Subject: speech from Hon. Teresa Wat

Dear Sir,

Is it possible to send the draft of the Hon. Teresa Wat's speech for us to prepare the report back to our headquarter?

Of course, the speech draft is only for our official use and will not make to the public before the Hon.'s actual speech.

OK. Thank you very much Sir.

Would you please provide the postal address for Minister Wilkinson and Teresa Wat's respective postal addresses so that we can send out the invitation card? Because on that day, there will be a lot of guests and I am afraid that those Chinese students at the registration desk might not know the two Ministers:)

Dear Sir,

Thank you so much for your information and the confirmation is as followed:
