**Re: Experience the Fraser**

I am writing to express my support for the Experience the Fraser trail network. As you know, Experience the Fraser will connect hundreds of kilometers of trail linking recreational and cultural opportunities to communities on both sides of the river. As MLA for Surrey-Fleetwood, and in my previous work in local government, working for this region to further economic growth is a top priority.

The Job Creation Partnership, administered through the Ministry of Social Development and Social Innovation, would be a perfect fit to see this vision come to fruition. This partnership with local communities will not only provide useful work experience for all the participants, it will also create a legacy for the community that we all can be proud of.

Thank you for your consideration.

Sincerely,

Peter Fassbender  
MLA, Surrey-Fleetwood
