Dear Areet S. Kaila:

Re: REQUEST FOR COMFORT LETTER
Establishment: Newton Arms
Located At: 229 – 7115 138th St. in Surrey, BC

This is further to your letter dated November 10, 2011, regarding your client's request for a comfort letter for the above-noted liquor licences.

The Liquor Control & Licensing Branch confirms that **Liquor Primary Liquor Licence #119579 & Licensee Retail Store Liquor Licence #192931** have been issued to **Newton Arms Pub Inc.** and that these licences are presently in good standing. As of today's date, no enforcement action has commenced against these licences.

The Branch policy permits a new owner to use the previous owner's liquor licence for up to six weeks, while the new owner assembles the documents required to meet branch requirements for the transfer of ownership. The required forms are available from the LCLB web site, www.pssg.gov.bc.ca/lclb or by contacting 1-866-209-2111 or (250) 387-1254 in Victoria.

If the transfer application requirements are complete, it will be necessary for the general manager to give consideration to basic eligibility requirements. This includes an assessment of applicant suitability, as specified in Section 16 (1) of the Liquor Control & Licensing Act, that is, a determination of whether the applicant is a "fit and proper" person to hold a liquor licence.

For your information the liquor licences will expire on **October 31, 2012**. A renewal notice is mailed to the address noted on the face of the licence two months prior to the expiry date. It is essential that any new owner familiarize themselves with this date, as an expired licence may not be transferred.

If you require further assistance please contact Shari Mason at (250) 952-5768.

Sincerely,

Rebecca Villa-Arce

Hi Ron,

I am in the process of writing a comfort letter for the above establishment and there were no enforcement issues when I ran the compliance history search. I was wondering if there were any enforcement issues pending that are not yet recorded in Posse or if this is good to go?

Thanks for all your help on this time sensitive matter,
