Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Public Safety and Solicitor General. Your request is for:

In a spreadsheet format if possible: Civil forfeiture seizure records broken down by date - as specific as possible, monetary amount of cash and goods, classifications of items seized, locations - where possible, especially where real estate is involved, and name of respondents that the items were seized from. (Date Range for Record Search: From 01/01/2015 To 12/31/2017)

Please find enclosed a copy of the records located in response to your request. Some information has been withheld pursuant to section 22 (Disclosure harmful to personal privacy) of FOIPPA. A complete copy of FOIPPA is available online at:

http://www.bclaws.ca/civix/document/id/complete/statreg/96165_00

Please note, the Civil Forfeiture Office (CFO) does not seize assets. Police seize assets and voluntarily refer files to the CFO to apply for forfeiture of seized assets. Additionally, the CFO does not track information in the way you have requested it. The system is file-based, as opposed to asset-based, and the outcomes related to each specific asset are not tracked as that is not relevant to the CFO's business.

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
