Application to a Campus Context

- Ensuring that legislative and policy changes reflect an explicit statement about the goals of encouraging low risk use and reducing health, safety, and social harms;
- Post-secondary students are a key target population for the effects of this legislation and policy;

Canadian
Restaurant
& Foodservice
Association

Specific recommendation

written submission

A photograph of four people standing in a row on a city sidewalk. From left to right: a man in a grey suit and light blue tie, a man in a dark suit and red tie, a man in a dark suit and purple tie, and a woman in a black blazer and patterned skirt. They are all smiling at the camera. The background shows a city street with trees, a white car, and buildings.
