Subject: correspondence follow up

Hello,

I am following up on correspondence from Minister Lake addressed to MP Mark Warawa dated July 16, 2014, with reference 1011429, regarding the allocation of federal health care funding as impacted by changes to the Canada Health Transfer.

In the Minister's letter he indicated that he would like to make a presentation regarding this issue to BC federal government caucus, and I have been asked to contact your office to start the arrangements for his visit.

Could someone from your office please contact me to advise if Minister Lake has an upcoming visit to Ottawa so that we can commence plans for this meeting. Note that we will be working with MP Bob Zimmer to organize this meeting since he is the Chair of BC/Yukon Caucus.

Many thanks,
Mary
