Vancouver, B. C.

Dear Mr. Whitehead:

RE: Transfer of abandoned portions of (North-  
ern Trans-Provincial Highway) Yellowhead  
16 through Stellaquo Indian Reserve No.5.

I have been advised that a contract for a bridge over the Stellako River has been awarded. Negotiations with the CNR and Transport Commission have not been resolved so it will be some time until the abandonment of parts of the old highway can be considered.

Yours truly,

D. South,  
Headquarters Approving Officer,
