5:23 Arrive Roger's arena watched staff get ready Donna spoke to Michael Don, to inquire of their procedure to check ID and give appropriate person (19+) wrist bands to be able to obtain their free beer. Customers will be ID'd and patted down as they come down the shoot and then provided with their wrist band if 19+ or a free pop card if they are a minor. Watched for a while as staff processed the customers.  
Stopped by a gate in the rear to watch their ID and banding practices.

6:00 Arrive level one by gate 116 to watch how the beer is being dispersed and how the wrist bands are being removed. Donna checked her e mails and confirmed that there was supposed to be someone at each of these stations checking ID of anyone under the age of 25. No one was checking ID here. They have someone cutting off the band and someone else pouring and serving the beer.

6:13 By gate 111 guys in suits handing out beer and cutting off wrist bands.  
Looks like a photo op area no one checking ID

6:19 By gates 105 & 106 No ID being checked

6:24 By gates 101 & 102 No ID being checked (not a very busy station at all)

6:27 By gates 120 & 119 No ID being checked

6:35 By gates 116 & 117 (full circle) Still no ID being checked (at this station, we observed 4 males in Canuck jerseys that looked particularly young and they weren't asked for ID)

6:45 Met up with Doug D and Edward they stayed on level one and we went to level 3

6:52 Arrive 3rd floor

6:53 By gates 326 & 327 No ID being checked

7:00 By gates 317 & 318 one person cutting off bands and the other 2 serving beer  
No ID being checked

7:13 By gates 315 & 316 2 girls serving and removing bands very slow. No ID being checked

7:20 By gates 309 & 308 No ID being checked

7:22 By gates 301 & 302 No ID being checked

7:26 Donna spoke to Jim Day and told him that no ID was being checked for anyone appearing under 25 years old at the stations as per the Terms and Conditions placed on this event. He said that now that everyone was inside the stadium, they were repositioning the volunteers to now assist at the free beer stations so that they could check ID.

7:28 Ran into the gang squad

8:26 By gates 117 & 116 No issues

The dispersing of free beer has really slowed down and each station has a lot of staff now.  
Departed after the end of the 2nd period.

Comments	Attended for a MAP inspection. Minor Agent 34 entered through main gates with her ticket; Lowden and I entered through security.  Minor agent attempted two temporary booths (one budwiser, one mike's hard, and one hawker) All requested ID. Had observed three hawkers selling liquor in main concourse while game has started. At gate 118 observed another male hawker; Agent 34 approached him. He sold liquor to her without requesting ID. Lowden and I watched transaction take place. Met with minor agent at King's Club to do notes and take picture of product. Contacted Diana Campbell, and met up at Kings Club in a staff room. Discussed situation with minor obtaining liquor without ID; also discussed t&c for hawkers selling liquor only in stands not concourse. Provided copy of license. Issued CN B008819, and gave liquor to dispose of.
