Sources:

All Surgeries: Discharge Abstract Database, Sept. 2011, Management Information Branch, HSPD
Includes all ages

Waitlisted Surgeries: As reported on Surgical Wait Times Website:
<http://www.health.gov.bc.ca/swt/faces/PriorityAreas.jsp>

Note: 2009/10 and 2010/11 data from the SPR includes ages 19+ only because complete pediatric was not reported in the SPR until the 2011/12 fiscal year

Note: DAD utilization data summarizes hospitalizations of BC residents. Therefore, non-BC residents treated in BC are excluded. BC residents treated out-of-province are included.
