ADDITIONAL NOTES

Services:

Service readiness and operational service delivery resources and activities authorized through this Service Request include:

- Contact Centre
- -Contact centre agents
- -Call queues
- -Call outcome capture
- Document Processing
- -Returned mail processing (confirm no document mailout??)
- Escalation Handling
- · Facilities, Infrastructure and IT
- -Facilities and infrastructure services
- -Telecommunication Services (including Call Centre Anywhere)
- -IT administration and maintenance
- -Technical Support
- Program and Service Delivery Management
- -Resourcing and scheduling
- -Reporting and monitoring
- -Client communications and status reporting

Hours of Operation:

Initially the hours of operation for the Contact Centre will be Monday to Friday 8:00 AM to 4:30 PM. MOH will review and confirm the hours of operation on a monthly basis.

The Operational Delivery Phase will start JANUARY 14, 2013.

Due to the unknown call volume and duration of the Operational Phase, MOH and MAXIMUS have agreed, in principle, to manage the Operational Phase on a month to month basis. At least 6 business days prior to the start of each month, MOH and MAXIMUS will agree on the staffing level and commitment duration.

MAXIMUS will provide daily reports to MOH by 10:00 a.m.on the volumes of services provided on the previous working day. These reports will be used as the basis for projecting/adjusting future service volumes and staffing requirements.

Fees:

All services will be priced as shown in the attached document 'CRP - Pricing Model and Planning Jan 11.xls'

Services for Month 1 of Operations (January 7, 2013 through January 31, 2013) will be invoiced based on actual costs incurred. Services will be priced per the attached Cost Model (CRP - Pricing Model and Planning Jan 11.xls). No overtime will be incurred without prior approval of MOH.

Service levels and fees for subsequent months will be confirmed at least 6 days prior to the start of each month.

The maximum amount to be billed under this Service Request is \$350,000.

Planning and Set-U	Planning and Set-Up Costs-Communication Response Project (CRP) AMENDMENT 1									
DETAILED DESCRIPTION OF	SERVICE REQUEST									
This Amendment 1 i	ncreases the total allow	able one-time planning	a set-up	phase fees from \$350,000	0 to \$650,000.					
In November 2012,	the Ministry of Health in	itiated planning for the C	commur	nication Response Project.	This service request is					
for MAXIMUS to plan and set up a temporary contact centre to provide information support to a large volume of callers on behalf of the Ministry of Health. See Additional Notes section for further details.										
One-time planning and setup phase fees, not to exceed \$350,000 will be invoiced based on actual effort and costs expended.

ADDITIONAL NOTES

Services include:

Design and setup service includes:

- · Project Planning, Coordination and Administration
- -Project plan development
- -Estimating
- -Client engagement meetings
- -Planning meetings
- -Coordination
- -Status Reporting
- Privacy Consulting and Assessment
- -Privacy response planning
- -Assessment and manual investigation of beneficiaries
- · Communications Consulting
- -Script Development (and/or assist)
- -Letter Development
- -Liaison with MOH regarding publications, announcements and media releases
- · Letter Production and Handling
- -Data extract and letter content exchange
- -Coordinate Letter production and mail out with BC MailPlus
- -Return mail handling and follow up
- · Contact Centre Solution Setup
- -Design and size contact centre solution
- -Coordinate setup of a contact centre (CCA) solution instance
- -Establish Network access
- -Remote call forward identified phone numbers
- -Design call queues
- · Facilities and Infrastructure Setup
- -Provide and prepare office space for up to 60 concurrent agents
- -Provide telephones, desktop computers
- -Establish logical access for all identified users to required applications.
- IT Application Development and Testing
- -Requirements gathering
- -Design and Development
- -Testing and Deployment
- · Recruitment, Resourcing and Scheduling
- -Develop resourcing strategy
- -Recruit additional auxiliary staff
- -Develop staffing schedule
- Training
- -Develop training plan
- -Develop training material
- -Develop training schedule
- -Deliver training
