Subject: Community Forum on GM Food
Attachments: CambellRiver_WhiteBackground_ForWEB_03.pdf

Hello Everyone,

Lucy Sharratt (Coordinator, Canadian Biotechnology Action Network, Ottawa) will be speaking in Campbell River on November 14 at 7 to 9 pm in the NIC/Timberline theatre.

I am enclosing a copy of the poster for this event. If you would like to copy it and put it up, this would be great.

Thank you.
Karen Baily

COMMUNITY FORUM ON GM FOOD

What's the impact on our health and environment?

What is genetically modified food and where is it on the shelves?

What we can do about it?

7:00pm - 9:00pm

Wednesday, November 14

NIC / Timberline Theatre
1685 S. Dogwood, Campbell River

Refreshments provided by
Healthyway Natural Foods Market

JOIN US to find out about how new GM crops threaten the future of organic food and family farms. Bring your questions and concerns.

Featuring **LUCY SHARRATT**, Coordinator,
Canadian Biotechnology Action Network, Ottawa.

Lucy is one of Canada's foremost experts on genetically modified (GM) food. She has been researching and campaigning on the issue of GMOs for over 15 years with national and international environmental and social justice organizations.

Presented by Healthyway Health Food Market, the Canadian Biotechnology Action Network, Society for a GE Free BC.
