Hi,

Just checking with the LCLB database to confirm the license and found that it is under a different name in our system. The name we have is **SHARK CLUB LIQUOR STORE**.

The 3<sup>rd</sup> party operator on the licence is noted as WEST COAST LIQUOR COMPANY LTD.

Will this make a difference for the request? – please advise.

Thx

Hi Donna

– I looked this address up in POSSE & it is/was valid for Shark Club. There is something weird with the posse entry for that one though as it also says the licence is not active – but it is. I've asked licensing to look at it.

Thanks for the quick response by the way!

Dallas – the branch did not temporarily close or suspend the West Coast Liquor Licence, nor was that a subject of discussion within the branch, so no one would have any records that would be responsive to this request.

Hello again,

No responsive records for this request. It can be closed.

The branch did not temporarily close or suspend the West Coast Liquor Licence, nor was that a subject of discussion within the branch, so no one would have any records that would be responsive to this request.

In addition, West Coast Liquor relocated 8 months ago and is no longer at the address shown below. I am advised by the Regional Manager for the Vancouver region that there no longer is a liquor store at that address.

Regards,
