CONTRACTOR	BRIEF DESCRIPTION OF SERVICES	CONTRACT TOTAL	REASON FOR DIRECT AWARD
			The BCLDB has previously contracted services with MNP for the past three years for an Activity
			Based Costing/Mgmt Analysis of the shared or common costs within the integrated BCLDB
Meyers Norris Penny LLP	Activity Based Costing	\$ 30,000.00	operations that had recently expired. MNP's services were required again for an Activity Based
			Costing/Mgmt Analysis for the Distribution of Liquor Project. MNP's previous work with the
			BCLDB assured that they could complete the analysis quickly and economically.
KPMG LLP	Benchmarking Framework	\$ 7,500.00	The Government of BC had previously contracted services with another accounting firm to provide a performance evaluation and benchmarking framework report of the BCLDB. Part of the scope of work was to develop a comprehensive report on the Business Profile and Market Characteristics of the BCLDB for the Distribution of Liquor Project and the key person of the agreement has been now assigned by KPMG. As the previous report needed to be expanded, specifically the Business Profile & Market Characteristics of the BCLDB needed to be updated, the BCLDB sought the services of the contractor who previously delivered the report, who is now employed by KPMG. Their previous work with the BCLDB assured that they could update the report quickly and economically.
