Hi Lynda. Just a quick FYI to advise that Athana Mentzelopoulos, Deputy Minister of the M. of Jobs, Tourism and Skills Training, is seeking indemnity coverage for a defamation action she has brought against Rob Fleming, MLA and member of the NDP. Because she is a DM, the Deputy Attorney General acts as the administrator in this case. So nothing for you to do, but thought you should be aware given the profile of the individuals involved. The relevant application materials are attached.

Thanks.
