FOREST DEVELOPMENT PLAN

Notice is hereby given by Gilbert Smith Forest Products Ltd., that a forest development plan (1996-2001) has been prepared for Forest Licence A18692, within the Kamloops Timber Supply Area. The plan will be available for public viewing from February 15 to April 15, 1996, between the hours of 7:30 a.m. and 4:30 p.m., at the Gilbert Smith Forest Products Ltd. office, Barriere, B.C. This plan will also be available from 4 to 9 p.m., March 11 at the Wells Gray Inn, Clearwater, and from 5 to 9 p.m., March 12, 1996, at the Blue River Community Hall.

The draft forest development plan shows the location and orderly development of approved and proposed harvesting, road construction, maintenance and deactivation

for the period 1996-2001. The plan also includes information on the maintenance and protection of other resource values in the area.

In order to incorporate any concerns into the 1997 update, comments are requested in writing, by April 15, 1996.

Written comment must be made to Gilbert Smith Forest Products Ltd., Box 689, Barriere, B.C. V0E 1E0, attention: C. J. M. Smith. [fe8 — 120462]

FOREST DEVELOPMENT PLAN

The Ministry of Forests, Salmon Arm Forest District, has completed the draft version of the annual update to the Small Business Forest Enterprise Program development plan for a variety of timber sale licences.

The object of this notice is to seek public input on the forest development plan. The plan is a collection of maps and tables which seeks a balance between the interests of water, visual landscapes, wildlife, fisheries, recreation, range, timber harvesting, silviculture activities and other identified resource values. The plan summarizes the Ministry's intentions to develop roads and harvest timber over the next five-year period.

These plans will be available for public viewing at the Salmon Arm Forest District Office, 2780 — 10th Avenue NE., Salmon Arm, B.C., during regular office hours of 8:30 a.m. to 4:30 p.m., between February 15 and May 15, 1996.

Comments regarding the development plan should be submitted in writing to Don Hudson, RPF, Small Business Program Manager, Bag 100, Salmon Arm, B.C. V1E 4S4, no later than May 15, 1996, in order to be considered for inclusion in the final document. [fe8 — 120468]

FIVE-YEAR SILVICULTURE PLAN

A five-year silviculture plan has been prepared for the Ministry of Forests, Vernon Forest District. This plan outlines all proposed silviculture activities, including planting, site preparation, brushing, juvenile spacing, pruning and fertilization, that will be undertaken on non-Small Business Forest Enterprise Program funded areas in the plan area, if approval is given by the Ministry of Forests. The proposed plan will be available for viewing at Ministry of Forests, Vernon District Office, 2501 — 14th Avenue, Vernon, B.C., from February 15, 1996, to April 15, 1996, between the hours of 8:30 a.m. and 4 p.m., Monday to Friday.

The proposed plan may be amended as a result of written comments received. A representative of the Ministry of Forests will be available to discuss the proposed plan and receive comments.

To ensure consideration before activities commence, any written comments must be made to Jerry Wearing, Silviculture Officer, at the above address, by the last date noted above.

If any interested parties are unable to review the proposed plan during these times, arrangements can be made to view the plan at a time convenient for them.

Please contact Jerry Wearing, Silviculture Officer, telephone 558-1700, or in writing at the above address. [fe8 — 120480]

FOREST DEVELOPMENT PLAN

Take notice that Slocan Forest Products Ltd., Quesnel Division, has completed a draft copy of the 1996 annual update to its forest development plan for Forest Licence A20011.

The development plan shows, through maps and other pertinent information, the areas that will have various management activities conducted on them between the years 1996 and 2001. Management activities include but are not limited to timber harvesting and road development. Proposed silviculture activities are shown for the period 1996 only.

The plan will be made available for general public review from February 15, 1996, through to March 15, 1996, at our office located at 1920 Brownmiller Road, Quesnel, B.C.

Viewing hours will be from 8 a.m. to 4:30 p.m., Monday through Friday. Please contact us to arrange alternate viewing times if these times are not convenient.

Written comments regarding the development plan should be made to Allan McDonald, RPF, or Martin Reeve, RPF, Slocan Forest Products Ltd., Box 8000, Quesnel, B.C. V2J 3J5, no later than April 15, 1996, to be considered for inclusion in the final document to be submitted to the Ministry of Forests. [fe8 — ZQ3]

FOREST DEVELOPMENT PLAN AND FIVE-YEAR SILVICULTURE PLAN

Take notice that Slocan Forest Products Ltd., Vavenby Division, has prepared a forest development plan and five-year silviculture plan for Forest Licence A18688 and Tree Farm Licence 18.

The draft forest development plan shows the location and orderly development of proposed harvesting, road development, maintenance and deactivation for the period 1996-2001. The plan also includes information on the maintenance and protection of other resource values in the area. Draft silviculture prescriptions will also be made available for review at this time.

The draft five year silviculture plan outlines all proposed silviculture activities including planting, site preparation, brushing and stand tending that will be undertaken for the period 1996-2001 if approval is given by the Ministry of Forests. Backlog silviculture prescriptions will also be made available for review at this time.

Both the forest development plan and the five-year silviculture plan will be available for public review and comment from February 13, 1996, to April 15, 1996, 7:30 a.m. to 4 p.m., at Slocan Forest Products Ltd., Vavenby Division, located at Vavenby, B.C.

A representative of Slocan Forest Products Ltd. will be available to discuss the proposed plans and receive comments.

Forest Development Plan Legal Notices and Advertisements -- 1997

The initiation of this amendment is consistent with direction provided by the Ministry of Forests and is dependent upon approval of a formal amendment to River-side Forest Products Limited's 1995-2000 Forest Licence A18667 Development Plan. [de12 — ZF9]

FOREST DEVELOPMENT PLAN (Amendment)

Take notice that **Weldwood of Canada Ltd.** gives notice of amendments to the 1995-2000 Forest Development Plan for Forest Licence A20013. The plan is being amended from the version previously advertised for public review. Cutting Permit 222, Blocks 15A and 15B, in the vicinity of 4400 Road, are being amended to allow for the removal of priority wind-thrown timber.

The amendment proposal will be available for public review and comment during the normal business hours from December 8, 1997 to January 20, 1997 at our office on Plywood Road, Quesnel, B.C.

Please direct all correspondence or inquiries to: **Weldwood of Canada Ltd.**, Box 2000, Quesnel, B.C. V2J 3J5, attention Greg Scott, Forest Planning Supervisor, or telephone (250) 992-5511. [de12 — ZW19]

FOREST DEVELOPMENT PLAN (Amendment)

In accordance with section 7 of the Operational Planning Regulations, notice is hereby given that **J. H. Huscroft Ltd.**, intends to harvest blowdown and standing timber infested with spruce bark beetle in the Kootenay Lake Forest District.

This emergency salvage project constitutes a major amendment to the 1996-2000 Forest Development Plan for Forest Licence A20213 and will be submitted for approval by the District Manager under section 42 (1) of the *Forest Practices Code of British Columbia Act*, without the plan or amendment having been made available for review and comment.

The following silviculture prescriptions will be submitted for approval by the District Manager under section 41 of the act.

The purpose of this harvesting project is to prevent the spread of spruce bark beetle by felling trap trees and to salvage timber volume in imminent danger of being destroyed.

Harvesting operations are proposed to commence January 13, 1996. Details of this project are available for viewing during normal business hours (8 a.m. to 4 p.m.) from December 13, 1996 until December 23, 1996, at J. H. Huscroft Ltd.'s Main Office, 922 — 32nd Avenue South, Erickson, B.C.

A representative will be available (by appointment) to discuss the plan during this time.

Comments received by January 13, 1997, will be considered in the plan. Please direct all enquiries to Mike Pascuzzo, RPF, Woodlands Manager, J. H. Huscroft Ltd., RR 1, Creston, B.C. V0B 1G0, telephone (250) 428-3703.
