Capital doesn't have any of the records referenced.

These may be with HAD – our involvement stopped with the capital funding – HAD continued to work w PHSA on operational planning.

Not aware of a "validation study" referenced.

What we have is an earlier document that analyses options on what to do with the unit from 2009 (copy attached) – but that is a consulting study commissioned by PHSA – we're not the owner of that document.

We have no contract between MOH and VANOC nor do we have a contract to transfer the MMU from MOH to PHSA – at no time did MOH ever own the mobile medical unit.

We do have an unsigned copy of the agreement between VANOC and PHSA for PHSA to acquire the unit post-Olympics...but this is not specifically stated in the FOI request.

The signed agreement would be FOI'd through PHSA or VANOC

Not sure how you want to handle this.

The Health Emergency Management Council, which BCAS is member, will have information incorporated within the HEMC meeting minutes.

BCAS' EMO doesn't have any specific documentation.

Christa

None that i am aware of. This unit was run by Dr. Ross Brown from Vancouver Coastal during the Olympics, and he is still involved with the project. Our roll has been in support of its use, when they have set it up, same as when it was used in the Olympics.

Dan

Rod and Ralph have had more involvement with the group, but I don't believe it was anymore than a supporting role for its use.

Subject: FOI Requests HTH-2011-00147 and 00148 Mobile Medical Units

Hello,

IAO has inquired whether BCAS would have any records in relation to the following FOI requests:

1. Contract between the Ministry of Health and VANOC to acquire the mobile medical unit that was commissioned for the 2010 Winter Olympics and Paralympics; Contract to transfer the mobile medical unit from the Ministry to the Provincial Health Services Authority.
2. The operational Plan and approval for 2011/2012 for the Mobile Medical Unit; The validation study of the Mobile Medical Unit called Creating a Gold Medal Olympic and Paralympic Health Care Team.

Please don't search for records or provide anything at this time; I just need to determine if BCAS would have any of these records in its possession.

Thanks,

Christa Dickinson

Hi Margi,

An FOI request came in and I was hoping you could advise if HAD would have this information. The FOI is requesting:

- Contract between MoH and VANOC to acquire the mobile medical unit
- Contract to transfer the mobile medical unit from MoH to PHSA

Would we have a copy of any of these contracts or are they solely with FCS?
