Subject: Grace Islet, Ganges Harbour, Salt Spring Island

I am writing to object to the site alteration permit granted to the property owner of Grace Islet in Ganges Harbour, Salt Spring Island, BC. It is a cemetery and should not be interfered with.  
Respectfully, S22 Salt Spring Island

Thank you for your email expressing your concerns about a site alteration permit at Grace Islet. We have noted your objection to this decision.

We want to assure you that your comments will be shared with staff at the Ministry of Forests, Lands and Natural Resource Operations for their review as well.

Thank you again for bringing your concerns to our attention.
