Dear Dr. Secco:

My purpose in writing is to share with you the recommendation of the Degree Quality Assessment Board (the Board) to the Minister of Advanced Education regarding Cape Breton University's (CBU) applications for use of the word 'university' and for a Bachelor of Business Administration (BBA).

At its May 28, 2007 meeting, the Board reviewed the expert panels' BBA and organization review reports, and CBU's response to the reports.
