email received from s22

Dear Dave,

You spoke to s22 earlier about a horrible experience that we have both just had in a yellow taxi. It was yellow cab company number s22. We were picked up around s22. We did not hail him - he was just waiting on the street - it wasn't a cab rank. A few minutes into the journey and s22 politely said your meter seems to be running very fast. Up to this point the driver had completely ignored us and was talking on his phone via ear phones on a lead...he was talking and laughing. When s22 again commented on the meter the driver pretended not to understand what s22 was talking about. s22 said I am not trying to have an argument, this is merely an observation. At which point the driver became very defensive and aggressive. He called us stupid tourists and said we didn't know what we were talking about. I tried to speak and he told me to shut up and show him some respect. He wouldn't listen or even believe that this was not our first journey in a taxi, since being in your wonderful city. He kept saying that we could report him, and then said it doesn't matter as you are nearly back to your hotel. He then put his foot down on the accelerator. We tried to point out that yesterday we had taken a similar trip to for half the price. He was still shouting at me when we pulled up at our hotel. During the journey we noticed that it should be 10 cents every 10.95 secs. We both felt that it was changing at about 6 secs.

I want to point out that at no time did we say that we were not going to pay, but the driver got so aggressive that we feel he knew that there was something wrong with the meter. We live in s22 and have travelled to many different countries and taken countless cabs, so this was not our first experience using public transport.

We are travelling back to s22 on Friday and this experience has completely soured our holiday.

The service everywhere else has been impeccable and up until today we were thoroughly delighted by the different taxis that we have used throughout our stay.

With kind regards,

s22

We are staying at the s22 & will be leaving Vancouver on Friday afternoon.

Duplicate - see proceeding page for incident #2013-00073 details

I had contacted Pam Hayes from Vancouver By-laws and she has checked cab s22 meter and everything checked out ok. The concern is the drivers behaviour during the drive and how he dealt with the situation. The driver spoke with Pam Hayes when she checked his meter yesterday and he made a comment that the couple were intoxicated. I spoke with the couple right after the incident and they showed no signs of being intoxicated also the incident happened at 14:30 hrs. Can you please respond by September 5, 2013 in writing in regards to this incident.

email from Royce Santos

Good morning Dave,

In regards to the complaint below, I spoke with the driver and he denied talking on the phone, being aggressive and or made a rude comments to the passengers. He said the passengers were the one being argumentative in regards with his meter. He said, he tried to explain to them that there was nothing wrong with his meter and that coming from s22 to s22 in downtown would normally cost around \$11 to \$15 depending on time and traffic. The alleged time of incident was 14.30 hrs – this was a busy time

This complaint will be noted on the driver's file. And even though he was denying being disrespectful with the customer, I still reminded him of the driver's role as a driver on a customer-service industry and that we have to be always polite and have a lot patience in dealing with passenger/s and everyone else

Any complaint with this driver in the future, he will be dealt accordingly

Please send our sincere apologies to the customers for the inconvenience.

Sincerely,

Royce Santos

Subject: Taxi Driver Complaint

My name is s22 I took a Yellow Cab today in Vancouver and was threatened and harassed by my driver. He picked me up at s22 at 8 07 am this Tuesday April 15th 2014. He began to take a long route to the Commercial Brdway Skytrain I mentioned that it would have been faster to take another route 'next time'. As soon as I said that, he started yelling at me and telling me I should be telling him where to go. I was so scared that I asked to be dropped off right where I was s22 When I tried to pay he pointed at the door and yelled something I couldn't distinguish so I tried to leave, assuming he was kicking me out. He then started to threaten me and tell me to 'try and run from him' it was terrifying I gave him my debit card while he continued to harass me and yell at me I asked him politely to please stop talking to me and he wouldn't. After the payment was complete I exited the taxi and he then drove passed me minutes later and shouted at me another threatening comment I am afraid for my safety as this Taxi driver knows my name, phone number and address. The company said there was NOTHING they could do about it I hope someone can do something about this because my next step is a police report. Please get back to me ASAP this is urgent

I have completed the investigation. I have attached a copy of the driver's statement, a google map with directions from the pick-up point to the drop off point, the trip detail map, and a copy of our phone records

I do not agree with the person that placed the complaint. I am not good with names and when I called the driver to the office to see me today, I recognized his face. This man has been driving a taxi for s22 The lady claims that Yellow Cab could do nothing,, she only called our company once since April 15th, 2014 and that was to order the taxi. she said she going to call the police tell her to call. I do not believe there is any truth to her story, the average cost of this trip is approximately \$10 00 she was dropped off at s22

s22 She was charged \$5.30 for the trip, it is likely that had she gone the full route it would have cost her just under \$10 00 Compare both maps please and tell me what the driver did wrong in his travels under her direction (whichever way I wanted to go)

Kind regards

Thanks Carolyn for your findings. I agree with the directions provided in the google maps In regards to her filing a police report would be her call. The Branch does not get involved in that part of the complaint As to the other allegations contained in the complaint can never be proven. It would be a she said he said situation. The Branch will be closing this matter.

Thanks again for spending your time following up on this matter

May 06/14 4.24 PM
Attention: Louise

Per our conversation re complaint on Yellow Cab Company, Cab s22 Vancouver, B C

Date Sunday, May 4, 2015

Time Approximately 8:30 a.m.

of passengers: 3

Pickup: s22

Destination: Horseshoe Bay – B.C. Ferries

Firstly, two cabs were called because there were 7 passengers.
One cab had 4 passengers – their cab fare \$40.00

The other cab (3 passengers - s22 – their cab fare \$80.00

Both cabs pickups at same place and both cabs going to Horseshoe Bay

Yes, the meter was running – why such a big fare difference. s22 has been to Vancouver a few times and thought the driver was purposely taking the long way -

I don't mind a few dollars difference, but this is a bit ridiculous – so what do you think. These are s22
s22 I hate to see them being taken advantage of – (they even tipped the cab driver – not knowing they had been ripped off) (they did not know until they found out how much their friends just paid from the other cab) So that just makes it a bit worse I guess.

I called Yellow Cab yesterday and was told to call back today – called today and they put me through to Bob – I left a message for Bob to call back – Bob did not call back

Good morning Louise, I have completed the full investigation and attached trip details for your records.

The day of the complaint was the day of the BMO Marathon, many roads were closed The trip was accepted at 8:26 49am and the driver loaded the passengers at 8 42:29. The passengers got in the taxi, said they had to be at horseshoe bay for 10 00am ferry The driver offered them a choice of which way to go, he explained that many roads were closed in downtown due to the BMO marathon

The choices were Lions Gate of 2nd Narrows. As traffic was heavy the passengers chose the 2nd narrows bridge The meter was on for the entire trip, the meter ran either \$61 00 or \$63 00 The passengers gave the driver \$80.00 asked for no change and thanked him for getting them to the ferry on time

The \$40 00 charge by the other vehicle is not correct, if a taxi goes over the lions gate to horseshoe bay the cost will be between \$48 00 and \$50 00 depending on the time of day.

Kind regards

Carolyn Bauer
General Manager
Yellow Cab

May 13/14 I left a voice mail message for s22 explaining the BMO marathon was on that day and the choices were the Lions Gate Bridge or 2nd narrows. I also explained the fare and the tip

May 28/14 I'm closing this complaint as I did not hear back from s22 Will re-open if necessary

Description from consumer:

A person s22 was trying to catch a yellow cab at s22 heading north asked to be taken to the bus station and he refused s22 thinks it was too short of a trip Took a different passenger who was also standing there but was there after her. s22 asked the driver why he took the other person and he said it was because the other person called for a cab but she then asked the other person and they confirmed that they did not call for the cab so she feels that the driver was lying because he did not want to take the person s22 because the trip was shorter.

Hi Carolyn,

Please provide your comments by Wednesday, May 14, 2014.

May 12, 2014 7.22 AM

Good morning Louise, I spoke with the driver s22, his side of the story is a little different. He said that a s22 lady approached his taxi that was s22. She wanted to go to the bus station, she then saw a trans link bus and decided to run for the bus. In the meantime a fellow had jumped in the taxi and wanted to go to s22. The lady came back to the taxi and said that the taxi was hers. The driver said no I have this gentleman now, the lady questioned the fellow in the taxi about whether he called the taxi, the man said no. The driver at no time said this was a dispatched trip. The s22 Stand is a FLAG stand. The driver took the gentleman from s22 to s22. I have attached the GPS for you. The total taxi fare for this trip was \$6.20.

Thank you

Carolyn

The following complaint was received through Consumer Protection BC at the Branch on June 5, 2013 The details of the complaint is as follows:

The complaint was verbally verified as follows:

Date of incident: June 1, 2013 at approximately 12 15 am

Flag "Yes"

Origination:

s22

Destination:

Cab: Yellow Cabs

Unit: s22

Rate: no money exchanged hands because of the payment dispute between the passenger and driver, the passenger allegedly requested the driver to stop and existed the cab without paying.

The written complaint is as follows:

"I recently took a cab s22 and was told upon arriving at s22 that the system was down and they could not take my visa or debit as payment. Because I did not have cash on me I asked for a written receipt which I was told was impossible. My cab driver insisted that he must drive me away from s22 to the nearest convenience store where I would have to take money out (at a fee) in order to pay him. When I refused to do this he began driving anyways and when I told him to stop he began to verbally harass me. I eventually opened the door and got out as he yelled profanities at me. What I would like to know is what the actual protocol is in this situation and why I was not granted a written receipt."

June 10, 2013 - the complaint was directed to Yellow Cabs for a response (mgl)

June 7, 2013 - an Acknowledgement letter was directed to the complainant (mgl).

Incident Detail

File Number	2013-00051	Request Type	Record Taxi Complaint	Received Date	Jun 5, 2013
Requestor	s22	Assigned Inspector	311. Margaret Lovell	Assigned Date	Jun 5, 2013
Location	VANCOUVER	Received via	Email	Completion Date	Sep 23, 2013
Subject	Payment issues				

June 7, 2013 - clarification was sought from s22 with respect to the time of the incident. She advised as follows

"The incident actually just happened just after midnight which would mean it was June 1, 2013 and not May 31, 2013 It would have been about 12.15 a m "

June 10, 2013 - Royce Santos, Operations Coordinator for Yellow Cab Co , Ltd., advised as follows

I spoke with the driver yesterday afternoon and he denied all the allegations mentioned below. He said that he did not and does not refuse any payment from this or any customers. His explanation was that when they got to the destination, the customer gave credit card for the \$12 fare which did not work and transaction did not go through for more than two to three times of trying. He then said that he asked the passenger if she/he has any other card.

The driver mentioned that while these situations were happening, the customer's phone kept on ringing and customer was insisting that she/he was getting late and a friend was waiting. When he asked again to try the same card that did not work earlier to use in another system, driver then said that the customer became verbally abusive and then opened the door and left. He said that he then drove away and left without getting any payment

Note This complaint will be noted in his file and, if in the future we have received another complaint like this, he will face suspension. In the meantime, a verbal notice and warning was given to him and we'll be watching his closely

Please let me know if you have any concerns or questions in regards to this matter.

June 20, 2013 - a telephone message was left for s22 with a view of discussing the driver's rebuttal in conjunction with her complaint. She did not return the telephone call. (mgf)

Conclusion:

The complaint was investigated, however, the rebuttal provided by the driver is not in keeping with the actual complaint. Attempts to discuss the driver's rebuttal with the complainant were unsuccessful, as she refused to return telephone messages that were left

Based on the investigation - the findings are inconclusive

Accordingly, the file log is deemed closed. (mgf)

Comments:

The following taxi complaint was directed from the Passenger Transportation Board (Board) to the Passenger Transportation Branch by Consumers Protection BC:

"Taxi refusal from Yellow Cab s22 on Saturday March 15 at approximately 4:30. Called them. Pulled and up driver said he couldn't take us because we're going to the airport and left us standing in the rain."

Thank you"

END

March 18, 2014 - Acknowledgement letter generated but not delivered, as there is no indication of a mailing address or email address of the complainant/ (mgf)

On March 14, 2014, March 18, 2014, March 18, 2014 and as recent at May 1, 2014 - attempts were made to contact s22. There was a voice recording that stated "you have reached s22 please leave a message". Several messages have been left and no response received to date. (mgf)

Conclusion:

The information provided by Consumer Protection BC was not enough to investigate the complaint. No email address was obtained from the complainant - only a telephone number that has a recording that the complainant is in s22. It could not be ascertained whether the complainant was or is based in s22 at the time of the complaint - but is now residing in s22.

The investigation is deemed inconclusive - as the information provided could not be verified. Accordingly, this file log is deemed closed. (mgf)

Attention: Carolyn Bauer, General Manager

Hello Carolyn,

I completed a review of the information/documents you submitted on May 30, 2014 but found a few matters that require clarification or corrections:

- ✓
OK
100% met
1. Corporation Is Not In Good Standing – It has come to our attention that Yellow Cab Company Ltd. is currently not in good standing with the BC Corporate Registry. Please contact, or have your lawyer contact, the Registry at 1-800-663-6102 or <http://www.bcregistryservices.gov.bc.ca/bcreg/corppg/companies/index.page?> to remedy this matter as soon as possible. In the meantime, the Branch will be able to continue to process your application.

Please be advised that, in the event that Registry dissolves your Company because you have not restored its status to good standing, it will result in cancellation of your passenger transportation licence, the above mentioned application and your National Safety Code certificate.

- ✓ 2. Business Plan – On May 30, 2014 you submitted a 16 page business plan that appears to be a duplicate of the business plan submitted with the application on May 6th. Please clarify; is the plan submitted on May 30th a duplicate copy or does the business plan submitted on May 30th replace the one submitted on May 6th?
- ✓ 3. PDV Proposed Terms and Conditions of Licence (Board Form 2) – On May 30, 2014 you submitted PDV Proposed Terms and Conditions (Board Form 2). Board Form 2 is not a requirement when applying only for additional vehicles. The Branch had requested that you submit the PDV Vehicle Proposal (Board Form 1) which you did on May 30, 2014 (thank you). Please clarify; is Yellow Cab Company Ltd. intending to operate the proposed accessible vehicles under its current terms and conditions of licence? In other words, is the Company seeking to change any existing, or to add new, services to the current licence?
- ✓ 4. Disclosure (Board Forms 5 & 6) – It appears there may have been some confusion on how to complete these forms:
 - a) Form 5 (Unlawful Activity/Bankruptcy) – It appears that page one of each submitted Form 5 (five in total) is correct. However, on page two, in the "Name and Signature" section, the name of the person completing the form for all five submitted forms is stated as being "Kulwant Sahota" and it is noted that each form is signed by a different individual. When completing the bottom of page two on this form, the "Name of person completing the form" means the name of the director who is signing the form.

- b) Form 6 (Ownership) – The legal name of the person completing the form for all five submitted forms is stated as being "Kulwant Sahota" and it is noted that each form is signed by a different individual. When completing this form, the "Name of Person Completing the Form" section means the name of the director who is signing the form.

I have attached copies of all the completed Board Form 5 & 6. I regret that I inadvertently jumbled their order so they are not in the same order as submitted. Please have the directors make the necessary corrections and return them to me by scanned email or fax (no need to deliver the originals).

Thank you and please call me at 604-527-2185 if you have any questions.

Regards,

- ✓ b. Disclosures of Passenger Transportation Ownership – Please download Board Form 6 at <http://www.th.gov.bc.ca/forms/getForm.aspx?formId=1222>, have each director complete one, and send them to me.

NSC #: 00000200037273

NAME: YELLOW CAB COMPANY LTD.

Carrier's Safety Performance

Your NSC Carrier Profile is a record that keeps track of indicators of your on-road safety performance. These indicators are:

- * the number and type of at-fault accidents involving the vehicle(s) operating under your Safety Certificate (NSC points are removed from the profile for accidents if it can be determined that the driver was less than 50% at fault);
- * roadside (CVSA) vehicle inspections that put a vehicle or driver out-of-service;
- * contraventions (e.g. violation tickets) which have been deemed guilty; and
- * an overall total of accidents, out-of-service CVSA inspections, and contraventions.

The above items may have occurred while operating in BC or other North American jurisdictions.

Most items recorded on a Carrier Profile are assigned NSC profile points.

The following chart indicates your point scores in each of the above categories.

PROFILE SCORES	FLEET SIZE	CONTRA-VENTIONS	OUT OF SERVICE CVSA	ACCIDENTS	OVERALL
YELLOW CAB COMPANY L	288.75	1.69	0.06	0.26	2.01
ANNUAL PROVIN MEDIAN	20.01	0.37	0.19	0.10	0.53

The chart compares your scores to the provincial average for carriers with the same or similar fleet size. Fleet size is determined by the number of days that your vehicle(s) have been operating under your NSC certificate over a 12-month period. Each 365 vehicle licenced days, or portion thereof, is considered to be one vehicle.

For your information, a copy of your Carrier Profile report is enclosed. The report shows information for each of the incidents recorded for your fleet. Please review the profile. If you find any inconsistencies, please report them to the NSC program office by mail, or by faxing a copy of the profile page(s) to (250) 952-0578. Indicate the discrepancy(s) and reason(s) why. If NSC points appear for an accident for which you were not considered to be 50% or more at fault, please provide a copy of this information from your insurance provider. The NSC program office will investigate and, where applicable, make the necessary corrections as promptly as possible.

To monitor your on-road safety performance, you may request a copy of your Carrier Profile on a regular basis. Send a letter, fax, or e-mail to the NSC program office requesting a copy of your Carrier Profile report.

Good morning Deborah, Please find attached Board Form 5 and 6 for the Directors of Yellow Cab, this will correct your question #4, All Directors have now completed their own. (thank you)

Question #1, all has been corrected with BC Corporations Registry. for this I must thank you, I contacted our lawyer immediately, he had forgotten to send over the annual reports that were due in March of 2014, (now submitted)

Question 2: Yes this is a duplicate copy.

Question 3: Yellow Cab Company Ltd. Will definitely operate the proposed accessible vehicles under its current terms and conditions of licence, there will be no changes to the Current Condition of Licence.

There will be no changes to the Current Condition of Licence for Maclures Cabs (1984) Ltd, Vancouver Taxi Ltd, or Black Top Cabs, they also will definitely operate under their currst Conditions of Licence.

Thank you very much for all of your assistance.

Carolyn

Subject: YELLOW CAB COMPANY LTD. (Special Authorization Application No. AV107/14)

Attention: Carolyn Bauer, General Manager

Hello Carolyn,

I completed a review of the information/documents you submitted on May 30, 2014 but found a few matters that require clarification or corrections:

1. Corporation Is Not In Good Standing – It has come to our attention that Yellow Cab Company Ltd. is currently not in good standing with the BC Corporate Registry. Please contact, or have your lawyer contact, the Registry at 1-800-663-6102 or <http://www.bcregistryservices.gov.bc.ca/bcreg/corppg/companies/index.page?> to remedy this matter as soon as possible. In the meantime, the Branch will be able to continue to process your application.

Please be advised that, in the event that Registry dissolves your Company because you have not restored its status to good standing, it will result in cancellation of your passenger transportation licence, the above mentioned application and your National Safety Code certificate.

2. Business Plan – On May 30, 2014 you submitted a 16 page business plan that appears to be a duplicate of the business plan submitted with the application on May 6th. Please clarify; is the plan submitted on May 30th a duplicate copy or does the business plan submitted on May 30th replace the one submitted on May 6th?
3. PDV Proposed Terms and Conditions of Licence (Board Form 2) – On May 30, 2014 you submitted PDV Proposed Terms and Conditions (Board Form 2). Board Form 2 is not a requirement when applying only for additional vehicles. The Branch had requested that you submit the PDV Vehicle Proposal (Board Form 1) which you did on May 30, 2014 (thank you). Please clarify; is Yellow Cab Company Ltd. intending to operate the proposed accessible vehicles under its current terms and conditions of licence? In other words, is the Company seeking to change any existing, or to add new, services to the current licence?
4. Disclosure (Board Forms 5 & 6) – It appears there may have been some confusion on how to complete these forms:
 - a) Form 5 (Unlawful Activity/Bankruptcy) – It appears that page one of each submitted Form 5 (five in total) is correct. However, on page two, in the "Name and Signature" section, the name of the person completing the form for all five submitted forms is stated as being "Kulwant Sahota" and it is noted that each form is signed by a different individual. When completing the bottom of page two on this form, the "Name of person completing the form" means the name of the director who is signing the form.
 - b) Form 6 (Ownership) – The legal name of the person completing the form for all five submitted forms is stated as being "Kulwant Sahota" and it is noted that each form is signed by a different individual. When completing this form, the "Name of Person Completing the Form" section means the name of the director who is signing the form.

I have attached copies of all the completed Board Form 5 & 6. I regret that I inadvertently jumbled their order so they are not in the same order as submitted. Please have the directors make the necessary corrections and return them to me by scanned email or fax (no need to deliver the originals).

Thank you and please call me at 604-527-2185 if you have any questions.

Regards,

Comments:

Good day,

I am writing to complain about an incident that occurred today. The information is below

MY INFORMATION. s22

DATE. Thursday July 25th 2013

TIME 12 45 PM

LOCATION. Vancouver taxi stand s22

INCIDENT: The Vancouver Taxi cab s22 was parked on the taxi stand. The driver came across as I approached the car and said "get in I will take you". Then he asked me where I would like to go and I said Burnaby. HE said NO, at this time of day would be too much traffic to get to Burnaby and he is not going to Burnaby. If I continue to wait there I will get another taxi

I would like to know if taxi drivers are allowed to discriminate like this and what can and will be done about this? Please contact me if you require any further information.

Best regards,

s22

July 25, 2013 Acknowledgement letter sent to the complainant.

July 25, 2013 E-mail sent to John Palis to interview the driver in question and have the driver give his written explanation to the allegations and for John Palis to report back with his findings by Monday, July 29, 2013.

Conclusion:

This complaint was on the CPBC report but we did not receive it from them. We received this complaint directly from the complainant s22

Tuesday, August 6, 2013 10 07 AM E-mail received from John Palis. Suspension letter for driver s22 imported to the correspondence tab.

Best Regards,
John

Good morning John,

Thank you for providing the Branch with a copy of the suspension letter for driver s22 I will now close this matter.

Nov 14/13 The complainant s22 telephoned the office to find out the status of his complaint received back in July/13. 16 00 hrs approx He said he received an acknowledgement letter but most likely deleted it from his e-mail The information he gave me was it was a Vancouver Taxi, the incident happened around 12 00 pm, taxi driver refused to take him to Burnaby and he sent the e-mail in July. After spending a few minutes on the telephone trying to locate his e-mail I asked him why he was calling because the acknowledgement states that we do not advise him of the punitive action taken against the driver/licensee. I tried to explain the process to him and he hung up on me. I still kept looking for his complaint and found it I called him back to say he hung up on me and he said it was a f... g waste of time. I told him I located the file and that while I had him on the phone I was looking for his complaint on our system The complaint came through CPBC He again hung up on me. Lms

However, these temporary cab

drivers do tend to cause dispute among those that are fully licensed to drive a cab. For instance, s22 from MacLure taxi and s22 Vancouver taxi, violate trip sheet rules by driving without being signed in from the dispatcher and driving before times they are assigned to. s22 was driving at 4am when they were supposed to be driving around 6am. s22 was driving around at 5:30am. This upsets those drivers that are fully licensed who have priority over the temps that are supposed to start at 6am in regards to picking up customers. This causes lots of frustration among all drivers leading to arguments. This represents a bad reputation for all companies especially when taxi services rely on loyalty of customers who value great customer service. Why not just grant them permanent licenses to prevent matters like these. Moreover, most important many of these drivers will be violating company and legal rules for driving continuously for 24-36 hours. This is extremely absurd as this puts customers' lives in danger and increases your liability. s22 would request to consider this email seriously and solve this matter.

May 09/14 I left a message for John Palis giving him the alleged two taxi cabs s22 that are starting shifts at 4:00 am instead 6:00 am.

Subject: Complaint regarding temporary taxi

Duplicate - see preceding page for incident #2014-00036 details

Please interview the driver(s) in question and report back the findings to the above allegations by Friday, May 16, 2014.

Good afternoon John,

May 28/14 I spoke with John Palis this day. He said he was in the process of responding to me via e-mail on this matter.

May 28/14 2:35 PM
Hi Louise,

I have interviewed both the driver of s22. Yes they were both at the s22 area around 05:30 s22 driver and s22 are not regular Temp car operators as we do not have them on the day-shift no more than 6 or 7 times a year. As you may or may not be aware May 8th was a last minute addition to aid the cruise-ship industry to meet demand. On that Permit issued by the Board the start time was 5 A.M. On the Temporary Operating Permit issued February 3rd 2014 the start time for May 9 & 10 is 6 A.M. As the use of temp cars on days is an anomaly there was just an innocent assumption by both that the Friday start time was the same as the Thursday

I also understand that our dispatch personnel once advised of their presence did make them contact the office to make sure that they not service any trips till after 06:00

Please let me know if you require any further follow-up
