Hi Ian,

Further to our telephone conversation, please find attached the new Appendices that will go with the draft Decision Note to Clayton and Perry. The figures on the spreadsheets are the same as those I've sent you before, except that I've changed some of the column headings/labels to read the same as the Decision Note, e.g. PSSG Options are now called PSSG Proposals.

I understand by talking with Lisa that the draft Decision Note hasn't been sent to Clayton/Perry yet. She will be sending it by the end of today and will c.c. you on it.
