Dear

**Re: Request for Access to Records**

***Freedom of Information and Protection of Privacy Act (FOIPPA)***

I am writing further to your request received by the Ministry of Advanced Education and Skills Training. Your request is for:

*Records on international students enrolment in colleges and universities and the effect on the number of international students enrolling since the COVID-19 pandemic border restrictions. (Date Range for Record Search: From 1/1/2019 To 10/1/2021).*

Some information has been withheld pursuant to section 22 (Disclosure harmful to personal privacy) of FOIPPA. A complete copy of FOIPPA is available online at:

[http://www.bclaws.ca/civix/document/id/complete/statreg/96165\\_00](http://www.bclaws.ca/civix/document/id/complete/statreg/96165_00)

Your file is now closed.

Additional records responsive to your request are available publicly here:

<https://www2.gov.bc.ca/gov/content/education-training/post-secondary-education/data-research>

.../2

The following additional information has been provided by the Ministry:

- The Private Training Institutions Branch (PTIB) currently has student enrolment data to the end of the 2019 calendar year for certified private training institutions.
- Certified institutions are required to submit student data for their previous fiscal year, five months after their fiscal year end. Each certified institution is able to select its own fiscal year and consequently PTIB receives student data from a group of institutions, reporting on their fiscal year, each month.
- This means that PTIB will not receive student data from all institutions for the 2019-20 program year until the end of January 2022, at which time PTIB will review the data.
- As a result, PTIB cannot report student enrolment data at this time that shows the effect of the COVID-19 border restrictions on international student enrolments.

These records will be published on the BC Government's Open Information website a minimum of ten business days after release. To find out more about Open Information, please access the Open Information website at: [www.gov.bc.ca/openinformation](http://www.gov.bc.ca/openinformation)

The records located in response to your request will be delivered through the BC Secure File Transfer Service. Separate emails will follow from the BC SFT Notification Service directing you how to set up an account and where to obtain your records. A guide for using the SFTS is enclosed for your convenience.

If you have any questions regarding your request, please contact Melissa Boyd, the analyst assigned to your request, at 778 698-2867. This number can also be reached toll-free at 1 833 283-8200. Please provide the FOI request number, found at the top right of the first page of this letter, in any communications.

Sincerely,

Melissa Boyd, FOI Specialist
