Sometimes they are closed at the same time, sometimes not

How long is the tch closed, all of ours, without Parks, without khc

I'm comfortable with this. I will give the concessionaire official notice once our program is "formal"

Val

I spoke to Art re our discussion on Ross' assignment.

We will keep the clarification of the expectations for the position for me and you.

I think our earliest knowledge of confirmation of this, will be this Friday (another meeting is planned on this) I will stick with the Nov 1 start date, as this is the date identified in the 'Modification Agreement' with KHC.

More as this develops further.
