Notations

This document constitutes a 2013 cut control report for Licence A16823. If your records do not agree with this information, please inform the undersigned in writing within thirty (30) days. After the expiry of the 30 day period this letter will be deemed to be your final cut control statement for 2013 with the following exceptions. Licences eligible to terminate the cut control period under S. 75.4 of the Act may do so until June 30. Additionally, requests for adjustments under sections 17(6) (Grade 4 credit) or 19 (attribution to another licence) of the Cut Control Regulation must be made before November 30. Once the grade 4 credits or attributions are made or waived a revised cut control report will be issued under these circumstances and it will be considered a final cut control statement for the year.

Notations

This is a draft 2013 cut control statement for FL A18162. Please verify your figures and advise us of any errors/discrepancies preferably within the next 30 days. This statement will become the final statement (for the purposes of the Forest Act and Cut Control Regulation) at the end of this calendar year unless we have heard from you otherwise prior to that.

The cut control statement report volumes billed between January 1 and December 31 of each year. However, at the licensees' request, some or all of the unbilled scaled volume generated in the final year may be added to the final year of the cut control period.

If your records do not agree with these volumes, please advise this office within 30 days of receipt of this statement (Louis.Gagne@gov.bc.ca) (250-565-6147).
