I am writing further to your request received by the Ministry of Forests, Lands and Natural Resource Operations. You narrowed your request on May 6, 2014 through email with Marion Ashton. Your request is for:

Request for specified documents related to the overharvest of non-pine timber in the Morice TSA. This request is for further information related to the Issue Note found in FOI-2013-00199 (page 487 of the PDF). Specifically, I would like: The March 4, 2013 ministerial Order referred to in the issue note. The letter dated April 8, 2013, referred to in the issue note. The plan referred to, demonstrating how harvesting will target the highest priority stands and protect the mid-term timber supply.
