Hi again,

I did leave a voicemail message at your office yesterday, but I just wanted to follow up with an email.

I am definitely interested in hearing about any opportunities in July, as you mentioned in the email below. Otherwise, please keep me in mind if anything comes up in September or the future.

Thank you again,

Hi RJ,

Would your Summer Intern be a Co-Op Student working towards a post-graduate degree? They would be paid at the Clk 11 level \$1,564.13 bi-weekly plus 6% vacation (493.85) plus Health and Welfare (\$42.00) bi-weekly.

Let me know!

Hi Kyra,

I need to get a bit of a forecast from you. Assuming staff and other expenses remain constant and given that Minister and I will likely be expending up to \$30k for FPT meetings in Yukon and an Asian trade mission, do we have sufficient budgetary capacity to employ a summer intern in our office at a salary cost of approx. \$10k?

Appreciate your assistance,

RJ
