Re: Request for Access to Records
Freedom of Information and Protection of Privacy Act (FOIPPA)

I am writing further to your request received by the Ministry of Health. Your request is for:

Copy of candidate profile, declaration forms whether initial or repeat, copy of letters confirming their nomination, when their applications were vetted and accepted by the Crown Agencies and Board Resourcing office, from the Doctors of BC (then possibly also named BC Medical Association) initially and at any time thereafter, for the following named individuals; Dr. Ezra Kwok; Dr. Katherine Mandigo and Dr. Glen Mciver.

You requested a review of the public body's severing decisions with the Office of the Information and Privacy Commissioner (OIPC). The public body has reconsidered some information previously withheld pursuant to sections 15 (Disclosure harmful to law enforcement) and 22 (Disclosure harmful to personal privacy) of FOIPPA.

The records located in response to your request will be delivered through the BC Secure File Transfer Service. Separate emails will follow from the BC SFT Notification Service directing you how to set up an account and where to obtain your records.

These records will be published on the BC Government's Open Information website a minimum of five business days after release. To find out more about Open Information, please access the Open Information website at: www.gov.bc.ca/openinformation

If you have any questions regarding your request, please contact Ryan Graves, the analyst assigned to your request, at 236 478-2834. This number can be reached toll-free by calling from Vancouver, 604 660-2421, or from elsewhere in BC, 1 800 663-7867 and asking to be transferred to 236 478-2834.

Sincerely,
