces before to send provincial youth delegations to accompany Premiers. The team is currently on a trade mission to Indonesia and Malaysia. Their website is <http://www.globalvision.ca/> -

When I was in Ottawa in June I had the chance to speak to Peter McGovern - Assistant Deputy Minister, Asia and Chief Trade Commissioner (who I met through working on the G8/G20 Youth Summit). He has worked with GV many times before and would advocate for this and help coordinate this with the province.

Basically Global Vision would coordinate the itinerary in partnership with the province, develop and apply the logistics, and select and train the team.

I have attached a copy of the BC youth proposal and the proposed budget. Everything that is the proposal is negotiable, and will be coordinated to suit the mandate and the needs of the Premier.

Many of the possible mandates also came from Paul Irwin during our brain-storming session.

Now there was another option to go through the Boards of Trade and through universities, as they were interested in partnering to send a youth component. So is basically up to the premier's office to see what would work best. I'd love to set up a meeting with you to go over all of this, if you are available. Are you based in Victoria or Vancouver? I just want to make sure that this isn't a lost opportunity to fulfill the Premier's objectives of job creation and keeping BC strong using the energy and innovation of youth.

Thank you for your time and look forward to hearing from you soon.

Kassandra

GLOBAL VISION
JUNIOR TEAM CANADA

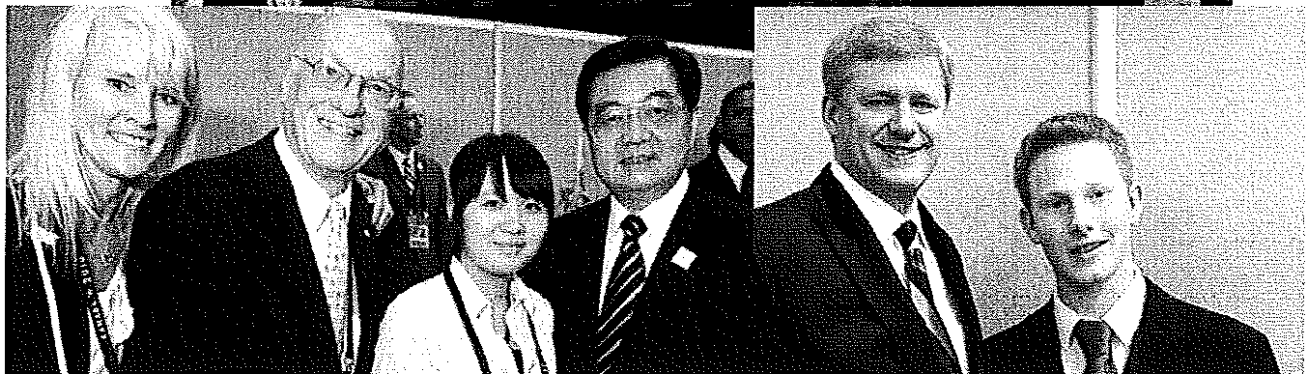

2011

Junior Team BC

PARTNERSHIP

Prepared for the Premier's Office

PREMIER'S OFFICIAL YOUTH COMPONENT:

The Premier's junior component mandate would be built around the Premier's objectives of job creation, promoting innovation and entrepreneurship, and keeping BC strong through cross cultural understanding. The team would be composed of top young leaders in the province, and would send a strong message that BC is epicenter for a dynamic, young, and innovative work force. BC's youth component could also build on previously established contacts in China. Furthermore, India's young population is marketed as one of its strongest assets. The Premier's junior component could act as a liaison to this demographic and demonstrate the potential of BC's youth with the objective to create further engagement.

ROLES AND OBJECTIVES OF A JUNIOR COMPONENT:

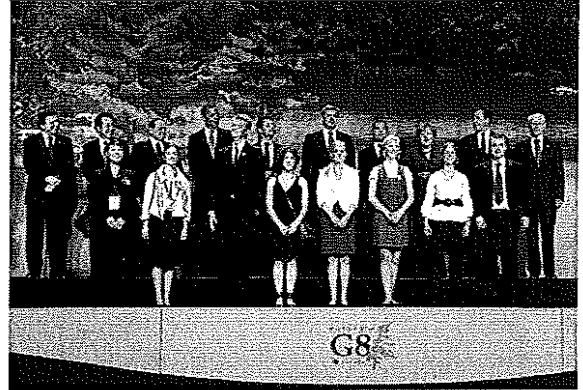

While forming a mandate around the Premier's objectives, the team would also fulfill their traditional objectives of promoting industry and trade, and acting as ambassadors for their region.

POSSIBLE MANDATE OBJECTIVES INCLUDE:

- 
- ◆ **Ambassadors:** There are several initiatives that could be incorporated into the youth mandate including: hosting forums, building on established relationships and contacts in China, presenting the province from a youth perspective, working with educational institutes to co-ordinate alumni, hosting and participating in cross-cultural events with China/India youth counterparts.
 - ◆ **Media Relations:** During the mission the team would develop a market report, from a youth perspective, on key sectors, areas of growth, cultural dynamics, youth, education and entrepreneurial issues, and would make recommendations, including policy initiatives that would foster stronger trade and cultural relations.
 - ◆ **Social Media:** The team would share their stories via social media, blogs, vlogs, and videos, to represent BC to China/India as well as keep stake-holders informed back in BC.
 - ◆ **Media Relations:** As youth ambassadors for their region, the team would actively seek out media to promote BC and share 'home-grown' experiences of the region. The team would help to create the narrative of BC from a youth perspective.

ORGANIZATION OVERVIEW AND BACKGROUND

Over the past 20 years Global Vision, a national not for profit, has worked to develop and deliver a variety of innovative programs for youth from across Canada. The overall objectives of the programs are to equip young Canadians with the skills, knowledge and experience they need to succeed as global leaders. Founded in 1990, by then Member of Parliament for London Middlesex Terry Clifford, C.M., Global Vision's programs aim to stimulate trade and promote relations amongst countries using the ingenuity of Canadian youth.

Global Vision's inaugural program Junior Team Canada's Trade Missions have traveled to over 27 countries including China, Brazil, Malaysia, Japan and have been part of the official Canadian delegations to APEC, the Summit of the Americas, Premiers' trade missions, Inter-America Development Bank Meetings, and the G8/G20 Summits. During the missions, ambassadors meet with industry and government leaders to explore business opportunities on behalf of Canadian partners as well as act as ambassadors for their region to promote cross-cultural understanding.

GLOBAL VISION'S RESPONSIBILITIES:

Global Vision will act as an administer, responsible for: working in collaboration with the Premier's office and the Ministry responsible for the mission to develop the mandate and program for the 'Junior Team BC,' providing all of the logistics for the team including flights, hotels, and ground support, provide tax receipts, create and train the team from Global Vision's talent bank, and provide established contacts including the All-China Youth Federation to round-out the junior component's schedule.

Subject: Junior Team Canada

Marcus/Henry,

Have mentioned to you both verbally, but just to confirm that I have spoken with Kassandra at Junior Team Canada. They have decided that they will withdraw their proposal for this mission, given that they aren't confident that have the time to pull together a good program for the students that might be participating. Hey would be, however, interested in possibly organizing something around a Premiers mission next year – possible the COF mission to China/India. JTC has a partnership agreement with the All China Youth Federation, so I am quite confident they could pull something together with their in-China partner. They promise to stay in closer touch with the bureaucracy as they move forward next time!

Paul

Subject: B.C. Premier's Asia Mission - Liquid Natural Gas (LNG) Component (Beijing) | November 09-10

Importance: High

Anne,

I wanted to ensure that you and Nexen are aware of an upcoming opportunity to participate in the B.C. Premier's Asia Mission, which includes a Liquid Natural Gas (LNG) component being develop for Beijing (Nov 09-10).

I believe that CAPP may have advised Nexen of this opportunity but I thought I'd provide an update on which other oil and gas companies are participating.

At this time, Shell, EnCana, EOG, Apache and Progress Energy/PETRONAS are participating in the LNG component of the Mission (confidential), which will include working meetings with various Chinese investor/oil and gas companies and a Premier's LNG Investors luncheon.

LNG export to Asia is a strategic objective of the new *BC JOBS PLAN*. Objectives include working with LNG export proponents to bring at least one LGN pipeline and terminal on line by 2015, and to have three in operation by 2020.

Nexen may, therefore, want to join this part of the Mission to help support this objective.

The below-noted communiqué was sent to various companies in September inviting their participation in the Asia Mission.

Cheers

Richard

Dear Sir/Madam:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your company plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission. We would welcome your input as part of our planning process.

Keeping, Lynne F CSCD:EX

Update - B.C. LNG Delegation Travelling to Beijing (November 08 -10, 2011)

At this time, we have confirmed the following companies as participants in the Asia Mission - LNG Component: Apache, EnCana, EOG, Nexen, Progress Energy/PETRONAS, Shell, and Spectra. As we have learned from the June 2011 LNG Mission to Asia, sustained dialogue is crucial with Chinese officials and investors. The proposed LNG related events and meetings will ensure ongoing proactive updates on Canada's/B.C.'s LNG strategy.

Where possible, efforts will be made to coordinate federal/provincial meetings and messages given the respective federal/provincial jurisdictional responsibilities related to natural gas exploration and LNG export. Further, to ensure continuity with the recent June 2011 Government of Canada LNG Mission (which included B.C. provincial government officials), efforts will be made to continue to send a strong, unified message to key Chinese officials that Canada/B.C. will help facilitate the private sector's LNG projects - is open to investment - and will become a reliable and secure supply of LNG.

Draft LNG Itinerary – Beijing (To be confirmed)

- Nov 08: LNG evening reception. Attendees: Minister of Natural Resources Canada, Hon. Joe Oliver; B.C. Minister of Jobs, Tourism and Innovation, Hon. Pat Bell; Canada LNG industry delegates; and, key Chinese officials.

- Nov 09: Working meetings with key Chinese state companies (oil and gas): Sinopec, CNPC, CNOOC.
Attendees: B.C. Minister of Jobs, Tourism and Innovation, Hon. Pat Bell; 1-2 senior reps from each of the key B.C. LNG projects; Minister of Natural Resources Canada, Hon. Joe Oliver (TBC).
 - Canada/B.C. government ministers would lead and provide an overview of Canada's/B.C.'s LNG strategy (demonstrating coordinated federal and provincial support).
 - Each company representative (representing the proposed B.C. LNG projects) would provide a brief, high-level overview of their respective LNG project.
- Nov 10: B.C. Premier's LNG Investor Luncheon (all)

Event/Meeting Outcomes: Provide Chinese officials/investors with strong and important reassurance that: (1) the respective orders of government/First Nations are supportive of the Canada/B.C. LNG strategy and will help facilitate the private sector's LNG projects; (2) Canada/B.C. is open to investment; (3) strong private sector interest and capital are available for investment into Canadian LNG projects; (4) Canada/B.C. will become a reliable and secure supply of LNG to China.

We continue to explore meeting options. I welcome your input and feedback on the proposed meetings at your earliest convenience.

Other Considerations

It is understood that the Honourable Joe Oliver, Minister of Natural Resources will be in Beijing on November 08, 2011 in advance of the BC LNG Mission.

The federal minister's draft agenda includes meetings with:

- Sinopec - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China
- PetroChina - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China

Subject: Update - Asia Mission - LNG Component (Confidential)
Importance: High

Greetings Sara,

Further to our recent discussion, the following is background on the LNG component of the Premier's Asia Mission.

I look forward to following-up next week to advance the LNG mission agenda, including discussions on:

- confirmation of company delegates
- recommendations on working meetings on November 09 (Beijing)
- recommendations on invitees to the proposed Premier's LNG Investor's Luncheon on November 10 (Beijing)

Cheers,

Richard Sawchuk

Proposed LNG Component – B.C. Premier's Asia Mission (Subject to final confirmation)

Participants

Spectra Energy, EnCana, Apache, EOG, Shell, Progress Energy/PETRONAS (LNG industry) have committed to travel to China as part of the Asia Mission (LNG component).

Draft Itinerary

- November 09: Working meetings between Government of BC/LNG industry and Chinese oil and gas investors/companies, e.g. NRDC, CNPC
 - o Industry to make additional recommendations on proposed meetings in Beijing. Note: Meetings could be joint or private (as required).
- November 10: Premier's LNG Investors Luncheon in Beijing (LNG industry, Chinese oil and gas investors/companies)

Draft Key Messages

- o The Government of B.C. has identified growth of the LNG industry as a strategic priority in the *BC JOBS PLAN*
- o Objectives include working with LNG export proponents to:
 - bring at least one LGN pipeline and terminal on line by 2015
 - have three in operation by 2020
- o BC will be a reliable and secure supply of LNG
- o LNG exports have the potential to replace coal-fired generation

Background – June 2011 Liquefied Natural Gas Mission to North Asia (DFAIT)

A delegation of federal and provincial government officials, regulators, business service providers and project proponents travelled to Korea, Japan and China between June 22-30, 2011 to advance Canadian liquefied natural gas (LNG) export capacity and expertise by proactively engaging potential investors and off-take partners through seminars, outcalls and networking receptions. Mission seminars attracted over 200 participants from nearly 100 organizations across the three markets, while targeted outcalls with eleven companies permitted frank discussion of key corporate objectives and concerns. The mission confirmed that sourcing Canadian LNG is viewed as a global corporate priority for North Asia's largest and highest-potential investors. *FYI - Attached is a copy of the Beijing LNG Mission Seminar Participant List (June 2011 Mission).*

Other Considerations

It is understood that the Honourable Joe Oliver, Minister of Natural Resources will be in Beijing on November 08, 2011 in advance of the BC LNG Mission.

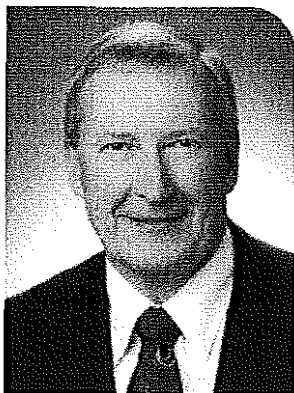

The federal minister's draft agenda includes meetings with:

- Sinopec - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China
- PetroChina - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China

EXECUTIVE PROFILE

Douglas P. Bloom

*President
Spectra Energy Transmission West*

Doug Bloom is president of Spectra Energy Transmission's western Canadian operations, responsible for four of the company's western-based divisions: BC Pipeline, BC Field Services, Midstream, and Natural Gas Liquids.

Prior to his current role, Bloom served as president of Maritimes & Northeast Pipeline, a joint venture of Spectra Energy, Emera Inc. and ExxonMobil Corporation.

Bloom joined the company in 1987 as a regulatory affairs supervisor for Westcoast Energy in Vancouver. Following a series of management positions, he was appointed vice president, customer service and marketing in 1994. In 1996, Bloom was appointed vice president of business services, responsible for the company's engineering and construction, supply chain, information technology, human resources and administrative functions.

Following Duke Energy's acquisition of Westcoast Energy, Bloom was named vice president of business integration, responsible for the assimilation of Westcoast into Duke Energy. He was then named vice president of strategic planning and risk management for Duke Energy Gas Transmission, and in 2003 was appointed president of Maritimes & Northeast Pipeline.

Bloom holds bachelor's and master's degrees in economics, both from Simon Fraser University in Burnaby, British Columbia. He serves on the board of the Canadian Energy Pipeline Association and is a member of the Board of Governors of the Business Council of British Columbia. Bloom previously served on the External Advisory Board for the Simon Fraser University Executive MBA program and on the board of the Greater Halifax Partnership, and chaired its audit committee.

Bloom has been a long-time volunteer with United Way and served in leadership fundraising capacities in Vancouver, Calgary and Halifax. He was honored with the Pacific NorthWest Economic Region's 2011 Robert F. Day Memorial Award for his work in fostering economic development through public and private sector collaboration.

Spectra Energy Corp (NYSE: SE), a FORTUNE 500 company, is one of North America's premier natural gas infrastructure companies serving three key links in the natural gas value chain: gathering and processing, transmission and storage, and distribution. For nearly a century, Spectra Energy and its predecessor companies have developed critically important pipelines and related infrastructure connecting natural gas supply sources to premium markets. Based in Houston, Texas, the company operates in the United States and Canada approximately 19,100 miles of transmission pipeline, more than 305 billion cubic feet of storage, as well as natural gas gathering and processing, natural gas liquids operations and local distribution assets. The company also has a 50 percent ownership in DCP Midstream, one of the largest natural gas gatherers and processors in the United States. Spectra Energy is a member of both the Dow Jones Sustainability World Index and the U.S. S&P 500 Carbon Disclosure Project's Leadership Index. For more information, visit www.spectraenergy.com.

EXECUTIVE PROFILE

Robert L. Whitwham

Vice President, Pipeline
Spectra Energy Transmission West

Rob Whitwham is vice president of pipelines for Spectra Energy Transmission's operations in Western Canada. He is responsible for the commercial aspects of the company's transmission pipeline assets.

Prior to assuming his current role in 2008, Whitwham served as general manager of marketing and regulatory affairs for Maritimes & Northeast Pipeline, a joint venture of Spectra Energy, Emera Inc., and ExxonMobil Corporation.

He joined Union Gas in 1982 and held various management positions in operations, engineering and labour relations.

In 1998, Whitwham led a group pursuing gas transmission and distribution business opportunities in Mexico for the Westcoast Energy International division. In 1999, he joined Maritimes as lead of the company's business development group.

Whitwham is a professional engineer and holds a Bachelor of Applied Science degree in civil engineering from the University of Waterloo and a Master of Business Administration degree from Wilfrid Laurier University in Waterloo, Ontario. Whitwham also holds a master's certificate in project management from Saint Mary's University in Halifax, Nova Scotia.

From 2002 until 2008, Whitwham served on the board of directors of the Offshore/ Onshore Technologies Association of Nova Scotia, a not-for-profit organization representing the interests of organizations in the oil and gas industry in Atlantic Canada. He also served as vice chair in 2008.

Since 2008, Whitwham has served on the board of directors of the Western Energy Institute, a regional association that serves the electric and gas industries in the western United States and Canada.

DAVE THORN

Dave Thorn is the Vice President of Canadian Gas Marketing at Encana. His responsibilities include marketing all of Encana's Canadian natural gas, as well as the management of pricing exposure and physical flow of gas. These responsibilities include all regulatory, legal and fundamental activities as they relate to Encana's Canadian based assets.

Dave joined Encana in August 1998 when Encana acquired PanCanadian Petroleum Ltd. In his 29 year career, Dave has held positions within the Oil and Gas industry with various production and marketing companies. His roles include General Manager, Business Development with PanAlberta Gas of Calgary, Manager of Gas Marketing for a senior producer in Alberta and numerous assignments at various field locations in Alberta.

Along with being a member of the Canadian Association of Petroleum Producers (CAPP) Market and Transportation Executive Policy Group, Dave has provided expert testimony at a number of NEB hearings related to pipeline expansions, and functioning of the Canadian Natural Gas Export Market.

Dave Thorn is a Certified Management Accountant, obtaining his CMA designation in 1988.

Subject: Update - B.C. LNG Delegation Travelling to Beijing (November 08 -10, 2011) - Confidential

Don, as discussed, the following is the proposed itinerary for the LNG Component of the BC Premier's Asia Mission

Cheers

Richard

Confidential

Update - B.C. LNG Delegation Travelling to Beijing (November 08 -10, 2011)

At this time, we have confirmed the following companies as participants in the Asia Mission - LNG Component: Apache, EnCana, EOG, Nexen, Progress Energy/PETRONAS, Shell, and Spectra. As we have learned from the June 2011 LNG Mission to Asia, sustained dialogue is crucial with Chinese officials and investors. The proposed LNG related events and meetings will ensure ongoing proactive updates on Canada's/B.C.'s LNG strategy.

Draft LNG Itinerary - Beijing (To be confirmed)

November 08

LNG Welcome Reception | 6:30pm-8:00pm

THE WESTIN BEIJING CHAOYANG

7 North Dongsanhuan Road, Chaoyang District, Beijing

Attendees: Minister of Natural Resources Canada, Hon. Joe Oliver (TBC); B.C. Minister of Jobs, Tourism and Innovation, Hon. Pat Bell; Canada LNG industry delegates; and, Chinese officials.

November 09

Working meetings with key Chinese state companies (oil and gas): Sinopec, CNPC, CNOOC. Attendees: Natural Resources Canada, Senior Official (TBC); B.C. Minister of Jobs, Tourism and Innovation, Hon. Pat Bell; 1-2 senior reps from each of the key B.C. LNG projects.

November 10

B.C. Premier's LNG Investor Luncheon (all) | 12:00 NOON - 1:30pm

THE WESTIN BEIJING CHAOYANG , Chaoyang Ballroom

7 North Dongsanhuan Road, Chaoyang District, Beijing, China

Event/Meeting Outcomes

Provide Chinese officials/investors with strong and important reassurance that: (1) the respective orders of government/First Nations are supportive of the Canada/B.C. LNG strategy and will help facilitate the private sector's LNG projects; (2) Canada/B.C. is open to investment; (3) strong private sector interest and capital are available for investment into Canadian LNG projects; (4) Canada/B.C. will become a reliable and secure supplier of LNG to China.

Thanks Richard. I just tried printing the CNOOC paper and no luck. Any chance you can please re-send as maybe my version got corrupted somehow?

The trip was a success and I really appreciate your leadership and initiative in keeping things on track....kind of like herding cats.

Thanks again,

Doug

Greetings LNG Delegation,

Please find attached, for your information, the PowerPoint slides presented in the LNG delegation meetings with CNOOC and Sinopec. Thank you Alice for sending these.

My colleagues in Beijing and I will be following-up with the Chinese national oil companies that the LNG delegation met with in Beijing. Please advise if you have any comments or require any specific follow-up.

Regards,

Richard

Subject: Update - Asia Mission - LNG Component (Confidential)
Attachments: BEJING - June 2011 Government of Canada LNG Mission Seminar Participant List (3).xls

Importance: High

Greetings Sara,

Further to our recent discussion, the following is background on the LNG component of the Premier's Asia Mission.

I look forward to following-up next week to advance the LNG mission agenda, including discussions on:

- confirmation of company delegates
- recommendations on working meetings on November 09 (Beijing)
- recommendations on invitees to the proposed Premier's LNG Investor's Luncheon on November 10 (Beijing)

Cheers,

Richard Sawchuk

Proposed LNG Component – B.C. Premier's Asia Mission (Subject to final confirmation)

Participants

Spectra Energy, EnCana, Apache, EOG, Shell, Progress Energy/PETRONAS (LNG industry) have committed to travel to China as part of the Asia Mission (LNG component).

Draft Itinerary

- November 09: Working meetings between Government of BC/LNG industry and Chinese oil and gas investors/companies, e.g. NRDC, CNPC
 - o Industry to make additional recommendations on proposed meetings in Beijing. Note: Meetings could be joint or private (as required).
- November 10: Premier's LNG Investors Luncheon in Beijing (LNG industry, Chinese oil and gas investors/companies)

Draft Key Messages

- o The Government of B.C. has identified growth of the LNG industry as a strategic priority in the *BC JOBS PLAN*
- o Objectives include working with LNG export proponents to:
 - bring at least one LGN pipeline and terminal on line by 2015
 - have three in operation by 2020

- BC will be a reliable and secure supply of LNG
- LNG exports have the potential to replace coal-fired generation

Background – June 2011 Liquefied Natural Gas Mission to North Asia (DFAIT)

A delegation of federal and provincial government officials, regulators, business service providers and project proponents travelled to Korea, Japan and China between June 22-30, 2011 to advance Canadian liquefied natural gas (LNG) export capacity and expertise by proactively engaging potential investors and off-take partners through seminars, outcalls and networking receptions. Mission seminars attracted over 200 participants from nearly 100 organizations across the three markets, while targeted outcalls with eleven companies permitted frank discussion of key corporate objectives and concerns. The mission confirmed that sourcing Canadian LNG is viewed as a global corporate priority for North Asia's largest and highest-potential investors. *FYI - Attached is a copy of the Beijing LNG Mission Seminar Participant List (June 2011 Mission).*

Other Considerations

It is understood that the Honourable Joe Oliver, Minister of Natural Resources will be in Beijing on November 08, 2011 in advance of the BC LNG Mission.

The federal minister's draft agenda includes meetings with:

- Sinopec - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China
- PetroChina - discuss investment in Canada's oil and gas sectors and highlight Canada's openness to continued investment from China

Subject: Premier's November mission to Asia

ef: 62303

Dear Sir/Madam:

I am writing to advise you that the Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

Your company plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. You and your staff may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in opening doors to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. You may also find it useful to highlight any success or upcoming announcements during the Premier's mission.

We would welcome your input as part of our planning process and would encourage you to be in contact with:

Mr. Henry Han, Director, Greater China
Tel: (604) 660-5888 and email: henry.han@gov.bc.ca

Mr. Michael Nicholas, Director, India, Southeast Asia and Oceania
Tel: (604) 775-2144 and email: michael.nicholas@gov.bc.ca

Grateful if you could copy me on any correspondence sent to Henry or Michael.

We look forward to working with you in the coming months to support your efforts in Asia and potentially welcoming your participation in the November mission.

Yours truly,

Marcus Ewert-Johns

Richard,

As per the previous email, the following companies were informed of the Premier's Trade Mission,. The correspondence from Ingrid attached below was provided in the September 13 EPG package, and at the October 3 EPG meeting, we raised this as an agenda item and asked the EPG representatives to contact the names listed on the correspondence from Ingrid if they wished to participate. We had excellent attendance at the October EPG.

Sasol is not on the BC EPG, but they have Talisman representatives seconded to their office in Calgary. Rob Gibb is one of the representatives from TLM.

Hi Steve and Adam,

I was wondering if you had a list of companies who received the information package about Premier Clark's China-India mission at the EPG meeting? The Premier's office and the Ministry of Jobs, Tourism and Innovation's Asia Marketing group are starting to

make follow-up phone calls and would find this information useful, as well as any information you may have on companies that might have indicated an interest. I have heard that Apache's president has expressed an interest in joining the Premier.

Thanks,

Ingrid

Hi Steve,

As you requested for the September 13 CAPP EPG meeting, the following is background information on the Premier's China - India mission. If CAPP members choose to participate in the China program, it may be possible for the BC Japan office to facilitate a Japan program as well.

Please let me know if you need any other information.

Cheers,

Ingrid

British Columbia Premier's November Mission to Asia

The Premier of British Columbia, the Honourable Christy Clark, will be visiting China and India between November 5 and November 17, 2011.

The purpose of the visit will be to promote trade and investment opportunities in British Columbia and to continue to showcase the economic strengths of the province as Canada's Asia Pacific Gateway.

We are in the early stages of developing the program but currently envision that the delegation will travel to:

Guangzhou, Shanghai, and Beijing	November 5 to 10
Hong Kong	November 11
Delhi, Mumbai, Chandigarh and Amritsar	November 12 to 17

**Please note that dates and city order could shift.*

The oil and gas sector plays a key role in shaping the future economy of British Columbia and the Premier would like to use this trip to help advance provincial interests internationally. Companies may be working on initiatives that could benefit strategically by the involvement of the Premier or a Cabinet Minister. This could be either assistance in "opening doors" to help a B.C. company make the right kind of connections, or potentially taking action to address issues or barriers that may exist. Subject: B.C. Premier's Asia Mission - Liquid Natural Gas (LNG) Component (Beijing) | November 08-10
Importance: High

Steve, could you please call me about the below noted matter at your earliest convenience.

As you know, we have been working to ensure, both directly and through CAPP, that oil and gas companies operating in B.C. have been invited to participate in the upcoming B.C. Premier's Asia Mission - which includes a **LNG component in Beijing (November 08-10)**.

At this time, we have seven companies participating in the LNG component of the Asia Mission, which will include working meetings with various Chinese investor/oil and gas companies and a Premier's LNG Investors luncheon (to be confirmed).

I would greatly appreciate CAPP's assistance to ensure that we have been as inclusive as possible. Could you please advise if CAPP has informed the following companies of the upcoming Asia Mission: CNRL; Conoco Phillips; Devon Resources; Quicksilver Resources; Sasol Canada; Suncor; Talisman Energy; Unconventional Gas Resources. (I apologize if I have listed any non-member companies). Any efforts you and CAPP can make to ensure the member companies listed are aware that they are invited to participate in the LNG component of the Mission would be greatly appreciated.

Background

LNG export to Asia is a strategic objective of the new *BC JOBS PLAN*. Objectives include working with LNG export proponents to bring at least one LNG pipeline and terminal on line by 2015, and to have three in operation by 2020.

FYI, the below-noted communiqué was sent to various companies in September inviting their participation in the Asia Mission.

Cheers

Richard
