FIN-2011-00050	Media	All correspondence [email, letters etc] upon Premier Christy Clark's announcement on March 24, 2011 that an extra \$15 million in gambling grants will be given to more than 2,000 non-profit community groups; The money is a partial restoration of Liberal government cuts to gambling grants that sparked an outcry from many non-profit community, arts and culture groups. But it's still \$21 million less than the \$156 million that was distributed to some 6,800 organizations two years ago. The next year, the Campbell government cut grants to \$113 million. This year's grants totalled \$120 million, but Thursday's announcement topped them up to \$135 million. Arts groups representatives said the announcement does nothing to address changes to eligibility rules -made at the same time as the cuts -that disbarred more than 800 adult art and cultural groups from receiving gambling grants. Please send me all internal memos and briefing notes on these funding questions from Jan. 1, 2009 to the [April 5, 2011] i.e. the eligibility rules, rationale for which groups were cut or not, impacts of cuts, etc.	05-Apr-2011	04-Jul-2011	17-Jun-2011
