"A summary document listing any and all contracts (including "service agreements" or "service contracts") that have been directly awarded by the ministry. Please include the name of the contractor, the dollar amount of contract, a short description of services provided and the ministry's rationale for direct awarding. Please exclude foster home and group home contracts from the Ministry of Children and Family Development records. Additionally, please include records from any and all agencies, boards, commissions, crowns, secretariats, trusts, programs, councils, authorities, funds, cabinet operations or any other entity as described in by Ministry responsibilities and whose records are processed by Information Access Operations. The time frame of this request is September 1, 2014 to September 30, 2014 (from the contract start dates, not the direct award dates)."
