To all College employees:

On behalf of the Board of Directors, we wish to advise you that Dr. Scott McAlpine is leaving the College to pursue other opportunities. We would like to take this opportunity to thank Dr. McAlpine for his significant contributions over the last five years and wish him the very best in his future endeavours.

Dr. McAlpine leaves the College in good hands, with an excellent senior management team that is dedicated to the continued success of the institution. Effective immediately, Dr. Kathy Denton has been appointed as Interim President while we begin the search process for a new President. With over 20 years at Douglas, Dr. Denton is an experienced academic and leader, and possesses an excellent understanding of the post-secondary system. She has the complete confidence of the Board and the senior management team.

This is an exciting time for Douglas College. Work is well underway on the College's next strategic plan, which will guide the institution for many years to come. As a Board, we understand the concerns that changes in leadership can bring. However, we believe that the College is in an excellent position to continue with the positive momentum built up over the past few years.

Please join me in welcoming Dr. Denton in her new role as Interim President. We look forward to working with Dr. Denton while we complete the Presidential search process.

Sincerely,

Shelley Williams, Board Chair

Subject: Douglas College meeting request with Minister Virk

Hello,

Douglas College's President, Scott McAlpine, VP Academic & Provost, Kathy Denton, and Board Chair, Shelley Williams, will be attending various meetings at the Ministry on Wed. April 2nd. They've asked me to inquire if it would also be possible to meet briefly with Minister Virk to discuss the core review and Board resourcing. They are currently available between 12-1pm and from 1:45 – 3:45pm. If it's helpful, I could re-arrange things so that they're also available at 1pm.

Thanks for your consideration. I look forward to your response.

Regards,

Laureen
