2015-073	Kilmore Ltd.	Assist with strategy formation in regards to the following: Government recently passed the Laboratory Services Act (LSA) to enable desired laboratory reforms. The LSA consolidates responsibilities for governance, funding and service delivery oversight of publicly funded medical laboratories under a single statute. The new legislation creates the ability to enter into formal agreements with private providers. It is anticipated that the legislation will be enacted later this fall and there is urgency to establishing the strategy for procurement of privately provided laboratory services.	2014-11-03	2015-04-30	\$75,000.00	the Ministry can strictly prove that only one contactor is qualified or available to provide the services	Corporate Services
