Direct Awards

Contractor Name	Description	Amount	Reason
Buckland & Taylor Ltd	Forensic Investigation of MSE Wall - Westside Road Interchange - Highway 97 South of Kelowna	\$ 556,000	This was an emergency situation on Hwy 97 where a retaining wall of the Westside Road Interchange overpass collapsed. Due to the urgent nature and impacts on public safety this contractor had the knowledge and expert resources readily available. Buckland and Taylor has a well recognized international reputation and provides specialty engineering expertise on challenging and complex bridge design and construction engineering.
Thomas William Michael Lee DBA Tom Lee Management Consultants	"As and When" BC Transit Independent Review Coordinator	\$ 140,000	The Ministry conducted a competitive process for the services of a qualified process/project manager to serve the Review Panel initiated in Nov 2011 by the Minister. Publicly procuring on BC Bid was not deemed feasible due to confidentiality, as the panel's Terms of Reference were not yet public. However, an RFP was provided in confidence to 3 firms.
Christopher Michael Trumpy	As and When BC Transit Independent Review Chair	\$ 100,000	The Minister announced an independent review of BC Transit on Nov.16,2011. The Ministry engaged UBCM and local government representatives to establish a list of potential review panel members. The list was reviewed by the minister and this contractor was selected to fill the position of Chair.
John Moore King DBA JMK Consulting	As and When BC Transit Independent Review Panel Member	\$ 120,000	The Minister announced an independent review of BC Transit on Nov.16, 2011. The Ministry engaged UBCM and local government representatives to establish a list of potential review panel members. The list was reviewed by the minister and this contractor was selected to be a Review Panel member.
Sage Group Projects Inc	As and When BC Transit Independent Review Panel Member	\$ 120,000	The Minister announced an independent review of BC Transit on Nov.16, 2011. The Ministry engaged UBCM and local government representatives to establish a list of potential review panel members. The list was reviewed by the minister and this contractor was selected to be a Review Panel member.
Mary-Anne McNeney	To provide Writing Services to support the Pacific Gateway Branch	\$ 6,750	Publicly procuring on BC Bid was not deemed feasible due to the confidential, commercially sensitive, and time sensitive nature of the information/documents shared with the contractor. The writing services (product) provided by the contractor (Pacific Gateway Transportation Strategy 2012-2020) was also highly confidential until its public release in April 2012.
Philip Halkett	Deliver Briefing Note Training to the South Coast Regional Management Team	\$ 7,000	Specialized knowledge as one of the creators of the Briefing Note Template developed as a best practice solution for use across the Public Sector. Training was provided to South Coast Region staff.
Philip Halkett	Deliver Briefing Note Training to the SIR Regional Management Team	\$ 7,000	Specialized knowledge as one of the creators of the Briefing Note Template developed as a best practice solution for use across the Public Sector. Training was provided to Southern Interior Region staff.
Kent Marketing Services Ltd.	Analysis of Industry Gasoline & Diesel Prices in BC	\$ 5,500	Single source for this type of data, timing was of the essence.
