We are issuing you a revised fee estimate as a result of changes to the search time for records located. The search time was overestimated by 2.5 hours. The final fee has been calculated as follows:

2.5 hours to locate and retrieve records @ \$30.00/hour = \$75.00
Does not include the first 3 hours which are not charged to you.

As you have already paid this amount, no additional fees are required.

Your file is now closed.

These records will be published on the BC Government's Open Information website a minimum of 72 hours after electronic release or a minimum of five business days after release by mail in hardcopy.
