Hello

Was just wondering why nanaimo has been fined for alcohol beverages in locker rooms yet in Port Alberni not only is alcohol permitted by arena staff and parks and rec as s.22 s.22 plays hockey and is in the dressing room observing the drinking of alcohol beverages. Or is this just a municipal thing for Nanaimo. There is drinking in all adult leagues in Port Alberni go any night of the week in any and all dressing rooms you will find coolers of beer. How is this allowed in one municipality (port Alberni) yet not others (Nanaimo). Shouldn't all be under same rules

Really the best times would be Thursday , Friday or Sunday nights from aprox 8:00 till aprox 11:00, but seriously any night you will observe coolers rolling in and there's no coca cola or Gatorade in there. The consumption of alcohol is rampant in av multiplex and the only time the designated area is used for this is during bulldogs games

This is not isolated this is every adult game. That was 3 out of 3 rooms if any investigator went there on any given night they would find beer cans in every room.

Sunday. So I think Mr Bilodeau is either not taking the problem serious or is not concerned
with the what has been told of him by yourself. There has been no mention to the league
representatives if the NCHL as I receive all emails and notices from the league and have
heard nothing regarding the consumption of alcoholic beverages in dressing rooms.

with his supervisor as well to ensure this practice ceases immediately. They may consume
liquor only in the licenced area of the establishment or teams may get Special Occasion
Licences for the odd event in the change room. Otherwise there can be no liquor in the
dressing room. Thanks for reporting this to the Branch.
