

Energy, Mines and Petroleum Resources
2020 Ministry Transition Binder Table of Contents

Ministry Profile 1

Executive Member Biography 2

DM Fazil Mihlar
 ADM Nathaniel Amann-Blake, Mines Health, Safety & Enforcement Division
 ADM Wes Boyd, Corporate Services for the Natural Resource Sector
 ADM Michelle Carr, LNG Canada Implementation Secretariat
 ADM Simon Coley, Strategic & Indigenous Affairs Division
 ADM Les MacLaren, Electricity & Alternate Energy Division
 ADM May Mah-Paulson, Oil & Gas Division
 ADM Peter Robb, Mines Competitiveness & Authorizations Division
 EPL Suzanne Manahan, Woodfibre Implementation Group

Core Business, Program Areas, Business Profile 3

Corporate Services for the Natural Resource Sector
 Electricity & Alternate Energy Division
 LNG Canada Implementation Secretariat
 Mines Competitiveness & Authorizations Division
 Mines Health, Safety & Enforcement Division
 Oil & Gas Division
 Strategic & Indigenous Affairs Division
 Woodfibre Implementation Group

Key Stakeholders 4

Corporate Issues and Opportunities..... 5

1. Land-use and Economic Development in North East BC
 2. LNG Canada and Coastal GasLink (CGL) Project Update and Summary of Key Issues
 3. Mining Reform
 4. Southeast Coal Mining Overview
 5. Trans Mountain Expansion Project

30/60/90 Day Decision Notes 6

Cabinet Confidences;
 Advice/Recommendations;
 Intergovernmental

30 Day:
 BC Hydro: Phase 2 Actions and Roll-out Business Information; Cabinet
 Business Information; Cabinet Confidences; Advice/Recommendations;

60 Day:
 BC Hydrogen Strategy
 Cabinet Confidences;
 Advice/Recommendations;
 Cabinet Confidences; Advice/Recommendations; Government Financial Information
 Cabinet Confidences; Advice/Recommendations;
 Imperial Metals Giant Copper exploration project
 Business
 Information;

Order In Council Appointments Required within 90 Days..... 7

Briefing Note Crown Agencies..... 8

- Assayers Certification Program in British Columbia
- BC Oil and Gas Commission
- BC Hydro

Advice/Recommendations; Intergovernmental Communications; Government Financial Information 9

Platform Tracking and Analysis 10

- NDP
- BC Liberals

Transition Briefing Notes

Electricity & Alternate Energy Division..... 11

Decision Notes

1. Advanced Research and Commercialization (ARC) – Commercial Vehicle Innovation Challenge
2. Cabinet Confidences; Advice/Recommendations
3. Cabinet Confidences; Advice/Recommendations; Legal
4. Cabinet Confidences; Advice/Recommendations
5. Building Innovation Fund
6. Cabinet Confidences;
7. Cabinet Confidences; Advice/Recommendations; Intergovernmental Communications; Government Financial
8. Setting of BC Hydro Net Income for F2023 and beyond
9. Cabinet Confidences; Advice/Recommendations; Legal Information; Intergovernmental Communications; Government Financial Information
10. Borealis Geopower Permit Renewal
11. Creative Energy Request for Certificate of Public Convenience and Necessity Exemption
12. Cabinet Confidences;
13. Remote Community Energy Strategy
14. Clean Portfolio Standard for Gas Distribution Utilities
15. Cabinet Confidences; Advice/Recommendations
16. LNG Bunkering
17. CleanBC Industrial Electrification Package

Information Notes

Transportation

1. GoElectric / Zero Emission Vehicles
2. Zero Emission Vehicle Act/Regulation

GoElectric Programs

3. Vehicle Charging and Hydrogen Fueling Funding
4. Specialty Use Vehicle Incentive (SUVI)
5. Advanced Research and Commercialization (ARC)

Clean Fuels

6. Renewable and Low Carbon Fuel Requirements Regulations
7. Increasing Renewable Fuel Production in BC
8. BC Bioenergy Strategy

Energy Efficiency

9. Clean Building Strategy
10. Better Homes and Better Buildings Program
11. Utility Demand-Side Management

BC Hydro

- 12. Site C Update
- 13. Auditor General Report on Rate Regulated Accounting
- 14. Energy Purchase Agreements and Renewals
- 15. Paper Excellence and the Biomass Energy Program
- 16. Clean Power 2040: BC Hydro’s Integrated Resource Plan
- 17. Geothermal Energy

BC Utilities Commission (BCUC)

- 18. BCUC/*Utilities Commission Act (UCA) “101”*
- 19. BCUC decision on BC Hydro’s F20/F21 Revenue Requirements Application
- 20. Inquiry on the Regulation of First Nations Utilities
- 21. BC Hydro Residential Inclining Block Report and Residential Optional Rates applications

Communities

- 22. BC Indigenous Clean Energy Initiative

Innovative Clean Energy (ICE) Fund

- 23. ICE Fund
- 24. ICE Fund / Sustainable Development Technology Canada (SDTC) Partnership

Climate Leadership

- 25. Centre for Innovation and Clean Energy
- 26. CleanBC Next Phase
- 27. Upstream Electrification and BC-Canada MOU/ North Montney Region Electrification Project
- 28. Pattullo Bridge

Columbia River Treaty (CRT)

- 29. Background on CRT
- 30. CRT Negotiations

LNG Canada Implementation Secretariat 12

Decision Notes

- 1. 60 Day Decision: Coastal Gaslink Equity

Information Notes

- 1. LNG Canada Project Profile
- 2. LNG Canada and CGL and the Morice River area
- 3. LNG Canada Coastal GasLink Pipeline Project Profile
- 4. LNG Canada Operating Performance Payment Agreement

Mines Competitiveness & Authorizations Division 13

Information Notes

- 1. Mining Regulatory Reform
- 2. Permitting Regional Mines Improvement Project

Exploration

- 3. Exploration highlights in BC
- 4. British Columbia Geological Survey
- 5. Geoscience BC
- 6. Mining Exploration Tax Incentive Programs
- 7. Golden Triangle
- 8. Thor Project: Taranis Resources

Mine Development Projects

- 9. Table: Mine Development Projects in B.C.
- 10. Blackwater Provincial Permit Process
- 11. New Prosperity Stand Down Agreement
- 12. Giant Copper Proposed Mineral Exploration
- 13. OK Industries Proposed Quarry – Millstream Road

Operating Mines

- 14. Operating Coal Mines in B.C.
- 15. Operating Metal Mines in B.C.
- 16. Map: Operating Mines & Selected Major Exploration Projects in BC
- 17. Mineral Tax Revenue Forecast / Revenue Sharing with First Nations
- 18. Financial Securities for Mines
- 19. South Island Aggregates
- 20. Deasan Holding Gravel Pit – Permit Status

Major Amendments

- 21. Table: Major Amendments

Closed Care and Maintenance Mines

- 22. Tulsequah Chief Mine

Policy

- 23. Mining Competitiveness
- 24. BC’s Transboundary Relations with Alaska, Montana and Washington
- 25. Mining Jobs Task Force
- 26. Placer Mining in BC
- 27. COVID-19 Impacts and Response
- 28. Willow Creek Mine Curtailment of Operations
- 29. Mining Innovation Hub

Mines Health, Safety & Enforcement Division 14

Information Notes

- 1. Mining Oversight
- 2. Code Review
- 3. Health and Safety of BC Mines
- 4. Abandoned Mines
- 5. Mine Audits and Effectiveness
- 6. Mines Investigations
- 7. Quinsam Coal Receivership
- 8. Mines Digital Services

Oil and Gas Division 15

Decision Notes

- 1. Cabinet Confidences; Advice/Recommendations
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.

Information Notes

Tenuring and Geoscience

1. Petroleum and Natural Gas Tenuring and Disposition
2. Petroleum and Natural Gas Tenure Revenue
3. Caribou Recovery Planning
4. Treaty Land Entitlement
5. Regional Strategic Environmental Assessment (RSEA)
6. Farmers' Information Service
7. Petroleum and Natural Gas Development and Agriculture

Economics and Market Development

8. Royalty Revenues and Incentive Programs
9. Production and Market Outlook
10. Fuel Price Transparency Act
11. Government Action on LNG Competitiveness
12. Opportunities for LNG Development to Support Climate Change Objectives
13. Upstream Investment and Competitiveness
14. Questions on Subsidies
15. Market Access Projects under Development
16. Environmental, Social and Governance (ESG) Factors in Resource Development Investment

Regulatory and Infrastructure

17. Overview of the Oil and Gas Sector's Greenhouse Gas Emissions and Climate Action
18. Methane Regulations and Federal Equivalency Agreement
19. Canada Energy Regulator
20. Scientific Review of Hydraulic Fracturing and Response Action Plan
21. Clean Growth Infrastructure Royalty Program (CGIRP)
22. Federally Funded Programs for Dormant and Orphan Well Clean-up
23. Sierra Yoyo Desan Road
24. Legislation: Oil and Gas Activities Act; Petroleum and Natural Gas Act

Oil Infrastructure Group

25. Trans Mountain Expansion Project Overview and Permitting
26. Trans Mountain Expansion Project - Construction, Work Camps and COVID-19
27. Trans Mountain Expansion Project Indigenous Consultation

Strategic & Indigenous Affairs Division 16

Decision Notes

1. 30 Day Decision: Indigenous Funding Envelope (IFE)
2. 60 Day Decision: Environmental Stewardship Initiative (ESI)
3. 60 Day Decision: Site C Peace River Legacy Fund (PRLF)
4. 90 Day Decision: First Nation Energy and Mining Council (FNEMC)

Information Notes

1. SIAD Overview
2. EMPR Reconciliation Plan/DRIPA Implementation Plan
3. Regional Mining Alliance (RMA)

4. Environmental Assessment Revitalization (EAR)
5. Clean Grid Initiative (CGI)
6. Land Use Planning (MLUP)
7. Clarke Lake Geothermal Project
8. Environmental and Social Governance (ESG)

Woodfibre Implementation Group..... 17

Information Notes

1. Woodfibre LNG Facility Project Overview
2. Eagle Mountain Pipeline Project Overview

Corporate Services for the Natural Resource Sector..... 18

Information Notes

1. Budget 2020 EMPR Minister Briefing

Government Communication and Public Engagement Issue Notes..... 19

Information Notes

1. BC Hydro Rates
2. BC Hydro Site C Update
3. BC Hydro Review Phase 2
4. Columbia River Treaty
5. Electric Vehicle (EV) Rebates and Uptake
6. Imperial Metals-Skagit
7. Independent Power Producers (IPP) and Biomass Renewals
8. OK Industries Permit Approval
9. Old Fort Landslide Deasan
10. Renewable Energy for Remote Communities (RERC) ERC and IPP
11. Taseko and Tsilhqotin
12. Zero Emission Vehicle Act (ZEVA) Targets: medium-heavy duty vehicles

Cabinet Confidences;
Advice/Recommendations 20

Freedom of Information and Records Management..... 21

Cross-Government Notes..... 22

30-60-90 Day Decision Notes

Cabinet Confidences; Advice/Recommendations; Intergovernmental Communications;
Government Financial Information

Issues and Opportunities Notes:

1. Future LNG Development in BC
(Led by Ministry of Finance)
2. Cabinet Confidences; Advice/Recommendations; Intergovernmental
Communications; Government Financial Information
3. Cabinet Confidences; Advice/Recommendations
