Dear Sir/Madam:

RE: Permit Number 01-004-10188, Oceanview Road 1617

Attached herewith is your copy of the above captioned permit.

Please read the permit carefully to ensure all applicable clauses are understood, paying special attention to clause 17 which lists additional clauses found on the reverse of the permit.

Notification of intention to commence the works covered by the permit is to be given to Fred Said, District Development Officer at (604)987-9311, at least 48 hours prior to construction.

All work is to be completed to the satisfaction of the District Official, Ministry of Transportation and Highways.

Yours truly,

ORIGINAL SIGNED BY
DISTRICT DEVELOPMENT OFFICER

Fred Said

Permit No. 10188

Highway District Howe Soun

File No. 11-21-18

PERMISSION TO CONSTRUCT, USE, AND MAINTAIN ACCESS TO A PROVINCIAL HIGHWAY

The works comprising of one 6m access on the west side of Oceanview Road #1617
located 3km north of Snug Cove, Bowen Island, B.C. Access to serve Lot 18, Block 7
D.L. 1553, Plan 4042, Group 1, N.W.D. in accordance with sketch and application
submitted by D. Wood dated 19th September, 1992.
are hereby approved insofar as they relate to the use of highway right of way, interference with public works, or other
matter under the jurisdiction of the Minister of Transportation and Highways, and permission to construct, use, maintain
and operate the said works is hereby granted to Dan Wood.
Lot 18, Oceanview Road, R.R. #1, Bowen Island, B.C., VON 1GO
The said approval and permission to construct, use and maintain the said works is, however, at all times subject to the following conditions:
1. That the construction and maintenance of the said works is carried out to the satisfaction of the Regional Director—Highways.
That any person appointed by the Regional Director—Highways for that purpose shall have free access to all parts of the said works for the purpose of inspecting same.
3. That the construction of the said works shall be commenced on or before the .26th day of
the26thday ofFebruary
4. That the safety, economy, and convenience of the travelling public must at all times be recognized and all traffic control must be undertaken by the permittee to the satisfaction of the Regional Director—Highways.
5. That where the said works are in the proximity of any bridge, culvert, ditch or other existing work, such work shall be properly maintained and supported in such manner as not to interfere with its proper function, and on the completion of the said works any bridge, culvert, ditch or other existing work interfered with shall be completely restored to its original condition.
6. That the permittee shall at all times accept full responsibility for any accident that may occur or damage that may be done to any person or property whatsoever caused directly or indirectly by the said works, and shall save harmless and keep indemnified the Crown from all claims and demands whatsoever in respect of the works. That, prior to proceeding with any excavation, the permittee will be responsible for notifying any utility company whose works may be close to or affected by the installation.
7. That the permission herein granted to use and maintain the said works is only granted for such time as the land on which the said work is constructed is under the jurisdiction of the Minister of Transportation and Highways.
8. This permission shall not be deemed to vest in the permittee any right, title, or interest whatsoever in or to the lands upon which the works are constructed.
9. This permission is contingent upon the following land use Residential,
Single Family Dwelling
Any change in land use shall render the permission void.
Any change in land use shall render the permission void. 10. That should the proposed land use not be instituted within six months of the date of this permit or should it be instituted and subsequently discontinued for a period of 30 days, this permit shall be void.
