Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Finance. Your request is for:

A list, by company, of deep wells and/or horizontal wells that meet the requirement of qualifying wells under the Natural Gas Deep Well Credit Program for the most recent fiscal year and the fiscal year prior.

You requested a review of the public body's severing decisions with the Office of the Information and Privacy Commissioner (OIPC). The public body has reconsidered its decision to withhold portions of the records pursuant to section 21 (Disclosure harmful to business interests of a third party) of FOIPPA.

Please find enclosed a revised, reconsidered response to your request. The records have now been released in their entirety.

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation
