Honourable Ida Chong
Minister of Community, Sport and Cultural Development
PO Box 9056, Stn Prov Govt
Victoria, BC V8W 9E2

Dear Minister Chong:

The Province of British Columbia continues to play an integral role in the support, development, and successes of the over sixty-five Provincial Sport Organizations who promote amateur sport through programs and services throughout the Province of BC.

As you know from your recent visit to our 2011 Bantam Provincial Championships held in Victoria last weekend, the BC Hosting Grants go a long way in supporting our provincial and national programs. This support not only allows us to present the best possible events at that level; this funding gives us the ability to allocate more funds toward the development of box, field and women's field lacrosse at the local community level throughout BC.

Today, we have received more great news from 2010 Legacies Now! We will be entering into another Contribution Agreement for the 2011-2012 fiscal year with the Province of BC, with funding priorities in the areas of Participation and Membership programs and services, as well as support for our Lacrosse Regional Coaches and Athlete Assistance Programs. From grassroots to high performance, this funding will help us provide opportunities for personal growth and excellence in sport for athletes, coaches, officials, and volunteers who are all part of the BC Lacrosse Community's extended family.

We wish you, and look forward to working with you in creating a future of healthy, happy, active lifestyles.

Sincerely,
British Columbia Lacrosse Association
