The Province wishes to retain the Contractor to provide the services specified in Schedule A and, in consideration for the remuneration set out in Schedule B, the Contractor has agreed to provide those services, on the terms and conditions set out in this Agreement.

As a result, the Province and the Contractor agree as follows:

1 DEFINITIONS

General

1.1 In this Agreement, unless the context otherwise requires:

- (a) "Business Day" means a day, other than a Saturday or Sunday, on which Provincial government offices are open for normal business in British Columbia;
- (b) "Incorporated Material" means any material in existence prior to the start of the Term or developed independently of this Agreement, and that is incorporated or embedded in the Produced Material by the Contractor or a Subcontractor;
- (c) "Material" means the Produced Material and the Received Material;
- (d) "Produced Material" means records, software and other material, whether complete or not, that, as a result of this Agreement, are produced and retained by the Contractor or a Subcontractor and includes the Incorporated Material;
- (e) "Received Material" means records, software and other material, whether complete or not, that, as a result of this Agreement, are received and retained by the Contractor or a Subcontractor from the Province or any other person;
- (f) "Services" means the services described in Part 2 of Schedule A;
- (g) "Subcontractor" means a person described in paragraph (a) or (b) of section 13.4; and
- (h) "Term" means the term of the Agreement described in Part 1 of Schedule A subject to that term ending earlier in accordance with this Agreement.

Meaning of "record"

- 1.2 The definition of "record" in the *Interpretation Act* is incorporated into this Agreement and "records" will bear a corresponding meaning.

2 SERVICES

Provision of services

- 2.1 The Contractor must provide the Services in accordance with this Agreement.

Term

- 2.2 Regardless of the date of execution or delivery of this Agreement, the Contractor must provide the Services during the Term.

Supply of various items

- 2.3 Unless the parties otherwise agree in writing, the Contractor must supply and pay for all labour, materials, equipment, tools, facilities, approvals and licenses necessary or advisable to perform the Contractor's obligations under this Agreement, including the license under section 6.4.

Standard of care

- 2.4 Unless otherwise specified in this Agreement, the Contractor must perform the Services to a standard of care, skill and diligence maintained by persons providing, on a commercial basis, services similar to the Services.

Standards in relation to persons performing Services

- 2.5 The Contractor must ensure that all persons employed or retained to perform the Services are qualified and competent to perform them and are properly trained, instructed and supervised.

Applicable laws

- 2.6 In the performance of the Contractor's obligations under this Agreement, the Contractor must comply with all applicable laws.

3 PAYMENT

Fees and expenses

- 3.1 If the Contractor complies with this Agreement, then the Province must pay to the Contractor at the times and on the conditions set out in Schedule B:

- (a) the fees described in that Schedule;
- (b) the expenses, if any, described in that Schedule if they are supported, where applicable, by proper receipts and, in the Province's opinion, are necessarily incurred by the Contractor in providing the Services; and
- (c) any applicable taxes payable by the Province under law or agreement with the relevant taxation authorities on the fees and expenses described in paragraphs (a) and (b).

The Province is not obliged to pay to the Contractor more than the "Maximum Amount" specified in Schedule B on account of fees and expenses.

Statements of accounts

- 3.2 In order to obtain payment of any fees and expenses under this Agreement, the Contractor must submit to the Province a written statement of account in a form satisfactory to the Province upon completion of the Services or at other times described in Schedule B.

Withholding of amounts

- 3.3 Without limiting section 9.1, the Province may withhold from any payment due to the Contractor an amount sufficient to indemnify, in whole or in part, the Province and its employees and agents against any liens or other third-party claims that have arisen or could arise in connection with the provision of the Services. An amount withheld under this section must be promptly paid by the Province to the Contractor upon the basis for withholding the amount having been fully resolved to the satisfaction of the Province.

Appropriation

- 3.4 The Province's obligation to pay money to the Contractor is subject to the *Financial Administration Act*, which makes that obligation subject to an appropriation being available in the fiscal year of the Province during which payment becomes due.

Currency

- 3.5 Unless otherwise specified in this Agreement, all references to money are to Canadian dollars.

Non-resident income tax

- 3.6 If the Contractor is not a resident in Canada, the Contractor acknowledges that the Province may be required by law to withhold income tax from the fees described in Schedule B and then to remit that tax to the Receiver General of Canada on the Contractor's behalf.

Prohibition against committing money

- 3.7 Without limiting section 13.10(a), the Contractor must not in relation to performing the Contractor's obligations under this Agreement commit or purport to commit the Province to pay any money except as may be expressly provided for in this Agreement.

Refunds of taxes

- 3.8 The Contractor must:
- (a) apply for, and use reasonable efforts to obtain, any available refund, credit, rebate or remission of federal, provincial or other tax or duty imposed on the Contractor as a result of this Agreement that the Province has paid or reimbursed to the Contractor or agreed to pay or reimburse to the Contractor under this Agreement; and
 - (b) immediately on receiving, or being credited with, any amount applied for under paragraph (a), remit that amount to the Province.

4 REPRESENTATIONS AND WARRANTIES

- 4.1 As at the date this Agreement is executed and delivered by, or on behalf of, the parties, the Contractor represents and warrants to the Province as follows:
- (a) except to the extent the Contractor has previously disclosed otherwise in writing to the Province,
 - (i) all information, statements, documents and reports furnished or submitted by the Contractor to the Province in connection with this Agreement (including as part of any competitive process resulting in this Agreement being entered into) are in all material respects true and correct,

- (ii) the Contractor has sufficient trained staff, facilities, materials, appropriate equipment and approved subcontractual agreements in place and available to enable the Contractor to fully perform the Services, and
 - (iii) the Contractor holds all permits, licenses, approvals and statutory authorities issued by any government or government agency that are necessary for the performance of the Contractor's obligations under this Agreement; and
- (b) if the Contractor is not an individual,
- (i) the Contractor has the power and capacity to enter into this Agreement and to observe, perform and comply with the terms of this Agreement and all necessary corporate or other proceedings have been taken and done to authorize the execution and delivery of this Agreement by, or on behalf of, the Contractor, and
 - (ii) this Agreement has been legally and properly executed by, or on behalf of, the Contractor and is legally binding upon and enforceable against the Contractor in accordance with its terms except as enforcement may be limited by bankruptcy, insolvency or other laws affecting the rights of creditors generally and except that equitable remedies may be granted only in the discretion of a court of competent jurisdiction.

5 PRIVACY, SECURITY AND CONFIDENTIALITY

Privacy

5.1 The Contractor must comply with the Privacy Protection Schedule attached as Schedule E.

- (a) as required to perform the Contractor's obligations under this Agreement or to comply with applicable laws;
- (b) if it is information that is generally known to the public other than as result of a breach of this Agreement; or
- (c) if it is information in any Incorporated Material.

Public announcements

5.4 Any public announcement relating to this Agreement will be arranged by the Province and, if such consultation is reasonably practicable, after consultation with the Contractor.

Restrictions on promotion

5.5 The Contractor must not, without the prior written approval of the Province, refer for promotional purposes to the Province being a customer of the Contractor or the Province having entered into this Agreement.

6 MATERIAL AND INTELLECTUAL PROPERTY

Access to Material

- 6.1 If the Contractor receives a request for access to any of the Material from a person other than the Province, and this Agreement does not require or authorize the Contractor to provide that access, the Contractor must promptly advise the person to make the request to the Province.

Ownership and delivery of Material

- 6.2 The Province exclusively owns all property rights in the Material which are not intellectual property rights. The Contractor must deliver any Material to the Province immediately upon the Province's request.

- (a) Received Material that the Contractor receives from the Province; and
- (b) Produced Material, other than any Incorporated Material.

Upon the Province's request, the Contractor must deliver to the Province documents satisfactory to the Province that irrevocably waive in the Province's favour any moral rights which the Contractor (or employees of the Contractor) or a Subcontractor (or employees of a Subcontractor) may have in the Produced Material and that confirm the vesting in the Province of the copyright in the Produced Material, other than any Incorporated Material.

Rights in relation to Incorporated Material

- 6.4 Upon any Incorporated Material being embedded or incorporated in the Produced Material and to the extent that it remains so embedded or incorporated, the Contractor grants to the Province:
- (a) a non-exclusive, perpetual, irrevocable, royalty-free, worldwide license to use, reproduce, modify and distribute that Incorporated Material; and
 - (b) the right to sublicense to third-parties the right to use, reproduce, modify and distribute that Incorporated Material.

7 RECORDS AND REPORTS

Work reporting

- 7.1 Upon the Province's request, the Contractor must fully inform the Province of all work done by the Contractor or a Subcontractor in connection with providing the Services.

Time and expense records

- 7.2 If Schedule B provides for the Contractor to be paid fees at a daily or hourly rate or for the Contractor to be paid or reimbursed for expenses, the Contractor must maintain time records and books of account, invoices, receipts and vouchers of expenses in support of those payments, in form and content satisfactory to the Province. Unless otherwise specified in this Agreement, the Contractor must retain such documents for a period of not less than seven years after this Agreement ends.

8 AUDIT

- 8.1 In addition to any other rights of inspection the Province may have under statute or otherwise, the Province may at any reasonable time and on reasonable notice to the Contractor, enter on the Contractor's premises to inspect and, at the Province's discretion, copy any of the Material and the Contractor must

permit, and provide reasonable assistance to, the exercise by the Province of the Province's rights under this section.

9 INDEMNITY AND INSURANCE

Indemnity

- 9.1 The Contractor must indemnify and save harmless the Province and the Province's employees and agents from any losses, claims, damages, actions, causes of action, costs and expenses that the Province or any of the Province's employees or agents may sustain, incur, suffer or be put to at any time, either before or after this Agreement ends, including any claim of infringement of third-party intellectual property rights, where the same or any of them are based upon, arise out of or occur, directly or indirectly, by reason of any act or omission by the Contractor or by any of the Contractor's agents, employees, officers, directors or Subcontractors in connection with this Agreement, excepting always liability arising out of the independent acts or omissions of the Province and the Province's employees and agents.

Insurance

- 9.2 The Contractor must comply with the Insurance Schedule attached as Schedule D.

Workers compensation

- 9.3 Without limiting the generality of section 2.9, the Contractor must comply with, and must ensure that any Subcontractors comply with, all applicable occupational health and safety laws in relation to the performance of the Contractor's obligations under this Agreement, including the *Workers Compensation Act* in British Columbia or similar laws in other jurisdictions.

Personal optional protection

- 9.4 The Contractor must apply for and maintain personal optional protection insurance (consisting of income replacement and medical care coverage) during the Term at the Contractor's expense if:
- (a) the Contractor is an individual or a partnership of individuals and does not have the benefit of mandatory workers compensation coverage under the *Workers Compensation Act* or similar laws in other jurisdictions; and
 - (b) such personal optional protection insurance is available for the Contractor from WorkSafeBC or other sources.

Evidence of coverage

- 9.5 Within 10 Business Days of being requested to do so by the Province, the Contractor must provide the Province with evidence of the Contractor's compliance with sections 9.3 and 9.4.

Duties of Affected Party

- 10.3 An Affected Party must promptly notify the other party in writing upon the occurrence of the Event of Force Majeure and make all reasonable efforts to prevent, control or limit the effect of the Event of Force Majeure so as to resume compliance with the Affected Party's obligations under this Agreement as soon as possible.

Province's right to terminate other than for default

- 11.4 In addition to the Province's right to terminate this Agreement under section 11.2(c) on the happening of an Event of Default, the Province may terminate this Agreement for any reason by giving at least 10 days' written notice of termination to the Contractor.

Schedule A – Services

PART 1. TERM:

The term of this Agreement commences on June 28, 2011 and ends on September 30, 2011.

PART 2. SERVICES:

Over View

The Premier, Mayor and Vancouver Police Board Chair, and the Chief Constable committed to the citizens, residents and the businesses of Vancouver that the experience of the riot following the Stanley Cup Final on Wednesday June 15 will be subject to a rigorous and independent review.

The Premier and the Mayor also agreed that this unfortunate event involved more than just Vancouver and that the learnings will be important for all communities in the province.

The public and business sector from Vancouver and beyond have been clear since the event. They know that the events that unfolded were unacceptable, put the public at risk, damaged public and private property and impacted the City's reputation. However, they do not believe that what happened represents the vision and values of the City of Vancouver and British Columbians should not shy away from the opportunities of celebration in their public spaces.

Several changes have been made in Vancouver's public safety infrastructure and processes in response to the Police Commission Report on the 1994 Stanley Cup riot. These have allowed the public to safely enjoy numerous very large events in public space over the last few years - the Celebration of Light, the Olympic experience and the first 6 days of the 2011 Stanley Cup finals being important examples. However further changes may be necessary in light of the June 15 experience and a multi-sectoral approach is required.

There is global expertise in Vancouver and other jurisdictions on managing major events which needs to be tapped to ensure we continue to integrate emerging best practice in crowd management, policing, public safety, and transportation management into major event planning. Predicting the behaviour of crowds of people in different gatherings is an area of science and the latest information should be considered in our review including strategies to address the presence of criminal elements who purposely plan to disrupt public events.

An Independent Review with a report delivered to the Province by August 31st 2011.

Phase 1

Scope

The scope of the Independent Review by the Co-chairs will be focused on the following 4 areas:

1. The learnings from the 1994 riot and how were they integrated into our planning for this event
2. The foundational elements of the VPD/city plans for the event and the relationship of those plans to what transpired in the lead-up and during the riots

3. The availability of liquor at public events and the contribution this made to the events that unfolded.
4. Looking forward, a framework for how the City of Vancouver and the VPD work with the appropriate partners to optimize the safe, inclusive and enjoyable participation of our public in celebrations in the public spaces for which our City is world renowned.

The review by the Co-chairs will be based on the assumption that Vancouver will continue to be a city which wants to continue to experience the full use of our vibrant public spaces to celebrate safely and responsibly.

The report must be delivered to the Province no later than August 31, 2011.

Phase 2

During the month of September 2011, and if and when requested the Co-chair will be available for up to 36 hours to:

1. Attend press conferences,
2. Attend meetings and briefings,
3. Provide such other support as may be requested.

Schedule A – Services

PART 1. TERM:

The term of this Agreement commences on June 28, 2011 and ends on September 30, 2011.

PART 2. SERVICES:

Over View

The Premier, Mayor and Vancouver Police Board Chair, and the Chief Constable committed to the citizens, residents and the businesses of Vancouver that the experience of the riot following the Stanley Cup Final on Wednesday June 15 will be subject to a rigorous and independent review.

The Premier and the Mayor also agreed that this unfortunate event involved more than just Vancouver and that the learnings will be important for all communities in the province.

The public and business sector from Vancouver and beyond have been clear since the event. They know that the events that unfolded were unacceptable, put the public at risk, damaged public and private property and impacted the City's reputation. However, they do not believe that what happened represents the vision and values of the City of Vancouver and British Columbians should not shy away from the opportunities of celebration in their public spaces.

Several changes have been made in Vancouver's public safety infrastructure and processes in response to the Police Commission Report on the 1994 Stanley Cup riot. These have allowed the public to safely enjoy numerous very large events in public space over the last few years - the Celebration of Light, the Olympic experience and the first 6 days of the 2011 Stanley Cup finals being important examples. However further changes may be necessary in light of the June 15 experience and a multi-sectoral approach is required.

There is global expertise in Vancouver and other jurisdictions on managing major events which needs to be tapped to ensure we continue to integrate emerging best practice in crowd management, policing, public safety, and transportation management into major event planning. Predicting the behaviour of crowds of people in different gatherings is an area of science and the latest information should be considered in our review including strategies to address the presence of criminal elements who purposely plan to disrupt public events.

An Independent Review with a report delivered to the Province by August 31st 2011.

Phase 1

Scope

The scope of the Independent Review by the Co-chairs will be focused on the following 4 areas:

1. The learnings from the 1994 riot and how were they integrated into our planning for this event
2. The foundational elements of the VPD/city plans for the event and the relationship of those plans to what transpired in the lead-up and during the riots

3. The availability of liquor at public events and the contribution this made to the events that unfolded.
4. Looking forward, a framework for how the City of Vancouver and the VPD work with the appropriate partners to optimize the safe, inclusive and enjoyable participation of our public in celebrations in the public spaces for which our City is world renowned.

The review by the Co-chairs will be based on the assumption that Vancouver will continue to be a city which wants to continue to experience the full use of our vibrant public spaces to celebrate safely and responsibly.

The report must be delivered to the Province no later than August 31, 2011.

Phase 2

During the month of September 2011, and if and when requested the Co-chair will be available for up to 36 hours to:

1. Attend press conferences,
2. Attend meetings and briefings,
3. Provide such other support as may be requested.

PART 3. RELATED DOCUMENTATION:

\$70,000.00 is the maximum amount of fees payable under this Agreement.
