**Re: Request for Access to Records  
Freedom of Information and Protection of Privacy Act (FOIPPA)**

I am writing further to your request received by the Ministry of Health. You narrowed your request by excluding emails on April 6, 2021, through conversation and/or email with Ryan Graves. On August 6, 2021, you agreed to exclude French versions of federal documents. Your request is for:

*Any data, reports and records (excluding emails) created between May 1, 2020 and the present day by your organization (including subsidiary organizations such as the BC CDC) concerning COVID-19 'rapid tests' such as the Abbott ID NOW, BinaxNOW and other similar tests. This request includes all type of related records, including, but not limited to: Any records which set out the Province's future plans for ongoing COVID-19 rapid testing, including the number of planned tests, the use of rapid testing in long-term care facilities, the sampling logic and approach and the cost of the testing program; Any comparative studies on the use of rapid testing in the Province versus other jurisdictions or between other jurisdictions; Any internal studies or reports or communications on the availability or ability of the citizens of the Province to purchase any of the COVID-19 testing products with their own funds and for their own purposes. In particular internal studies or reports which served as evidence for the Provincial Health Officer's decision early in the pandemic not to make COVID-19 tests available for the public to purchase independently for travel and business related purposes. (Date Range for Record Search: From 5/1/2020 To 2/12/2021)*

.../2

This is the final phase of your request. Some information has been withheld in the enclosed records pursuant to sections 13 (Policy advice or recommendations), 15 (Disclosure harmful to law enforcement), 16 (Disclosure harmful to intergovernmental relations or negotiations), 17 (Disclosure harmful to the financial or economic interests of a public body), 21 (Disclosure harmful to business interests of a third party), and 22 (Disclosure harmful to personal privacy) of FOIPPA.
